प्रस्तावना

अनिगमित गैर-कृषि क्षेत्र रोजगार, सकल घरेलू उत्पाद और समग्र सामाजिक-आर्थिक परिदृश्य में महत्वपूर्ण योगदान देते हुए भारतीय अर्थव्यवस्था में महत्वपूर्ण भूमिका निभाता है। यह क्षेत्र न केवल लाखों लोगों की आजीविका प्रदान करता है, बल्कि वस्तुओं और सेवाओं की आपूर्ति करके निगमित क्षेत्र के लिए रीढ़ की हड्डी के रूप में भी कार्य करता है, तथा घरेलू मूल्य श्रृंखला में अपनी भूमिका को और भी मजबूत करता है।

2. इस क्षेत्र की तेजी से बदलती गतिशीलता को वास्तविक तौर पर समझने के लिए राष्ट्रीय सांख्यिकी कार्यालय (NSO) द्वारा राष्ट्रीय और राज्य स्तर पर विनिर्माण, व्यापार और अन्य सेवा क्षेत्र (निर्माण को छोड़कर) में अनिगमित गैर-कृषि स्थापनाओं की विभिन्न आर्थिक और प्रचालनात्मक विशेषताओं को विशेष रूप से मापने हेतु अनिगमित क्षेत्र उद्यमों (ASUSE) के वार्षिक सर्वेक्षण की संकल्पना की गई थी। ASUSE के आंकड़ों का उपयोग राष्ट्रीय लेखा सांख्यिकी के संकलन में किया जाना है। यह केंद्र और राज्य सरकारों के विभिन्न मंत्रालयों, नीति निर्माताओं, शोधकर्ताओं और अन्य हितधारकों को महत्वपूर्ण इनपुट भी प्रदान करेगा।

3. ASUSE का तीसरा पूर्ण सर्वेक्षण, जिसे 'ASUSE 2023-24' कहा जाता है, अक्टूबर, 2023 से सितम्बर, 2024 के दौरान किया गया था। उद्यम सर्वेक्षण प्रभाग (EnSD) सर्वेक्षण पद्धति और उपकरणों को अंतिम रूप देने, समंक विधायन तथा सारणीयन, साथ ही रिपोर्ट तैयार करने एवं इकाई स्तर डेटा को अंतिम रूप प्रदान करने के लिए जिम्मेदार रहा। क्षेत्र कार्य क्षेत्र संकार्य प्रभाग (FOD) द्वारा किया गया था जबकि समन्वय एवं गुणवत्ता नियंत्रण प्रभाग (CQCD) ने इस सर्वेक्षण की विभिन्न कार्यकलापों का समन्वय किया।

4. मुझे इस विस्तृत रिपोर्ट को सर्वेक्षण के क्षेत्र कार्य के समाप्त होने के चार माह की अवधि के भीतर प्रकाशित करने में खुशी महसूस हो रही है। यह रिपोर्ट विभिन्न परिचालन और आर्थिक विशेषताओं से संबंधित प्रमुख संकेतकों के अनुमानों के माध्यम से अनिगमित गैर-कृषि अर्थव्यवस्था (निर्माण को छोड़कर) के बारे में बारीक स्तर पर गहरी अंतर्दृष्टि और दृष्टिकोण प्रदान करती है।

5. सूक्ष्म, लघु और मध्यम उद्यम मंत्रालय (एमएसएमई) की आवश्यकता के अनुसार, इस रिपोर्ट में एक नया खंड जोड़ा गया है, जिसमें राज्य/संघ राज्य क्षेत्र स्तर पर सूक्ष्म, लघु और मध्यम के रूप में वर्गीकृत स्थापनाओं की अनुमानित संख्या, साथ ही कुछेक धारणाओं के तहत कार्यकलाप श्रेणियों के बारे में जानकारी दी गई है। पहली बार, रिपोर्ट के मुख्य हाइलाइट्स भाग को मनोहर और दृश्य रूप से आकर्षक इन्फोग्राफिक्स के साथ उन्नत किया गया है, जो पाठकों के लिए परिणामों का बेहतर और अधिक आकर्षक स्नैपशॉट प्रदान करता है। ASUSE परिणामों पर इंटरैक्टिव टेबल और विजुअलाइजेशन ई-सांख्यिकी पोर्टल <https://esankhyiki.mospi.gov.in/> के डेटा कैटलॉग भाग में उपलब्ध हैं।

6. मैं राष्ट्रीय प्रतिदर्श सर्वेक्षण (NSS) की परिचालन समिति के अध्यक्ष प्रो. राजीव लक्ष्मण कारंडीकर और अन्य सदस्यों तथा उद्यम सर्वेक्षण की तकनीकी सलाहकार समिति के अध्यक्ष डॉ. बी.एन. गोलदार तथा अन्य सदस्यों की आभारी हूँ कि उन्होंने इस सर्वेक्षण पर अपने विभिन्न इनपुट, मार्गदर्शन आदि प्रदान किए। मैं उन सभी स्थापनाओं की भी सराहना करती हूँ जिन्होंने इस सर्वेक्षण के लिए आंकड़े एकत्र करने में क्षेत्र अधिकारियों को अत्यधिक सहयोग दिया है। रिपोर्ट की सामग्री में सुधार के लिए सुझावों का स्वागत है।

महानिदेशक
राष्ट्रीय प्रतिदर्श सर्वेक्षण

Preface

The unincorporated non-agricultural sector plays an important role in the Indian economy contributing significantly to employment, Gross Domestic Product and the overall socio-economic landscape. This sector not only sustains livelihoods for millions but also acts as a backbone for the incorporated sector by supplying goods and services, reinforcing its role in the domestic value chain.

2. In order to realistically capture the fast-changing dynamics of this sector, Annual Survey of Unincorporated Sector Enterprises (ASUSE) was conceptualized by National Statistics Office (NSO) for exclusively measuring various economic and operational characteristics of unincorporated non-agricultural establishments in manufacturing, trade and other services sector (excluding construction) at national as well as at state level. Data from ASUSE is to be used in compilation of National Accounts Statistics. It will also provide important input to various ministries in the central and state governments, policy makers, researchers and other stake holders.

3. The third full-fledged survey of ASUSE, referred to as 'ASUSE 2023-24' was carried out during October, 2023 to September, 2024. The Enterprise Survey Division (EnSD) was responsible for finalizing the survey methodology and instruments, data processing and tabulation and also for preparing this report and finalizing the unit level data. The field work was carried out by the Field Operations Division (FOD) while the Coordination and Quality Control Division (CQCD) coordinated various activities of this survey.

4. I am happy to bring out this detailed report within a span of four months from the completion of the field work of the survey. This report provides deep insight and perspective at a granular level about the unincorporated non-agricultural economy (excluding construction) through estimates of key indicators pertaining to various operational and economic characteristics.

5. As per the requirement of the Ministry of Micro, Small and Medium Enterprises (MSME), a new section has been added in this report providing estimated number of establishments classified as Micro, Small and Medium at state/UT level and also for activity categories under some assumptions. For the first time, the Key Highlights section of the report has been enhanced with engaging and visually appealing infographics, offering readers an improved and more attractive snapshot of the results. Interactive tables and visualizations on ASUSE results are available in the Data Catalogue section of the e-Sankhyiki Portal <https://esankhyiki.mospi.gov.in/>.

6. I am thankful to Prof. Rajeeva Laxman Karandikar, Chairman, and other members of the Steering Committee for the National Sample Surveys (NSS) and Dr. B. N. Goldar, Chairman and other members of the Technical Advisory Group for Enterprise Surveys for providing their valuable inputs, guidance, etc. on this survey. I also record my appreciation for all the establishments that had extended utmost co-operation to the field officers in collecting the data for this survey. Suggestions for improving the content of the report are most welcome.

23rd January, 2025

National Sample Survey

स्थापना

अनिगमित 'विनिर्माण', 'व्यापार' और 'अन्य सेवा क्षेत्र' से संबंधित अनुमानित स्थापनाओं की संख्या अक्टूबर, 2022 - सितंबर, 2023 के दौरान 6.50 करोड़ से बढ़कर ASUSE 2023-24 की सर्वेक्षण अवधि, अर्थात् अक्टूबर, 2023 - सितंबर, 2024 के दौरान 7.34 करोड़ हो गई है।

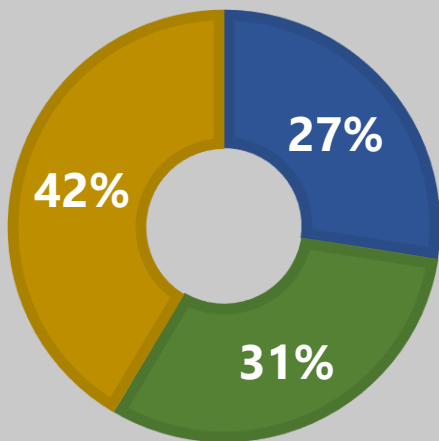

ग्रामीण: 3.97 करोड़ स्थापनाएं
शहरी: 3.37 करोड़ स्थापनाएं

अनुमानित निजी खाता स्थापनाएं:
6.34 करोड़

अनुमानित किराये पर ली गई श्रमिक
स्थापनाएं: 1 करोड़

स्थापनाओं का हिस्सा

■ Manufacturing ■ Trade ■ Other Services

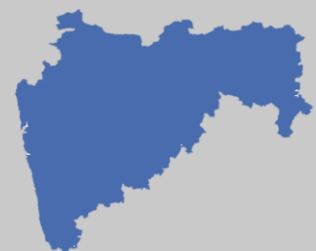

स्थापनाओं की उच्चतम संख्या अन्य खुदरा व्यापार में नियोजित पाए गए, जिसके बाद पहनने योग्य परिधान विनिर्माण का स्थान है।

