Sub: The Sixth National Seminar on Industrial Statistics – regarding

Beginning with 2010, CSO, IS Wing, already organised five National Seminars on Industrial Statistics with impressive attendances and significant contribution in the given area. The seminar of this kind is actually providing a platform to experts and users of official statistics on Indian industries from government organisations, academic institutions and business houses & associations for sharing experiences and exchanging of ideas that would be beneficial for improving the system of Industrial Statistics in all its aspects.

The Sixth National Seminar on Industrial Statistics will be held on **9 November, 2015**, Monday at Kolkata. In this context, seminar papers, based on industrial statistics/economic analysis on industry are invited from government organisations, academic institutions, researchers and business houses & associations.

The proposed paper should be original and unpublished. It is likely that the paper presented in the seminar, if selected, may be published in *The Journal of Industrial Statistics* brought out by CSO(IS Wing), Kolkata. Any individual interested to contribute a paper is requested to submit a synopsis (about three pages) on MS-WORD format electronically at the following address. On selection, the contributor will be intimated separately about further details. For any query on the seminar or paper, the undersigned may be contacted (Ph. 033- 2248 1521, e-mail: tk.sanyal@gov.in).
