**GOVERNMENT OF INDIA  
MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION  
NATIONAL STATISTICAL OFFICE**

New Delhi  
Dated: June 11, 2021

**PRESS RELEASE**

**QUICK ESTIMATES OF INDEX OF INDUSTRIAL PRODUCTION AND USE-BASED INDEX FOR  
THE MONTH OF APRIL, 2021  
(BASE 2011-12=100)**

The Quick Estimates of Index of Industrial Production (IIP) are released on 12<sup>th</sup> of every month (or previous working day if 12<sup>th</sup> is a holiday) with a six weeks lag and compiled with data received from source agencies, which in turn receive the data from the producing factories/ establishments.

2. For the month of April 2021, the Quick Estimates of Index of Industrial Production (IIP) with base 2011-12 stands at 126.6. The Indices of Industrial Production for the Mining, Manufacturing and Electricity sectors for the month of April 2021 stand at 108.0, 125.1 and 174.0 respectively. These Quick Estimates will undergo revision in subsequent releases as per the revision policy of IIP.

3. As per Use-based classification, the indices stand at 126.7 for Primary Goods, 82.4 for Capital Goods, 137.9 for Intermediate Goods and 134.8 for Infrastructure/ Construction Goods for the month of April 2021. Further, the indices for Consumer durables and Consumer non-durables stand at 112.4 and 142.3 respectively for the month of April 2021.

4. It may be noted that the nationwide lockdown and other measures implemented to restrict the spread of Covid 19 pandemic from the end of March 2020, had led to a majority of the establishments not operating in April 2020 and consequently, there were many units which reported 'Nil' production, affecting comparison of the indices for the months of April 2020 and April 2021.

5. Details of Quick Estimates of the Index of Industrial Production for the month of April 2021 at Sectoral, 2-digit level of National Industrial Classification (NIC-2008) and by Use-based classification are given at Statements I, II and III respectively. Also, for users to appreciate the changes in the industrial sector, Statement IV provides month-wise indices for the last 12 months, by industry groups (as per 2-digit level of NIC-2008) and sectors.

6. Along with the Quick Estimates of IIP for the month of April 2021, the indices for March 2021 have undergone the first revision and those for January 2021 have undergone

**EMBARGO ADVISORY**

*This Press Release is embargoed against publication, telecast or circulation on internet till 5.30 PM 11<sup>th</sup> June, 2021.*

---

the final revision in the light of the updated data received from the source agencies. The Quick Estimates for April 2021, the first revision for March 2021 and the final revision for January 2021 have been compiled at weighted response rates of 85 percent, 92 percent and 95 percent respectively.

7. Release of the Index for May 2021 will be on Monday, 12<sup>th</sup> July 2021.

---
