

Expression of Interest

The Central Statistical Organisation of the Ministry of Statistics and Programme Implementation has set up a Central Training Facility entitled **National Academy of Statistical Administration (NASA)** at Knowledge Park-II of Greater Noida, Uttar Pradesh, which will be a world class institution for imparting training in Official Statistics and other related subjects.

2 It is intended to engage a reputed IT Consultant for designing *state of the art* IT facilities for furnishing the Campus consisting of **Academic-cum-administrative, Hostel Blocks** and **residential blocks** of the NASA with appropriate networking and IT facilities. This inter-alia includes

- 1) High solution computer server
- 2) High speed networking with broadband internet/intranet facility
- 3) Network security (Firewall, Antivirus etc.)
- 4) Development of Campus INTRANET
- 5) Connectivity to about 200 network computers
- 6) audio-video (large screen) facilities for Classroom and auditorium
- 7) Network based teaching aids
- 8) Video conferencing facility
- 9) Networked printing facilities
- 10) Creation of Data Bank
- 11) Full computerisation of Library
- 12) Application of Wireless Campus Networking
- 13) Intercom facilities all over including security rooms, control rooms.

3 The consultants to give comprehensive design and configuration incorporating above aspects together with suitable software requirements after proper assessment to achieve following objectives

: 2 :

- 1) Total automation of training and administrative activities
- 2) Computer based training
- 3) Video conferencing
- 4) Library automation
- 5) Prepare format for complete tender documents.

4. The consultant would be required to test and certify the implementation of the actual furnishing keeping view the standards as per their design and configuration.

5 Consultants with proven expertise in Campus automation are invited to submit '**Expression of Interest**' for preparation of conceptual framework and suggesting hardware/software requirements along with designs/drawings for installation of IT infrastructure in the Academic-cum-Administrative and Hostel blocks of NASA.

6. The consultants who possess the following qualifying criteria are eligible to apply:

a) Experience of completion minimum two such projects of similar nature with project value not less than Rs. 1 crore. Supporting documents with technical capabilities, staff details and experience of such jobs may be attached.

b) Minimum turn over of the consultation firm should not be less than Rs. 5 crore in the previous three financial years. Attach copy of the balance sheets for three years, Service Tax Registration number etc.

7. All the interested parties will be required to make a presentation of the framework of the project along with their experience vis-à-vis projecting photographs of their past creations before a high powered evaluation committee.

8. The High Powered Evaluation Committee (HPEC) will have the full power to prepare a panel of consultants, who will be asked to submit both Technical and Financial Bids separately. The HPEC will have a pre-tender consultations with in order to clarify queries, if any of the participating consultants. The Committee also reserves the right to reject any or all offers and distribute the work to more than one firm without assigning any reason.