अनिगमितों स्थापनाओं की सर्वाधिक हिस्सेदारी वाले राज्य

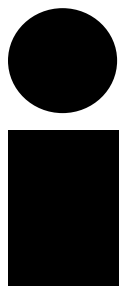

उत्तर प्रदेश: **12.8%**

पश्चिम बंगाल: **12.6%**

महाराष्ट्र: **8.8%**

स्वामित्व

95.4% स्थापनाएं स्वामित्व और साझेदारी स्थापना के तौर पर अनुमानित थीं।

अधिकांश राज्यों में 90% से अधिक स्थापनाएं एकल मालिकों के स्वामित्व में हैं। प्रमुख राज्यों में, उत्तर प्रदेश में स्वामित्व स्थापना का उच्चतम प्रतिशत (99.2%) दर्ज किया गया

26.2% अनिगमित स्थापनाओं का नेतृत्व महिला स्वामित्व द्वारा किया गया है, जबकि विनिर्माण क्षेत्र में इसकी हिस्सेदारी 58.4% है।

पश्चिम बंगाल में महिला नेतृत्व वाली स्थापनाओं का उच्चतम प्रतिशत (36.4%) देखी गई है।

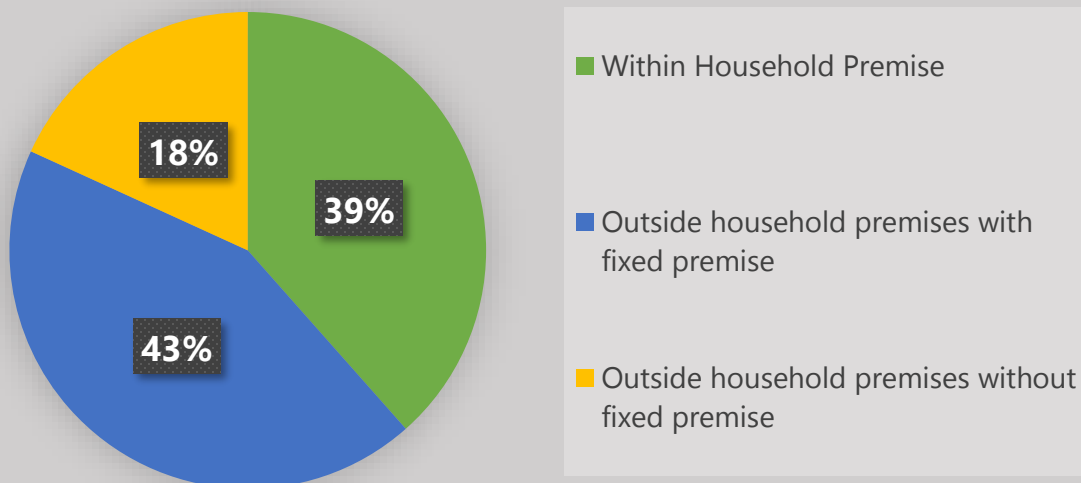

मालिक/प्रमुख भागीदार के सामाजिक समूह द्वारा स्थापनाएं का प्रतिशत हिस्सा

■ Scheduled Tribe ■ Scheduled Caste ■ Other Backward Classes ■ Others

स्थापनाओं का स्थान

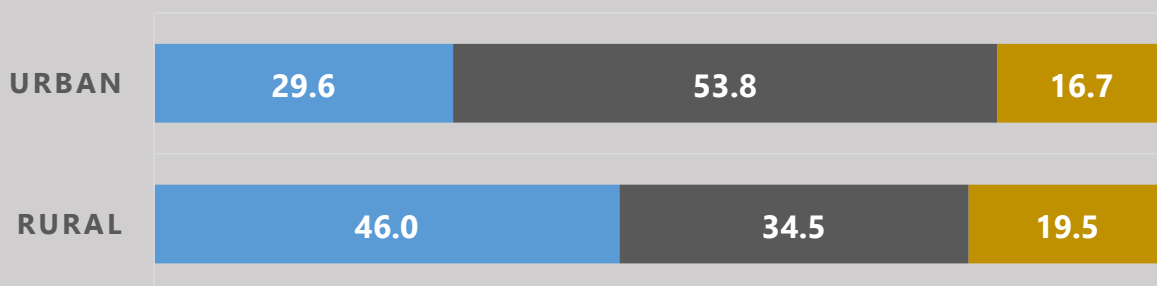

स्थान के अनुसार स्थापनाओं का वितरण

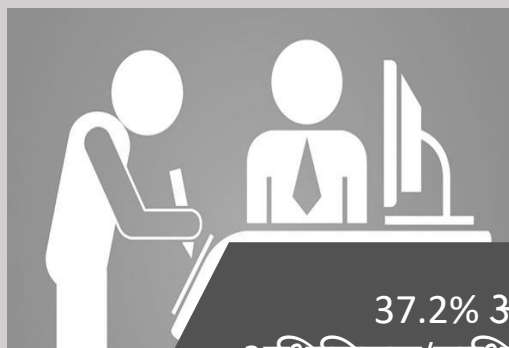

85.4% HWEs स्थायी संरचना के साथ घरेलू परिसर के बाहर स्थित थे, जबकि OAE के लिए यही प्रतिशत 30.9% थे।

सेक्टर के अनुसार स्थापनाओं का स्थान

- Within household premises
- Outside household premises with fixed premise
- Outside household premises without fixed premise

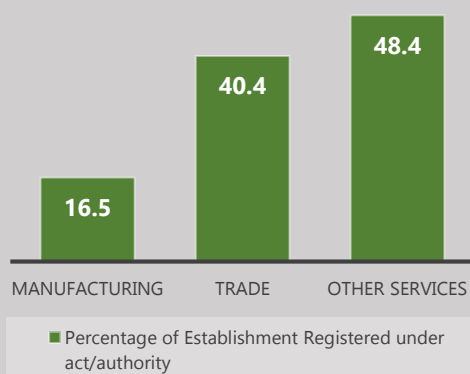

पंजीकरण एवं ICT

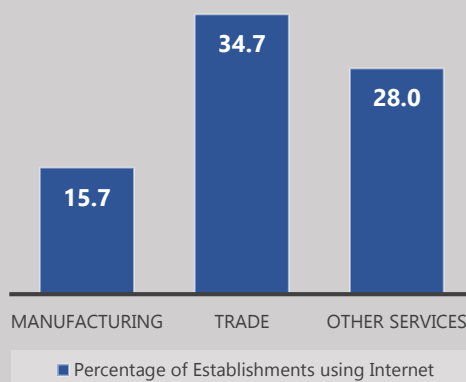

37.2% अनिगमित स्थापनाएं किसी अधिनियम/प्राधिकरण के तहत पंजीकृत पाए गए।

अधिनियम/प्राधिकरण के अंतर्गत पंजीकृत स्थापना का प्रतिशत

इंटरनेट का उपयोग करने वाले स्थापनाओं का प्रतिशत

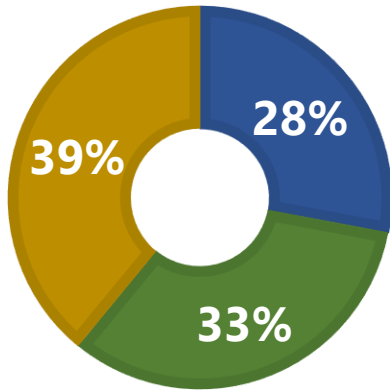

उद्यम संबंधी प्रयोजन से इंटरनेट का प्रयोग ग्रामीण क्षेत्र में 2022-23 में 13.5% से बढ़कर 2023-24 में 17.9% और शहरी क्षेत्र में 30.2% से बढ़कर 37% हो गया है।

कुल मिलाकर इसका प्रयोग, ASUSE 2022-23 की तुलना में ASUSE 2023-24 के दौरान 21.1% से बढ़कर 26.7% हो गया है।

श्रमिक व परिलब्धियाँ

अनिगमित गैर-कृषि अर्थव्यवस्था ने ASUSE 2022-23 के दौरान लगभग 11 करोड़ श्रमिकों की तुलना में अक्टूबर, 2023 - सितंबर, 2024 के दौरान लगभग 12 करोड़ श्रमिकों को रोजगार दिया है, जो लगभग 1 करोड़ की वृद्धि है।

श्रमिकों का हिस्सा
 ■ Manufacturing ■ Trade ■ Other Services

अन्य खदरा व्यापार में श्रमिकों की प्रतिशत हिस्सेदारी 27.5% रही है, जो सबसे अधिक है।

इसके पश्चात 9.2% की प्रतिशत हिस्सेदारी के साथ पहनने योग्य परिधानों संबंधी विनिर्माण का स्थान है।

अनिगमित स्थापनाओं में नियोजित श्रमिकों की सबसे अधिक हिस्सेदारी वाले राज्य

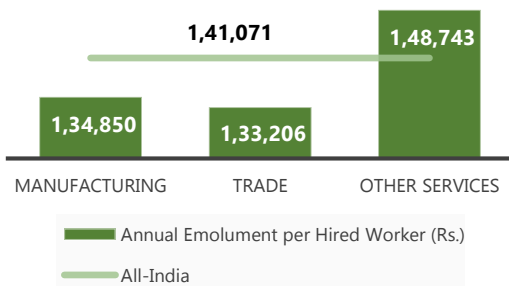

उत्तर प्रदेश: **13.3%**

महाराष्ट्र: **10.1%**

पश्चिम बंगाल: **10.0%**

प्रति नियोजित कर्मचारी वार्षिक परिलब्धियाँ
 (रुपये में)

