The Data Processing Division (DPD) and the Industrial Statistics (IS) Wing together are re-designated as 'Enterprise Survey Division (ESD)'. Each vertical i.e. 'Household Survey Division' and 'Enterprise Survey Division' will be headed by an ADG (HAG) level officer who will be reporting to DG (NSS).

Subsequently, both the re-organised divisions of NSS will start functioning as an independent division within a month.

5. The ministerial and non-ministerial staff existing in the Data Processing Division (including IS Wing) [re-designated as Enterprise Survey Division] and the Survey Design and Research Division [re-designated as Household Survey Division] will continue to function on 'as is where is' basis so that their inter-se seniority in their cadre is maintained.
