Dated: 23.05.2019

**Order**

In order to streamline and strengthen the present nodal functions of Ministry of Statistics and Programme Implementation (MoSPI) with respect to Indian Official Statistics System and to bring in more synergy by integrating its administrative functions within the Ministry, the following restructuring is made, with the approval of Hon'ble Minister for Statistics and Programme Implementation:

- (a) Statistics Wing, comprising the National Statistical Office (NSO) with constituents as Central Statistics Office (CSO) and National Sample Survey Office (NSSO), to be an integral part of the main Ministry, with CSO and NSSO to be merged into NSO.
- (b) The NSO would be headed by Secretary (S&PI), with various Divisions reporting to Secretary (S&PI) through the Director Generals (DGs).
- (c) With the reorganisation of CSO and NSSO within NSO as a part of the main Ministry, the administrative functions will be streamlined with the involvement of DG level officers in administration and overall coordination of MoSPI. The Administration Wing will report to Secretary (S&PI) through the DG in-charge of Coordination and Administration.
- (d) The Data Processing Division (DPD) of present NSSO would be renamed as Data Quality Assurance Division (DQAD) and have the responsibility to bring about improvements in survey data, as well in data of non-survey sources, like Economic Census (EC) and Administrative Statistics. For undertaking this enhanced role, DQAD would be suitably strengthened through re-skilling and deployment of existing personnel.
- (e) The Field Operations Division (FOD) of the present NSSO will be a Subordinate Office of MoSPI, and all the other Divisions of present CSO, NSSO and the Administration Wing to exist as Divisions of MoSPI.
- (f) The work allocation of the three (3) DG level posts in MoSPI would be modified to bring in improved functional efficiency. The nomenclature of the existing DG level posts would also be accordingly modified.

Presently three DG level posts in MoSPI are known as DG (Economic Statistics) [DG (ES) in short], DG (Social Statistics) [DG(SS) in short] and DG (Surveys). The renamed DG level posts would be DG (Statistics) [DG (Stats) in short], DG (Coordination, Admin. & Policy) [DG (CAP) in short] and DG (National Sample Survey) [DG (NSS) in short], and their work allocation will be modified for better functional efficiency. The present system of