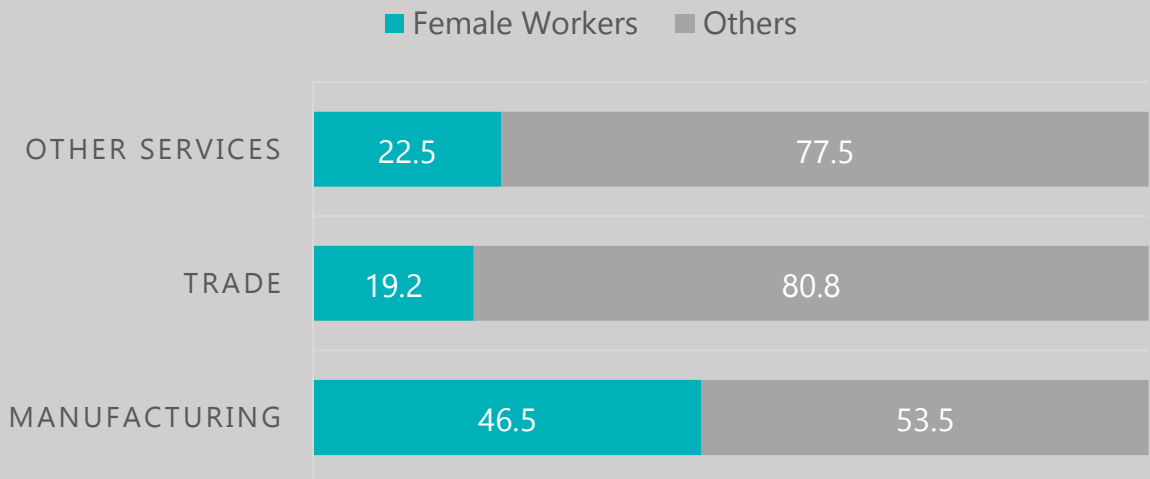

ASUSE 2023-24 के दौरान प्रमुख राज्यों में तेलंगाना ने प्रति नियोजित कर्मचारी के लिए उच्चतम औसत परिलब्धियाँ दर्ज कीं, जो कि ₹1,76,393 थीं।

महिला श्रमिक

कुल मिलाकर, अक्टूबर, 2023 से सितंबर, 2024 की अवधि के दौरान अनिगमित गैर-कृषि क्षेत्र के कुल श्रमिकों में से 28.1% महिलाएँ थीं।

महिला श्रमिकों का प्रतिशत

विनिर्माण क्षेत्र में महिला श्रमिकों का प्रतिशत ग्रामीण क्षेत्र में 55.1% और शहरी क्षेत्र में 37.1% पाया गया।

अनिगमित स्थापनाओं में कार्यरत महिला श्रमिकों (कुल श्रमिकों के संदर्भ में) की उच्चतम हिस्सेदारी वाले राज्य

आंध्र प्रदेश: 38.5%

तेलंगाना: 37.0%

पश्चिम बंगाल: 35.9%

उत्पादकता (बाज़ार स्थापनाएं)

जीवीए का प्रतिशत हिस्सा

■ Manufacturing ■ Trade ■ Other Services

अनिगमित स्थापनाओं में सकल मूल्य वर्धन (GVA) की सबसे अधिक हिस्सेदारी वाले राज्य

महाराष्ट्र: 12.1%	उत्तर प्रदेश: 10.5%	गुजरात: 9.8%
-------------------	---------------------	--------------

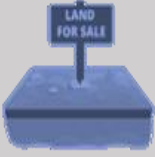

ASUSE 2023-24 की सर्वेक्षण अवधि के दौरान प्रति स्थापना GVA 2,45,687 रु. पाया गया है।

OAE के लिए यह 1,31,838 रु. था और HWE के लिए 9,78,799 रु. था।

ASUSE 2023-24 की सर्वेक्षण अवधि के दौरान प्रति श्रमिक GVA 1,49,742 रु. पाया गया है।

OAE के लिए यह 1,09,212 रु. था और HWE के लिए 2,20,822 रु. था।

अचल परिसंपत्तियाँ व बकाया ऋण

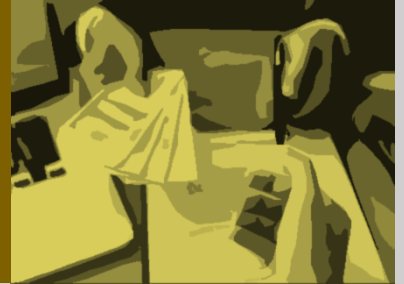

ASUSE 2023-24 ने अनिगमित क्षेत्र में बेहतर पूंजी निवेश दर्शाया है, क्योंकि एक अनिगमित गैर-कृषि स्थापना की अचल परिसंपत्ति (स्वामित्व वाली) ASUSE 2022-23 में औसतन 3,18,144 रु. से 3,24,075 रु. बढ़ गई है।

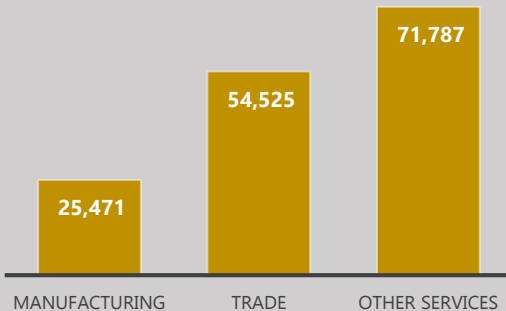

अखिल भारतीय स्तर पर, 'आवास' कार्यकलाप में प्रति स्थापना सर्वाधिक अचल परिसंपत्ति होने का अनुमान लगाया गया है। प्रमुख राज्यों में महाराष्ट्र (6,73,145 रु.) के पास प्रति स्थापना सबसे अधिक अचल संपत्ति होने का अनुमान लगाया गया है।

प्रति अनिगमित गैर-कृषि प्रतिष्ठान पर बकाया ऋण अखिल भारतीय स्तर पर ASUSE 2022-23 की सर्वेक्षण अवधि के दौरान औसतन 50,138 रु की तुलना में ASUSE 2023-24 की सर्वेक्षण अवधि के दौरान 53,710 रु. होने का अनुमान लगाया गया है।

प्रति प्रतिष्ठान बकाया ऋण (रुपये में)

प्रमुख राज्यों में, केरल में प्रति स्थापना सर्वाधिक बकाया ऋण अनुमानित 1,81,918 रु. होने की सूचना मिली है।

ESTABLISHMENTS

Number of estimated establishments belonging to unincorporated 'manufacturing', 'trade' and 'other services sector' grew from 6.50 crore during October, 2022-September, 2023 to **7.34 crore** during the survey period of ASUSE 2023-24, which is, October, 2023-September, 2024

Rural: 3.97 Crore Establishments

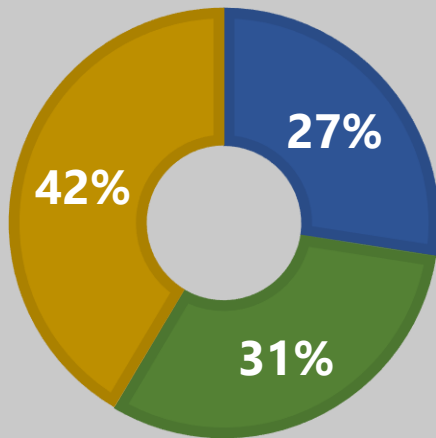

Urban: 3.37 Crore Establishments

Estimated Own Account Establishments:
6.34 Crore

Estimated Hired Worker Establishments:
1 Crore

SHARE OF ESTABLISHMENTS

■ Manufacturing ■ Trade ■ Other Services

Highest number of establishments were found to be engaged in Other Retail Trade followed by Manufacturing of Wearing Apparel

States with Highest share of Unincorporated Establishments

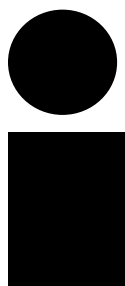

Uttar Pradesh: **12.8%**

West Bengal: **12.6%**

Maharashtra: **8.8%**

OWNERSHIP

95.4% of the establishments were estimated to be proprietary and partnership establishment

Majority of the States have more than 90% of the establishment owned by sole proprietors. Among major states, Uttar Pradesh recorded the highest percentage (99.2%) of proprietary establishment

26.2% of the unincorporated establishments were headed by female proprietors while in manufacturing, this share was 58.4%.

