INDIAN STATISTICAL INSTITUTE PROVIDENT FUND

Notes on Accounts of Indian Statistical Institute Contributory Provident Fund and General Provident Fund

- 1. The Balance Sheet and Income and Expenditure Account of Indian Statistical Institute Contributory Provident Fund (CPF) and General Provident Fund (GPF) are prepared from the books of account maintained by the Indian Statistical Institute (Institute) wherein transactions and balances relating to CPF and GPF are separately recorded facilitating their identification and extraction for summarization. For the purpose of preparation of financial statements of CPF and GPF, the transactions and balances extracted from the Institute's books are agreed with the records maintained at the Provident Fund Section of the Institute that include separate Investment Ledgers for CPF and GPF and personal ledgers of the member-subscribers containing details of loans, withdrawals and final settlement of provident fund balances.
- 2. Interest is credited to the subscribers' account for each financial year after the audit of the annual accounts of CPF and GPF for the respective year as per rules of the fund. However, in case of a subscriber quits the service of the Institute or dies, interest, for the period for which the rate of interest is yet to be declared, is allowed up to the date of payment at the rate declared last less 2% per annum or rate as fixed by the Government for its employees whichever is lower as an interim payment and balance of interest, if any due are paid to the member or the member's nominee or legal heir as the case may be after the declaration of interest for that period. Accordingly, interest which have been credited to the accounts of the member-subscribers pertains to the previous financial year i.e. 2017-2018 and these have been booked in the Income and Expenditure Account of CPF and GPF respectively for the year 2018-2019.
- 3. On the amount of Loan paid to members of both CPF and GPF, interest is not realized. However, interest is credited to the account of member-subscriber of CPF/GPF after deducting any sums withdrawn (including loan) during the current year.
- 4. D.A to P.F. is being shown in the books of P.F. Accounts since 1990 and Other Deposits both of GPF and CPF respectively represents some arrears arising from the implementation of IVth Central pay commission in the Institute.
- 5. Interest is not allowed on the balances of erstwhile employees brought forward from earlier years and included as under:

CPF:

Members' Own Subscription : Rs.16,28,894.30 Employers' Contribution : Rs.13,59,271.09

GPF:

Members' Own Subscription : Rs.11,92,848.50

- 6. In the event of any shortfall of distributable surplus at the disposal of CPF and GPF to ensure distribution of interest on member-subscriber balances at the Government declared rates, no additional contribution is receivable either from the Government or the Institute. To avoid such situation and with an objective of earning higher investment income, for the benefit of the subscribers, investment of CPF and GPF funds were often made jointly resulting inter-fund balances. Awaiting adjustment on reconciliation as at 31st March 2019 Rs.2,20,78,127.89 was due to CPF by GPF (31st March 2018 Rs. 3,36,81,342.96 was due to CPF by GPF).
- 7. Previous year figure have been regrouped/rearranged wherever necessary.

Dated, Kolkata September 27, 2019 COMMENTS OF AUDITORS (FORMING PART OF THEIR REPORT) ON THE ACCOUNTS OF THE INDIAN STATISTICAL INSTITUTE CONTRIBUTORY PROVIDENT FUND (ISICPF) AND INDIAN STATISTICAL INSTITUTE GENERAL PROVIDENT FUND (ISIGPF) FOR THE YEAR ENDED ON 31ST MARCH 2019 AND REPLIES OF THE BOARD OF TRUSTEES, ISICPF & BOARD OF MANAGEMENT, ISIGPF THEREON.

An amount of Rs.2,20,78,127.86 is receivable from GPF by CPF.

Reply : *ISIPF* while making investments, keeping in view the benefit of the subscribers and in order to earn more interest, clubs money available both under CPF & GPF. Moreover, in an effort to earn more interest sometimes the fund investment is restricted above a specific amount on a daily basis. Such cases creates investment in the other sector in order to invest early and earn more interest. This creates dues, from and to, each of the funds. This is done for the benefit of the subscribers. However, constant efforts are made to nullify the disbalance by shifting of funds from the debtor fund to the creditor one. Hence, the balance of Rs.2,20,78,127.86 that was due from GPF to CPF (31st March 2018 Rs.3,36,81,342.96 due from GPF to CPF). Endeavour is on to nullify the same by mid 2019-2020.
