OFFICE MEMORANDUM

Subject:- Preparation and maintenance of Annual Performance Assessment Reports (APAR).

The undersigned is directed to invite the attention of the Ministries/Departments to the instructions contained in this Department's O.M. No. No. 21011/02/2009-Estt.(A) 16/02/2009 and O.M. of even number dated 14.05.2009 on the subjects of timely preparation and proper maintenance of APAR and making the APAR transparent for representation for upgradation, if any, by the officer reported upon. The matter of preparation and maintenance of APAR has been further reviewed in this Department keeping in view the system in this regard in respect of All India Services (AIS) and the undersigned is directed to convey the following decisions:-

- (i) All cadre authorities shall include a box in the APAR for reflecting by the reporting officer the pen picture of the officer reported upon where the reporting officer will be required to indicate his comments on the overall qualities of the officer including areas of strengths and lesser strength and his attitude towards the weaker sections. A column will also be added in the section relating to the reviewing authority for giving the reviewing authority's remarks on the pen picture reflected by the reporting officer. There will be no other separate column in the APAR for overall assessment apart from the pen picture.
- (ii) A provision may be made in the APAR in the relevant section for remarks by the reviewing officer to indicate specifically the differences, if any, with the assessment made by the reporting officer, and the reasons therefor.
- (iii) Numerical grading are to be awarded by reporting and reviewing authorities for the quality of work output, personal attributes and functional competence of the officer reported upon. These should be on a scale of 1-10, where 1 refers to the lowest grade and 10 to the highest. The guidelines given in Annexure-I shall be kept in mind while awarding numerical gradings.
- (iv) The format for the purpose of numerical grading in the three areas of work output, assessment of personal attributes and assessment of functional competency is in Annexure-II. For Group 'B' and 'C' officials however, suitable changes may be made by the concerned cadre authorities in the items of assessment as per functional requirements of the job and the next promotional post for them. The overall grade on a score of 1-10 will be based on 40% weightage on assessment of work output, and 30% each for assessment of personal attributes and functional competency. The overall grading will be based on addition of the mean value of each group of indicators in proportion to weightage assigned.

(v) Wherever 'accepting authority' has been prescribed in the existing system in the cadre, columns may also be provided for such authority to give his comments on the remarks of the reporting/reviewing authority and details of difference of opinion, if any, with reasons for the same. In such cases, the accepting authority will also give overall grade on a score of 1-10.

(vi) A schedule for completion of all activities relating to the APAR is given in Annexure-III.

2. The above provisions would be applicable for the APAR from the reporting year 2009-10 onwards. The concerned authorities may accordingly make necessary changes in the APAR format for numerical grading to be given by reporting and reviewing officer. This O.M. does not in any way affect the part to be filled in by the officer reported upon and other existing columns in the APAR format like attitude towards SC/ST/OBC, relations with public (wherever applicable), integrity, training requirement etc. for descriptive remarks.

3. All Ministries/Departments are requested to bring to the notice of all the offices under them for strict implementation of the above instructions.

- (i) The columns in the APAR should be filled with due care and attention and after devoting adequate time.
- (ii) It is expected that any grading of 1 or 2 (against work output or attributes or overall grade) would be adequately justified in the pen-picture by way of specific failures and similarly, any grade of 9 or 10 would be justified with respect to specific accomplishments. Grades of 1-2 or 9-10 are expected to be rare occurrences and hence the need to justify them. In awarding a numerical grade the reporting and reviewing authorities should rate the officer against a larger population of his/her peers that may be currently working under them.
- (iii) APARs graded between 8 and 10 will be rated as 'outstanding' and will be given a score of 9 for the purpose of calculating average scores for empanelment/promotion.
- (iv) APARs graded between 6 and short of 8 will be rated as 'very good' and will be given a score of 7.