Highest percentage of female headed establishments have been observed in West Bengal (36.4%)

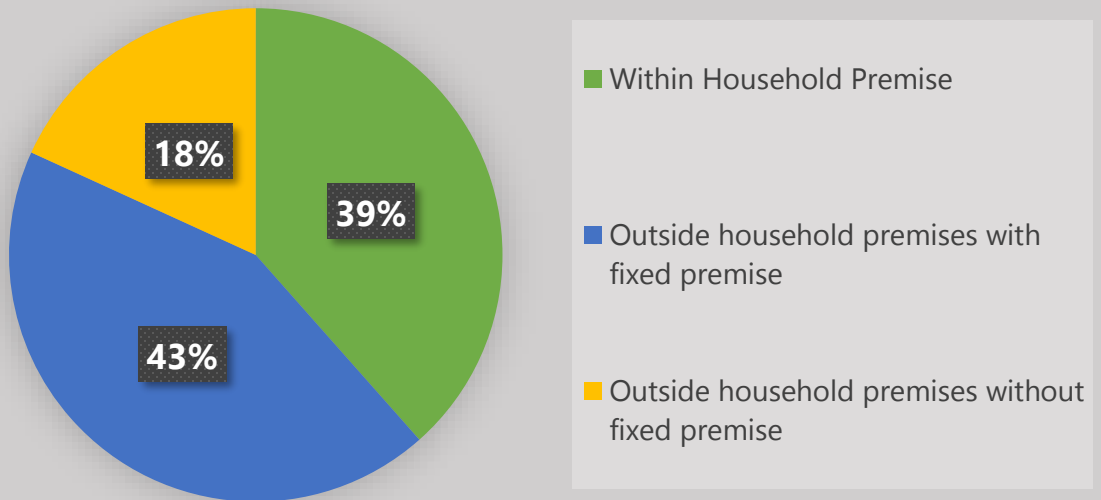

PERCENTAGE SHARE OF ESTABLISHMENTS BY SOCIAL GROUP OF OWNER/MAJOR PARTNER

■ Scheduled Tribe ■ Scheduled Caste ■ Other Backward Classes ■ Others

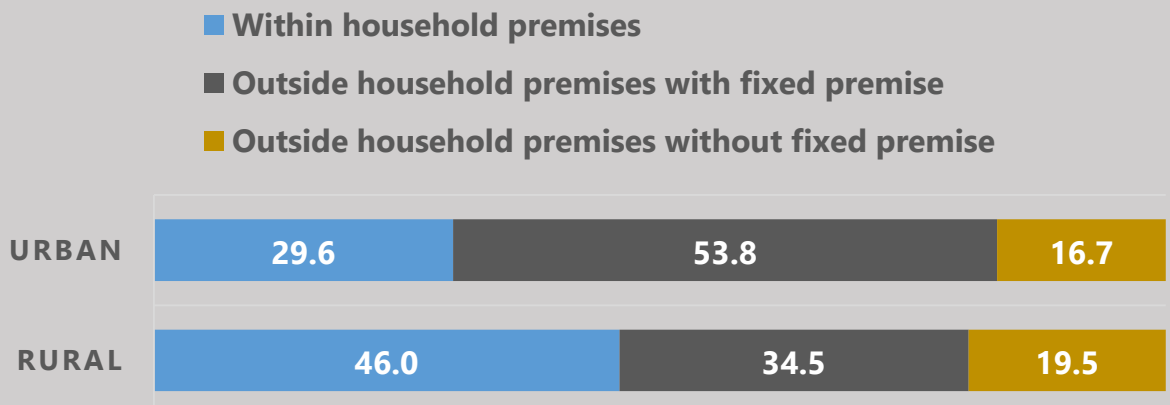

LOCATION OF ESTABLISHMENT

Distribution of Establishment by Location

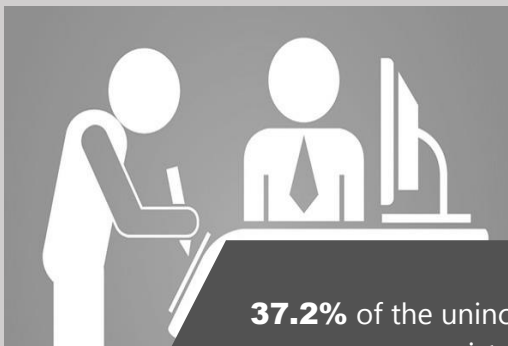

85.4% of the HWEs were located outside household premises with permanent structure while the same percentage for **OAEs was 30.9%**

LOCATION OF ESTABLISHMENT BY SECTOR

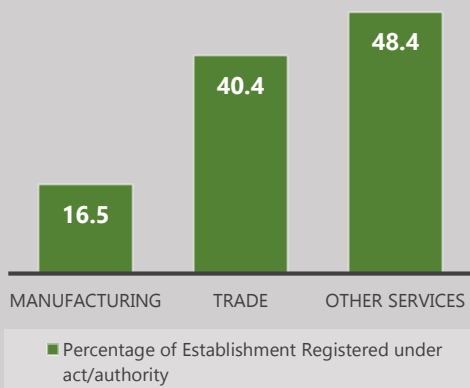

REGISTRATION AND ICT

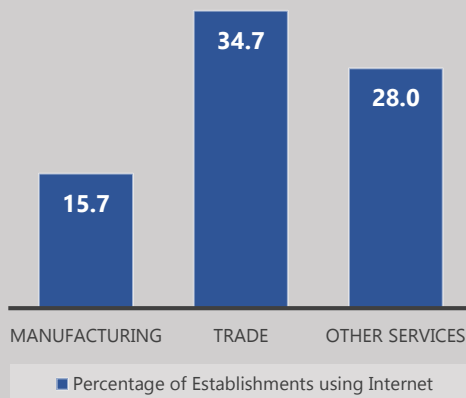

37.2% of the unincorporated establishments were found to be registered under some act/authority.

Percentage of Establishment Registered under Act/Authority

Percentage of Establishments using Internet

Use of internet, for entrepreneurial purpose, has increased from 13.5% in 2022-23 to 17.9% in 2023-24 in rural and from 30.2% to 37.0% in urban sector.

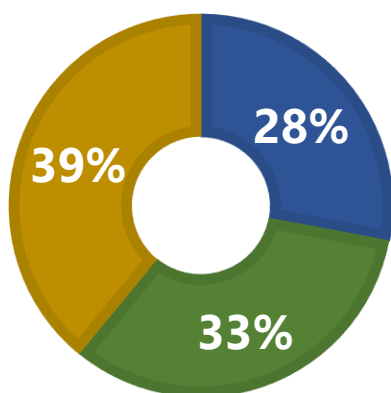

Overall, it increased from **21.1%** to **26.7%** during ASUSE 2023-24 as compared to ASUSE 2022-23.

WORKERS AND EMOLUMENT

Unincorporated non-agricultural economy has employed more than **12 crore workers** during October, 2023 – September, 2024 in comparison to about 11 crore workers during ASUSE 2022-23, an increase of about 1 crore.

SHARE OF WORKERS

■ Manufacturing ■ Trade ■ Other Services

Other Retail Trade had a percentage share of 27.5% workers which has been the highest.

This was followed by **Manufacturing of Wearing Apparels** with a percentage share of 9.2%

States with Highest share of workers engaged in unincorporated establishments

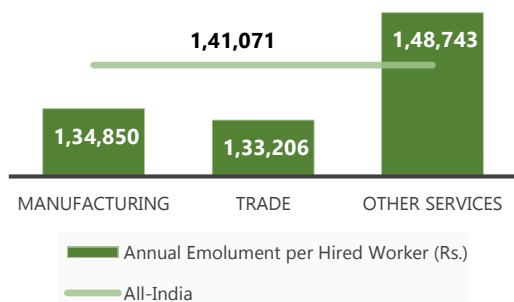

Uttar Pradesh: **13.3%**

Maharashtra: **10.1%**

West Bengal: **10.0%**

Annual Emolument per Hired Worker (in Rs.)

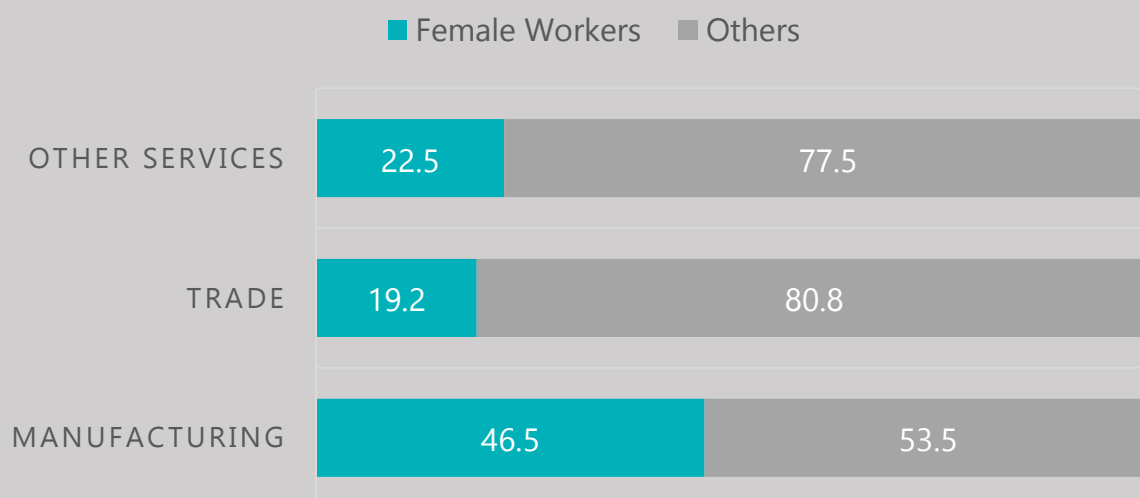

Telangana recorded the highest average emoluments per hired worker among major states during ASUSE 2023-24, amounting to ₹1,76,393.

FEMALE WORKERS

Overall, **28.1%** of the total workers of unincorporated non-agricultural sector, during the period October, 2023 to September, 2024 were female.

PERCENTAGE OF FEMALE WORKERS

In Manufacturing Sector, percentage of female workers has been observed to be 55.1% in rural and 37.1% in urban sector

States with Highest share of female workers (w.r.t. total workers) engaged in unincorporated establishments

Andhra Pradesh: 38.5%

Telangana: 37.0%

West Bengal: 35.9%

PRODUCTIVITY (Market Establishments)

PERCENTAGE SHARE OF GVA

■ Manufacturing ■ Trade ■ Other Services

States with Highest share of GVA in unincorporated establishments

Maharashtra: 12.1%

Uttar Pradesh: 10.5%

Gujarat: 9.8%

GVA per Establishment during survey period of ASUSE 2023-24 has been observed to be Rs. 2,45,687.

