आदेश / ORDER

In line with the roadmap for reforms in the National Statistical System which is aimed at modernization and enhancing the official Statistical System in the country, the Computer Centre is re-named as Data Informatics and Innovation Division (DIID) and designated as a nodal division on IT related matter of the Ministry of Statistics and Programme Implementation (MoSPI).

2. The Data Informatics and Innovation Division (DIID) will have the following roles and responsibilities:

- a) Formulating the overarching framework for digital transformation of the MoSPI, including the plan for modernization of IT architecture.
- b) Providing technical inputs / advice to various divisions on hardware, software and technology stack specifications and also in conceptualizing and planning of projects of divisions, as needed.
- c) Coordination with other divisions on digital initiatives, as needed.
- d) Guidelines and policy input on cyber security and related issues.
- e) Design, Development, Updation and Maintenance of the Ministry's website.
- f) Maintenance and Updation of e-Sankhyiki Portal & CPI Portal.
- g) Dissemination of Microdata of the Surveys and Census conducted by the Ministry.
- h) Implementation of Data Innovation-Lab (DI Lab) Component of the Capacity Development Scheme.
- i) Facilitating NIC Cloud Services for hosting and maintenance of the applications/ portals of the Ministry and Delegated Administrator for the creation and updation of official E-mail ID of all officers/ officials of Ministry.
- j) Publication of Compendium of Datasets/ Registries of various organizations including Ministries/ departments.

k) Any additional responsibilities as assigned with the approval of Secretary (MoSPI).

3. While DIID will be the nodal Division for developing overarching framework for digital transformation of the MoSPI and providing advice for the Divisions of the Ministry, the respective Divisions will retain the ownership of their IT initiatives and pursue their IT projects/works independently, including bidding, procurement and implementation etc. DIID will, however, be represented in the committees responsible for their activities to ensure commonality of procedures etc.

4. This issues with the approval of Secretary (MoSPI).
