D.O. No. 16/5/2016-E.I (B)

Dated: 29th November, 2024

Dear Sameekh,

You may be aware that since 20.08.2018 the Union Public Service Commission (UPSC) has been publishing the details of the non-recommended (Candidates who qualify the written examinations but are not recommended after the interview) willing candidates of the Commission's Examinations under the Public Disclosure Scheme (PDS) on its website, linked to the National Career Service (NCS) Portal of the Ministry of Labour and Employment.

2. The Commission conducts 10 regular examinations (Annexure A) every year and recommends 6,400 successful candidates for appointments in various services. However, approximately 26,000 candidates, who have already demonstrated their proficiency by clearing the rigorous written examinations, are declared not successful. The scheme was launched in 2018 with a view to provide employment opportunities to these talented young people in Government organisations/ Public Sector Undertakings/ Private Companies. While there has been some success in placing these candidates in a few PSU/ Govt. organisations like Cabinet Secretariat, Department of Water Resources, River Development and Ganga Rejuvenation (Ministry of Jal Shakti), Delhi Jal Board, Unique Identification Authority of India (UIDAI) etc., much remains to be done.

3. To streamline the process and widen the scope of PDS, the UPSC has launched a dedicated portal with the following URL: <https://upsconline.nic.in/miscellaneous/pdoiac/>. Any registered private company or a Public Sector Undertaking can register on the portal through its CIN (MCA verified API). Statutory bodies and Autonomous organisations of the Government of India can directly write to the UPSC and they will be provided with login id to access the portal. These organisations can access the list of non-recommended candidates

Contd.....2/-

wherein their percentile (not absolute or percentage marks) will be available. A short biodata of the candidates with their educational qualifications, contact numbers etc. will also be accessible. The portal will also provide subject/discipline wise search facility to the registered organisations in order to identify suitable candidates in line with their requirements. The UPSC will also track the selection process of the candidates once they are shortlisted by the organisations till the issue of appointment letters. The facility for uploading a copy of the appointment letter has also been provided.

4. The detailed procedure to register on the portal along with screenshot is annexed at 'B'.

5. The portal shares the information of the non-recommended candidates of examinations conducted by the UPSC only for restricted purpose of evaluation of suitability of the candidates for employment purpose and shall not be used for any other purpose or disclosure whatsoever.

6. May I, therefore, request you to widely disseminate the information about this portal to private companies through Industry Associations working with your Department. You may also discuss this with Statutory bodies/ Autonomous organisations/ Attached bodies under your Department and assess which of them can make use of the portal. Such a list can then be shared with us in order to enable them to register on the portal.

with regards,

Yours sincerely,

Shashi Ranjan Kumar