The same for OAE was Rs. 1,31,838 and for HWE was Rs. 9,78,799

GVA per Worker during survey period of ASUSE 2023-24 has been observed to be Rs. 1,49,742.

The same for OAE was Rs. 1,09,212 and for HWE was Rs. 2,20,822

FIXED ASSETS AND OUTSTANDING LOAN

ASUSE 2023-24 has shown **better capital investment** in the unincorporated sector, as fixed assets (owned) by an unincorporated non-agricultural establishment, on average, has risen to **Rs. 3,24,075** from Rs. 3,18,144 in ASUSE 2022-23.

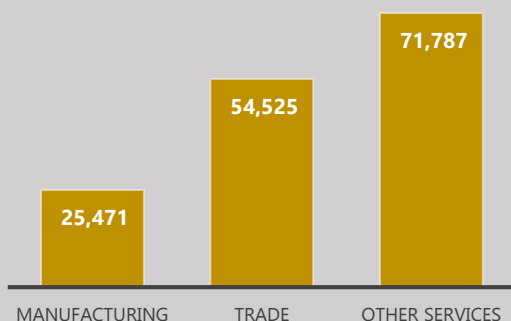

At all-India level, **'Accommodation'** activity has been estimated to have most fixed assets per establishment. Among major states **Maharashtra** (Rs. 6,73,145) has been estimated to have owned the most valued fixed assets per establishment.

Outstanding loan per unincorporated non-agricultural establishment, on average, has been estimated to be **Rs. 53,710** at all-India level during the survey period of ASUSE 2023-24 as compared to Rs. 50,138 during the survey period of ASUSE 2022-23.

Outstanding Loan per Establishment (in Rs.)

Among major states, **Kerala** has reported to have highest outstanding loan per establishment which is estimated to be **Rs. 1,81,918**

Chapter One

Introduction

1.1 Background:

1.1.1 The National Statistics Office (NSO), Ministry of Statistics and Programme Implementation (MoSPI), conducts large-scale sample surveys to collect socio-economic data across India. Recognizing the significant role of unincorporated enterprises in the Indian economy and its fast-changing dynamics, the Annual Survey of Unincorporated Sector Enterprises (ASUSE) was launched by NSO. This survey focuses on capturing the economic and operational characteristics of unincorporated non-agricultural establishments in manufacturing, trade, and services sectors.

1.1.2 The first full-fledged survey of ASUSE was conducted during 2021-22 (April, 2021- March, 2022). This was followed by ASUSE 2022-23 conducted during October 2022 to September 2023. The present survey viz. ASUSE 2023-24 was conducted during October 2023 to September 2024. This report presents the results of the Annual Survey of Unincorporated Sector Enterprises (ASUSE) for the year 2023-24, highlighting key economic and operational data for unincorporated non-agricultural establishments across manufacturing, trade, and services sectors.

1.2 Objective of the Survey:

1.2.1 In Indian economy, unincorporated sector is important because of the large number of establishments in this sector, the magnitude of employment it provides and its contribution to Gross Domestic Product of the country. Broadly, this unincorporated sector also covers the informal sector enterprises. The necessity of comprehensive data pertaining to unincorporated sector including informal sector for planning and policy formulations thus needs no emphasis. The sector is typically characterized by factors such as (a) easy entry for the new enterprises, (b) family ownership of enterprises, (c) reliance on indigenous resources, (d) small-scale of operations and low productivity, (e) labour-intensive technology, etc. These units may operate without a fixed location, or in homes, small shops or workshops. Many of these enterprises are operated by an individual working alone, as a self-employed entrepreneur (own-account worker), or with the help of unpaid family members, while other unincorporated enterprises may engage paid workers. The exact coverage of this sector is mentioned in paragraph 1.3.1.

1.2.2 Economic and operational characteristics of unincorporated non-agricultural establishments in manufacturing, trade and other services sectors collected in ASUSE supplement the corporate sector data. This data serves as a key input for policymaking, supporting National Accounts Statistics, fulfilling the requirements of Ministries such as M/o Micro, Small and Medium Enterprise (MSME), Textiles, Labour & Employment, and empowers stakeholders to make informed, data-driven decisions.

1.3 Survey Outline:

1.3.1 Coverage of the Survey:

1.3.1.1 **Geographically**, ASUSE 2023-24 covered the rural and urban areas of whole of India (except some villages in Andaman and Nicobar Islands which are difficult to access).

1.3.1.2 **Sector-wise**, unincorporated non-agricultural establishments belonging to three sectors viz., Manufacturing, Trade and Other Services have been covered in ASUSE 2023-24.

1.3.1.3 **Category-wise**, ASUSE 2023-24 covered the following:

- (a) Manufacturing establishments **excluding** those registered under Sections 2m(i) and 2m(ii) of the Factories Act, 1948.
- (b) Manufacturing establishments registered under Section 85 of Factories Act, 1948.
- (c) Establishments engaged in cotton ginning, cleaning and bailing (code 01632 of NIC-2008) **excluding** those registered under Factories Act, 1948.
- (d) Establishments manufacturing bidi and cigar **excluding** those registered under Bidi and Cigar Workers (Conditions of Employment) Act, 1966.
- (e) Non-captive electric power generation, transmission and distribution by units **not registered** with the Central Electricity Authority (CEA).
- (f) Trading establishments.
- (g) Other Service sector establishments.

1.3.1.4 **Ownership-wise**, establishments under coverage in (a) to (g) of para 1.3.1.3 consisted of:

- (a) Proprietary and partnership establishments [**excluding** Limited Liability Partnership (LLP) establishments]
- (b) Society/trust/association/club/body of individuals etc., Co-operatives, Self-Help Groups (SHGs), Non-Profit Institutions (NPI/NPISH), etc.

1.3.1.5 Following establishments were **excluded** from the coverage:

- (a) Establishments which are incorporated i.e. registered under Companies Act, 1956/ Companies Act, 2013
- (b) Manufacturing establishments and other non-manufacturing establishments covered under Annual Survey of Industries (ASI)
- (c) The electricity units registered with the Central Electricity Authority (CEA)
- (d) Government Department/Government Company/Government Society/ Public Sector Unit.

1.3.1.6 Different activity categories that have been used in this report are presented as Annexure I at the end of this chapter along with their mapping with suitable National Industrial Classification (NIC) 2008 codes at appropriate level.

1.3.2 Survey Design: The survey has been conducted following a multi-stage stratified sampling scheme where first stage units (FSUs) were census villages in rural¹ and UFS (Urban Frame Survey) blocks in urban areas. The ultimate stage units (USU) were establishments for both the sectors. In the case of large FSUs, one intermediate stage of sampling has been done in the form of hamlet-groups in

¹ In general, the census villages are the FSUs in the rural sector. However, for rural part of Kerala, Panchayat wards has been taken as FSUs.

rural and sub-blocks in urban. The detail of sampling design followed in this survey has been placed in Appendix B of this report.

1.4 Operational and Economic Characteristics of ASUSE 2023-24 captured through an Establishment Approach:

1.4.1 ASUSE was carried out following an ‘establishment approach’ where the respondents were the selected establishments. Conceptually, an establishment is treated as an enterprise or part of an enterprise, which is situated in a single location carrying out its productive activity or in which the principal productive activity accounts for most of the value added. The enterprise and the establishment are the same for single-establishment entities. Thus, ASUSE captures the expenses, receipts, assets, loans, employment, etc. pertaining to the activities of the single location at which the establishment is located. For further details about establishments, paragraph 2.5 of this report may be referred to.

1.4.2 Data on various operational and economic characteristics have been collected through the enterprise schedule, referred to as ESU schedule in this report (a copy of which is placed at Appendix C). These characteristics are crucial for gaining a comprehensive understanding of the unincorporated sector. This report exclusively focuses on these operational and economic characteristics and provides a number of tabulations comprising these estimates. Some of the important economic indicators of the survey include estimated number of establishments, estimated number of workers, GVA per worker, GVA per establishment, emoluments per hired worker, etc. These estimates are generated using the survey-based multipliers for both ‘aggregate’ and ‘ratio’ estimates. Additionally, different types of operational characteristics such as type of ownership, type of location of the establishment, nature of operation, registration status, use of ICT, etc. are also collected in the survey.

1.5 Contents of this document

1.5.1 All the estimates presented in this report are based on data collected through ESU Schedule of ASUSE 2023-24.

1.5.2 This report contains three chapters and three appendices. Following the present introductory chapter (Chapter One), ‘Chapter Two’ outlines the concepts and definitions of different terms used in this survey. Chapter Three presents summary of findings of the survey at the National, State/UT as well as at activity level. Detailed tables forming the basis of this report have been provided at Appendix A. Appendix B provides the sampling design and estimation procedure used for estimating various parameters in details while Appendix C contains a copy of the ESU Schedule of ASUSE 2023-24.

1.5.3 While using the estimates for the Union Territories (UT) and smaller States, it may be kept in mind that the sample sizes for these States/UTs may not be adequate for getting sufficiently reliable estimates and interpretation thereof should be made with caution. Similarly, while interpreting the results using estimates at much deeper cross-sectional level, data users must keep in mind the inadequacy, if any, of the corresponding domain specific samples before arriving at any conclusion for such narrow domain.

