Online public comments on the draft "Working Paper on Compilation of Labour Indicators of Minimum Set of Gender Indicators"

The National Statistical Office, India, has prepared "**Working Paper on Compilation of Labour Indicators of Minimum Set of Gender Indicators**" to develop methodology for compiling the 3 indicators namely "Proportion of Employed working Part-time, by sex", "Proportion of Employed who are Employer, by sex" and "Employment Rate of persons age 25-49 living in a household with at least one child under age 3 years and with no children under age 3 years living in the household, by sex" from "Periodic Labour Force Survey" data conducted by National Sample Survey (NSS). International Labour Organization (ILO) is custodian agency for these indicators.
