

**Title: Data Visualization Hackathon: Innovate with GoStats**

Description: Ministry of Statistics and Programme Implementation (MoSPI), in collaboration with MyGov MeITY, is organizing a Hackathon on Data Visualization with the title “**Innovate with GoStats**”. The event aims to create awareness about the data being generated by the Ministry and encourage students and researchers to utilize the data for creating innovative data-driven insights that would be useful for the policy-makers in building a 'Viksit Bharat'.