1.5.4 The activities pursued by the establishments are broadly categorised into four (4) Broad Activity Categories (BAC). The different ‘Broad Activity Categories’ that were covered in ASUSE survey were ‘manufacturing’, ‘non-captive electricity generation’, ‘trade’ and ‘other services’. There are many

tables for State/UTs in 'Appendix A', where estimates for important indicators are presented at BAC level. 'Non-captive electricity generation' has not been displayed separately in these tables because of very low sample sizes. However, all-India values do contain the contribution of the 'Non-captive electricity generation' sector. Hence, the all-India values may not always match with the constituent values.

1.5.5 Many tables in 'Appendix A' are generated for different 'Activity Categories' under the BAC's, with notations M1, M2, M3,, T1, T2,....., S1, S2,....., etc. For the composition and detailed description of these various activity categories in terms of NIC 2008 codes, readers may refer to Annexure I given at the end of this chapter.

1.5.6 Owing to the need of the Ministry of Micro, Small and Medium Enterprises (MSME), a separate section has been added in this report giving the estimated number of establishments classified as Micro, Small and Medium at state/UT level and also for activity categories from ASUSE data. However, it may be mentioned that in the absence of any direct identifier, the classification of establishments as micro, small or medium for the purpose of this report has been done following some assumptions and based on some formulae for estimating turnover and investment in plant and machinery or equipment from the ASUSE schedule of 2023-24 as shared by Ministry of MSME. The details of the formulae and assumptions made are given in Chapter-3 of this report.

1.5.7 Renting of building for residential purpose was included in coverage of activities in ASUSE 2023-24 under a special NIC code 68108 which was not considered in ASUSE 2022-23. A separate table has been presented in this report providing the estimated number of establishments and workers in different States/UTs engaged in the activity of renting for residential purpose. However, estimates presented in this report in all other tables and statements exclude those establishments and their contribution.

1.5.8 Due to rounding-off issues, all-India values may not always match with the sum of the values of the constituent items. Similarly, for tables showing per thousand/percentage distributions of any attribute, the sum of the individual rows may not add up to 1000 (for per thousand distribution) or 100 (for percentage distribution), owing to the same reason.

1.6 Comparability of ASUSE 2023-24 with previous rounds of ASUSE:

1.6.1 There has been some change in the treatment of "teachers providing tuition" and "individuals serving as housemaids, cooks, gardeners, governesses, babysitters, chowkidars, night watchmen, etc." in ASUSE 2023-24 in comparison to ASUSE 2022-23 or ASUSE 2021-22. Estimates presented in this report have been generated incorporating these new revisions introduced during ASUSE 2023-24. The details of such change in treatment are provided below for reference. Users may take due cognizance of this change while reading this report or using the data.

1.6.1.1 Treatment given in previous ASUSE (ASUSE 2021-22 and ASUSE 2022-23):

Teachers Providing Tuition: Teachers providing tuitions to students by visiting the households of students in lieu of fixed remuneration was out of coverage. However, if the teacher runs a coaching centre at a fixed premise or teaches at his/her own residence, he/ she was considered as running an establishment (i.e. the coaching centre is an establishment).

Individuals serving as housemaids, cooks, gardeners, governess, babysitters, chowkidars, night watchman, etc.: The individuals serving as housemaids, cooks, gardeners, governess, babysitters, chowkidars, night watchman, etc. were outside the coverage of the survey. Such activities normally get classified under code 97 of Section T (Activities of households as employers; undifferentiated goods and services producing activities of households for own use) of NIC 2008. Section T is out of coverage of ASUSE. However, if such services are provided by some agencies against prescribed fees, those agencies were treated as establishments. In that case, personnel deployed for cleaning and dusting by the agency in different premises were treated as hired worker of that agency.

1.6.1.2 Treatment given in ASUSE 2023-24:

Teachers Providing Tuition: Teachers providing tuitions to a single student or to a group of students by visiting the household of students in lieu of fixed remuneration were considered as running an establishment. Further, any person running a coaching centre, at a fixed premise/ at his/her own residence, were considered as running an establishment.

Individuals serving as housemaids, cooks, gardeners, governess, babysitters, chowkidars, night watchman, etc.: The individuals serving as housemaids, cooks, gardeners, governess, babysitters, chowkidars, night watchman, etc. will, in general, be outside the coverage of the survey. Such activities normally get classified under code 97 of Section T (Activities of households as employers; undifferentiated goods and services producing activities of households for own use) of NIC 2008. Section T is out of coverage of ASUSE. However, if such services are provided by some agencies against prescribed fees, those agencies were treated as establishments. In that case, personnel deployed for cleaning and dusting by the agency in different premises were treated as a hired worker of that agency. Further, NIC-2008 code 96098 denotes, *General household maintenance activities like grooming of the floor, dusting, cleaning of utensils etc.*, which is covered in ASUSE. A person may serve a number of households/establishments for activities like grooming of the floor, dusting, cleaning of utensils. In this case the person is to be treated as self-employed and may be covered in ASUSE with NIC code 96098. However, if the person is serving a particular household for these activities, then that person may be treated as “employee”, who is employed by household i.e., covered under NIC code 97 of Section T and excluded from the coverage of ASUSE.

Annexure – I

Different Activities, their description and notations used in the report.

Notations used in the report	Description of activity category	NIC 2008 codes
(1)	(2)	(3)
M1	Cotton ginning, cleaning and bailing	01632
M2	Manufacture of food products	10
M3	Manufacture of beverages	11
M4	Manufacture of tobacco products	12
M5	Manufacture of textiles	13
M6	Manufacture of wearing apparel	14
M7	Manufacture of leather and related products	15
M8	Manufacture of wood and products of wood and cork, except furniture; manufacture of articles of straw and plaiting materials	16
M9	Manufacture of paper and paper products	17
M10	Printing and reproduction of recorded media	18
M11	Manufacture of coke and refined petroleum products	19
M12	Manufacture of chemicals and chemical products	20
M13	Manufacture of pharmaceuticals, medicinal chemical and botanical products	21
M14	Manufacture of rubber and plastics products	22
M15	Manufacture of other non-metallic mineral products	23
M16	Manufacture of basic metals	24
M17	Manufacture of fabricated metal products, except machinery and equipment	25
M18	Manufacture of computer, electronic and optical products	26
M19	Manufacture of electrical equipment	27
M20	Manufacture of machinery and equipment n.e.c.	28
M21	Manufacture of motor vehicles, trailers and semi-trailers	29
M22	Manufacture of other transport equipment	30
M23	Manufacture of furniture	31
M24	Other manufacturing	32
M25	Repair and installation of machinery and equipment	33
M	Manufacturing activities	10-33, 01632
E	Non-captive electricity generation and transmission	35103, 35105, 35106, 35107, 35109
T1	Wholesale and retail trade of motor vehicles and motor cycles	451, 453, 45401, 45402
T2	Maintenance and repair of motor vehicles and motor cycles	452, 45403
T3	Wholesale on a fee or contract basis	461
T4	Other wholesale trade	462, 463, 464, 465, 466, 469
T5	Other retail trade	47
T	Trading activities	45-47
S1	Accommodation	55
S2	Food and accommodation service activities	56
S3	Land transport	49211, 49219, 4922, 4923
S4	Water transport	50
S5	Warehousing and storage	521

Notations used in the report	Description of activity category	NIC 2008 codes
(1)	(2)	(3)
S6	Support activities for transportation, postal and courier activities	522, 53
S7	Information and Communication	58 – 63
S8	Financial service activities except insurance and pension funding	64193 (special code), 64300, 64309 (special code), 649 including special codes 64921 and 64929
S9	Other financial activities	6612, 6619, 662, 663
S10	Real estate activities	68 (excluding special code 68108, but including special code 68109)
S11	Professional, Scientific and Technical activities	69 – 75

Chapter Two

Concepts and Definitions

2. Concepts and Definitions:

2.1 Population coverage: The following rules regarding coverage of the population/households are adhered to while visiting households for the purpose of listing of households and establishments:

- (a) Under-trial prisoners in jails and indoor patients of hospitals, nursing homes etc., are excluded, but residential staff there in are considered while listing is done in such institutions. The persons of the first category are considered as normal members of their parent households and have been considered there. Convicted prisoners undergoing sentence have been outside the coverage of the survey.
- (b) Floating population, i.e., persons without any normal residence are not considered. But households residing in open space, roadside shelter, under a bridge, etc., more or less regularly in the same place, have been taken into account.
- (c) Foreign nationals are not considered, nor do their domestic servants, if by definition the latter belong to the foreign national's household.
- (d) Persons residing in barracks of military and paramilitary forces (like police, BSF, etc.) are kept outside the survey coverage due to difficulties in conducting survey therein. However, civilian population residing in their neighbourhood, including the family quarters of service personnel, has been covered.
- (e) Establishments run by persons staying in orphanages, rescue homes, *ashrams*, vagrant houses, old-age homes, students staying in hostels and the residential staff (other than monks/ nuns) of these institutions have been considered.

2.2 House: Every structure, tent, shelter, etc. is a house irrespective of its use. It may be used for residential or non-residential purpose or both or even may be vacant.

2.3 Household: A group of persons normally living together and taking food from a common kitchen constitutes a household. It includes temporary stay-aways but exclude temporary visitors and guests. The following procedures have been adopted as guidelines for identifying the composition of the household.

- (a) Each inmate (including residential staff) of a hostel, mess, hotel, boarding and lodging house, etc., constitutes a single-member household. If, however, a group of persons among them normally pool their income for spending, they together are treated as forming a single household. For example, a family living in a hotel is treated as a single household.
- (b) In deciding the composition of a household, more emphasis is placed on 'normally living together' than on 'ordinarily taking food from a common kitchen'. In case, the place of residence of a person is different from the place of boarding, he or she is treated as a member of the household with whom he or she resides.

- (c) A resident employee, or domestic servant, or a paying guest (but not just a tenant in the household) is considered as a member of the household with whom he or she resides even though he or she is not a member of the same family.
- (d) When a person sleeps in one place (say, in a shop or in a room in another house) but usually takes food with his or her family, he or she is treated not as a single member household but as a member of the household in which other members of his or her family stay.
- (e) If a member of a family (say, a son or a daughter of the head of the family) stays elsewhere (say, in hostel for studies or for any other reason), he/ she is not considered as a member of his/ her parent's household. However, he/ she is considered as a single member household if the hostel is surveyed.

2.4 Enterprise: An institutional unit¹ in its capacity as a producer of goods and services is known as an enterprise. An enterprise is an economic transactor with autonomy in respect of financial and investment decision-making, as well as authority and responsibility for allocating resources for the production of goods and services. It may be engaged in one or more economic activities at one or more locations. It may be noted that unincorporated enterprises owned by households, all of whose output is intended for final consumption or gross fixed capital formation by those households is outside the coverage of the definition of enterprises used in this survey.

2.5 Establishment: An establishment is an enterprise, or part of an enterprise, that is situated in a single location and in which either only a single productive activity is carried out or in which the principal productive activity accounts for most of the value added. The enterprise and the establishment are the same for single-establishment firms. The unit of enquiry of the ASUSE is an Establishment and not the Enterprise. ASUSE survey is based on establishment approach and tries to capture the expenses, receipts, assets, loans, employment, etc. pertaining to the activities of the single location at which the establishment is located. However, it is pertinent to mention that it is very common in unincorporated sector to carry out multiple activities in the single location i.e., at the location of establishment. In such cases of multiple activities, if accounts are separable then the multiple activities, although in a single location, are listed as separate establishments. It ensures establishment approach is followed not only at location but also at activity level which further fine-tunes the approach itself. Cases, where accounts of different activities are not separable, are treated as mixed activities of an establishment. Thus, by 'establishment approach' is meant an enterprise is engaged in single activity or mixed activity at the single location of the enterprise.

2.6 Non-agricultural establishment: All establishments covered under Sections 'C' to 'S' of NIC-2008 are "non-agricultural establishments". All non-agricultural establishments are referred to as NAE for this survey.

2.7 Unincorporated non-agricultural establishments: Non-agricultural establishments which are not incorporated (i.e. not registered either under Companies Act, 1956 or, Companies Act, 2013) are only covered. Further, the coverage of 'unincorporated establishments' is given in paragraph 1.3.1. The coverage is restricted primarily to all household proprietary and partnership establishments. In addition, society/trusts/associations/clubs/body of individuals etc., Co-operatives, Self-Help groups (SHGs) and

¹ An institutional unit is an economic entity that is capable, in its own right, of owning assets, incurring liabilities and engaging in economic activities and in transactions with other entities.

Private Non-Profit Institutions (NPIs) including Non-Profit Institutions Serving Households (NPISH) are covered.

2.8 Manufacturing Establishment: A manufacturing establishment is a unit engaged in the physical or chemical transformation of materials, substances or components into new products. It covers units working for other concerns on materials supplied by them. Also included are units primarily engaged in maintenance and repair of industrial, commercial and similar machinery & equipment, which are, in general, classified in the same class of manufacturing as those specialising in manufacturing the goods. Thus, all activities covered by Divisions 10 to 33 of NIC 2008 have been considered as 'manufacturing' for the purpose of the survey. In addition, the activity of cotton ginning, cleaning and bailing (Code 01632 of NIC 2008) has been covered in the present survey under manufacturing. *It is important to note that production of goods for the sole purpose of domestic consumption has not been considered as manufacturing.*

2.9 Trading Establishment: A trading establishment is a unit engaged in trade. Trade is defined to be an act of purchase of goods and their disposal by way of sale without any intermediate physical transformation of the goods. Thus, all the trading activities, both wholesale and retail (perennial, casual or seasonal) listed under Divisions 45 to 47 of NIC 2008 are treated as trade. The activities of intermediaries who do not actually purchase or sell goods but only arrange their purchase and sale and earn remuneration by way of brokerage and commission are also treated as trade. Thus, purchase and sale agents, brokers listed in NIC 2008 Division, and auctioneers listed under NIC Group have also been under the survey coverage.

2.10 Other Service Establishment: A servicing establishment or service sector establishment is engaged in activities carried out for the benefit of a consuming unit. Such consuming units could be individuals or other institutional units. Activities of service establishments typically results in changes in the condition of consuming units when such activities are realized by the consuming unit on demand. It is possible for a unit to produce a service for its own consumption provided that the type of activity is such that it could have been carried out by another unit. Some examples of changes that a producer of service brings about in the condition of consumers of service are:

- a) *Changes in the condition of consumer's goods:* the producer works directly on goods owned by the consumer by transporting, cleaning, repairing or otherwise transforming them;
- b) *Changes in the physical condition of persons:* the producer transports the persons, provides them with accommodation, provides them with medical or surgical treatments, improves their appearance, etc.;
- c) *Changes in the mental condition of persons:* the producer provides education, information, advice, entertainment or similar services;
- d) *Changes in the general economic state of the institutional unit itself:* the producer provides insurance, financial intermediation, protection, guarantees, etc.

All activities listed under Sections H – U of NIC 2008 are considered as *other service activities*. Further, activities under Section E are also under coverage. However, Section F (Construction), O (Public administration and defence; compulsory social security), T (Activities of households as employer; undifferentiated goods and services producing activities of households for own use) and U (Activities of extraterritorial organizations and bodies) are excluded from coverage of this survey. Only unincorporated

establishments in the service sector under coverage as described in Annexure I of Chapter 1 have been surveyed. Among these also, activities under certain NIC 2008 codes are out of survey coverage, viz., 491 (transport via railways), 49212 (urban or suburban tramways), 49213 (urban or suburban underground or elevated railways), 493 (transport via pipeline), 51 (air transport), 641 (monetary intermediation) excluding special code 64193, 642 (activities of holding companies), 65 (insurance, reinsurance and pension funding), 6611 (administration of financial markets), 942 (activities of trade unions), 9492 (activities of political organizations).

2.11 Financial Establishment: A financial establishment is a servicing establishment that is principally engaged in financial intermediation or in auxiliary financial activities, which are closely related to financial intermediation. Financial intermediation is a productive activity in which an institutional unit incurs liabilities on its own account for acquiring financial assets by engaging in financial transactions in the market. The role of financial intermediaries is to channelize funds from lenders to borrowers by intermediating between them.

2.12 Household Establishment: A household establishment is one which is run by one or more members of a household or run jointly by two or more households on partnership basis irrespective of whether the establishment is located in the premises of the household(s) or not. In other words, all proprietary and partnership establishments are household establishments.

2.13 Non-household Establishment: Non-household establishments are those which are institutional i.e. owned and run by the public sector (Central or State Government, local self-governments, local bodies, government undertakings, etc.), corporate sector, co-operative societies, other type of societies, institutions, associations, trusts, etc.

2.14 Worker: Worker is defined as persons working within the premises of the establishment who are in the payroll of the establishment as well as the working owners and unpaid family members who help in the entrepreneurial activity. The helpers, apprentices, interns engaged by the establishment are also treated as worker. The worker may serve the establishment in any capacity - primary or supervisory. He/she may or may not receive wage/salary in return to his/her work incidental to or connected with the entrepreneurial activity. Sales persons appointed by an establishment for selling its products/services, *paid or unpaid*, are also treated as workers. A worker need not mean that the same person would be working continuously; it would only refer to a position. i.e., if one person is terminated and another person is appointed in his place, it has been counted as 1 and not 2. A worker engaged for more than half of the normal working hours of the establishment has been treated as **full time worker**.

2.14.1 In case of Self-Help Groups (SHG)s, if any member (including office bearers) performs the activities of the SHG by drawing remuneration, they are treated as working owner. Members of SHG who attend meetings regularly or participate in the activities of the SHG including decision making process without taking any remuneration are not treated as workers for the purpose of this survey. Instead, they are considered as 'active members of SHG'. There may also be hired worker or other workers assisting the activities of SHG.

2.14.2 **Formal hired worker:** A formal hired worker is one who is eligible for paid leave and also eligible for social security benefits like provident fund, Employees' State Insurance Corporation (ESIC), health insurance, etc. provided by the employer.

2.14.3 **Informal hired worker:** An informal hired worker is not eligible for paid leave and/or not eligible for social security benefits like provident fund, ESIC, health insurance etc. provided by the employer. Several small establishments are expected to have informal hired workers.

2.15 **Emoluments:** Regular payments made by establishments to the individual workers (including working owners, if any) such as salary / wages, bonus etc. either in cash or in kind or both. There may be other type of payments like canteen facility, health care facility, recreation club facility, etc. which are paid in kind to a group or to all the workers of the establishment. All such payments, whether individual payments or payments made to a group, are considered as emoluments.

2.16 **Own Account Establishment (OAE):** An establishment which is run without any hired worker employed on a fairly regular basis² is termed as an own account establishment.

2.17 **Hired Worker Establishment (HWE):** An establishment which is employing at least one hired worker on a fairly regular basis is termed as hired worker establishment. Paid or unpaid apprentices, paid household member/servant/resident worker in an establishment are considered as hired workers.

2.18 **Perennial establishment:** Establishments that are run more or less regularly throughout the year are called perennial establishments.

2.19 **Seasonal establishment:** Seasonal establishments are those which are usually run in a particular season or fixed months of a year.

2.20 **Casual establishment:** Establishments that are run occasionally, for a total of at least 30 days in the last 365 days, are called 'casual establishments'.

2.21 **Multiple Activities:** Since many of the entrepreneurs belonging to the unincorporated sector operate at small or marginal levels, the phenomenon of carrying out more than one activity simultaneously or at different points of time is quite prevalent. Carrying out of more than one economic activity by the entrepreneur during the reference year is called multiple activities. If the activities are carried out at the same location and the **information is not separately available**, then it has been taken as "mixed activity" for ASUSE. If the activities are carried out at the same location and the **information is separately available**, then it has been taken as "multiple activity". However, an entrepreneur of a manufacturing establishment manufacturing woollen garments before winter and cotton clothes before summer would not be considered as carrying out multiple activities. Some examples of multiple activities are: i) a person providing computer services during day-time as an own account establishment and also providing tuition in the evening in his own coaching centre, ii) a person carrying out agricultural activity during sowing / harvesting season and doing carpentry at the same time or at other times, etc.

² 'fairly regular basis' means the major part of the period when operation(s) of an establishment are carried out during a reference period.

2.22 Mixed Activity: There are establishments that carry out a number of activities simultaneously. For example, a bakery may also sell cold drinks, a rice mill may sell sugar, etc. Each such activity is treated as a separate establishment if information for them is separately available. If the accounts are not separable then the data pertaining to the establishment as a whole has been collected and the establishment is classified as having mixed activities and the activities of such establishments are a mixture of NIC's. The activities may be mixed at any level of NIC, but for the present survey, an establishment has been considered to have done mixed activities if its activities were different at 2-digit level of NIC-2008. The appropriate NIC in such cases has been determined on the basis of major activity. Major activity refers to the activity which yielded maximum income followed by turnover and then by employment.

2.23 Classification of establishments based on ownership:

2.23.1 Proprietary: When an individual is the sole owner of an establishment, it is called a proprietary establishment.

2.23.2 Partnership: Partnership is defined as the 'relation between persons who have agreed to share the profits of a business carried out by all or any one of them acting for all'. There may be two or more owners, belonging to the same or different households, on a partnership basis, **with or without formal registration** (where there is a tacit understanding about the distribution of profits among the so-called partners).

2.23.3 Limited Liability Partnership: A limited liability partnership is a body corporate³ formed and incorporated under this *Limited Liability Partnership Act* (2008) and is a legal entity separate from that of its partners. A limited liability partnership shall have perpetual succession. Any change in the partners of a limited liability partnership shall not affect the existence, rights or liabilities of the limited liability partnership. However, they are outside the coverage of ASUSE. Besides, other incorporated entities such as PSUs, Companies (Government and Non-Government), etc. are also outside the coverage of ASUSE.

2.23.4 Public Sector Unit/Enterprise: An enterprise, which is wholly owned/ run/managed by Central or State governments, quasi-government institutions, local bodies like *Panchayat, Zilla Parishad, City Corporation, Municipal authorities, etc.*, autonomous bodies like Universities, Education boards, and institutions like schools, libraries etc. set up by the government, panchayat, etc., are treated as public sector enterprise. Enterprises owned/ managed by a single or a group of private persons with no participation of the Government, local body etc. in it, both in terms of management and shares, are treated as private sector enterprises. An enterprise should not be treated as a public sector enterprise if it is run on a loan granted by government, local body, etc.

2.23.5 Cooperatives: A cooperative is an autonomous association of persons united voluntarily to meet their common economic, social, and cultural needs and aspirations through a jointly-owned and democratically-controlled establishment. Examples could be:

- businesses owned and managed by the people who use their services (a consumer cooperative)
- organizations managed by the people who work there (worker cooperatives)

³ Body corporate broadly means a corporate entity which has a legal existence. This includes a private company, public company, Limited Liability Partnerships, foreign company, etc.

- second- and third-tier cooperatives whose members are other cooperative

For the purpose of this survey, only cooperatives registered under the ‘Cooperative Societies Act’ have been considered as eligible cooperatives.

2.23.6 Society: Any group of persons associated for any literary, scientific or charitable purpose, registered under the Societies Registration Act 1860 or any State specific ‘Societies Act’ has been considered as Society for this survey.

2.23.7 Trust: An arrangement through which one set of people, the trustees, are the legal owners of property which is administered in the interest of another set, the beneficiaries. Trusts may be set up to provide support for individuals or families, to provide pensions, to run charities, to liquidate the property of the bankrupts for the benefit of their creditors, or for the safe keeping of securities bought by trusts with their investor’s money. The assets, which trusts hold are regulated by law, must be administered in the interests of the beneficiaries, and not for the profit of the trustees. For the purpose of this survey, only trusts registered under the Indian Trust Act 1882 or any State specific Act have been considered as eligible trusts.

2.23.8 Club/Association/Body of individuals: A club/association/body of individuals is a group of two or more people united by a common interest or goal. They may or may not be registered with any authority.

2.23.9 Non-Profit Institutions (NPI): Non-profit institutions are legal or social entities created for the purpose of producing goods and services whose status does not permit them to be a source of income, profit or other financial gain for the units that establish, control or finance them. In practice, their productive activities are bound to generate either surpluses or deficits but the units that establish, control or finance them cannot appropriate surpluses. The articles of association by which they are established are drawn up in such a way that the institutional units which control or manage them are not entitled to a share any profits or other income which the NPI’s receive. For this reason, they are frequently exempted from various kinds of taxes. NPIs are principally non-market producers but they may engage in market production also. Non-market production means production of goods and/or services at economically insignificant price. Non-profit institutions serving households (NPISHs) are legal entities that are principally engaged in the production of non-market services for households or the community at large and whose main resources are voluntary contributions/sponsorship.

2.23.10 Self-help Groups: A **self-help group (SHG)** is a financial intermediary usually composed of a number of local persons. Members make small regular savings contributions over a few months until there is enough capital in the group to begin lending. Funds are lent back to the members or at times to others. In India, many SHGs are 'linked' to banks for the delivery of microcredit.

2.23.10.1 Activity of self-help groups (SHG): Self-help groups are essentially engaged in the **financial intermediation** i.e. the activity of the SHG is focussed to provide loans to the members and the members can utilise the loan for the purposes - personal or entrepreneurial. However, an SHG may be formed initially and later all or some members may be engaged in group-based non-financial activities.

2.23.10.2 **Determination of eligibility of an SHG:** An SHG is considered as eligible establishment for the purpose of this survey if the total number of days of operation of that SHG is at least 15 days in the last 365 days. Working days include-

- a) Days of meeting;
- b) Days of interaction with the bank for purpose of deposit/withdrawal/loan/repayment etc.; and
- c) Days of performing other jobs related to SHG like maintenance of register.

2.23.10.3 In case of SHGs, if any member (including office bearers) performs the activities of the SHG by drawing remuneration, they are treated as working owner/workers. Members of SHG who attend meetings regularly or participate in the activities of the SHG including decision-making process without taking any remuneration have not been treated as a worker for the purpose of this survey. Instead, they are considered as 'active members of SHG'.

Chapter Three

Summary of Findings

Section 3.1: Introduction

3.1.1 This chapter presents the major findings of ASUSE 2023-24 in terms of performance of the key indicators. The estimates of different operational and economic characteristics of ASUSE 2023-24 are presented here. It is important to note that, in addition to aggregate estimates such as the total number of establishments and workers, the survey also includes various ratio-based estimates. These include metrics such as gross value added per establishment, gross value added per worker, annual emoluments per hired worker, and fixed assets per establishment, among others. These economic characteristics provide a more detailed understanding of the survey's findings. The value figures reported for the different economic parameters are at current prices only.

3.1.2 The detailed tables on the operational and economic parameters are generated at many layers of disaggregation, such as State/UT, 'sector', 'broad activity category' (BAC), 'activity category', and 'establishments type' and are attached at Appendix A. It is pertinent to mention that, 'sector' consists of rural and urban; whereas, "establishment type" is categorized into Own Account Establishments (OAE) and Hired Worker Establishments (HWE). As per the coverage of ASUSE, the different 'broad activity categories' are manufacturing, non-captive electricity generation, trade and other services. Further, there are twenty-five (25) activity categories under manufacturing, five (5) activity categories under trade and fifteen (15) activity categories under different types of services other than trade under the heading 'other services'. The detailed composition of these activity categories has been placed at Annexure-I at the end of Chapter one.

3.1.3 It is observed that the sample size for non-captive electricity generation is very small. In fact, only six (6) samples have been found belonging to this broad activity category. Accordingly, no separate estimates are presented for this BAC. However, the contribution of non-captive electricity generation sector is included in 'total' or 'all activities'. Further, estimates of Relative Standard Errors (RSEs) are also generated for important parameters and are included in detailed tables in Appendix A. Users are advised to take cognizance of these RSEs, particularly, at the disaggregated level and interpret/use the results accordingly with due caution.

3.1.4 The State/UT-wise summary statements, for the purpose of this Report, are considered generally for the 'major states'. The 'major states' are those states whose population was more than 1 crore as per Census 2011. Further, a few states have been split after 2011 and for them, both Census 2011 population and total number of FSUs are considered while categorizing them as 'major states'. In this context, it is to mention that erstwhile Andhra Pradesh has been split into two States, viz., Andhra Pradesh and Telangana in 2014. Accordingly, both Andhra Pradesh and Telangana have been included in the list of 'major states', as mentioned above. Moreover, erstwhile Jammu & Kashmir also had a population of more than 1 crore as per Census 2011 which was included in the Reports released for ASUSE 2021-22 and ASUSE 2022-23. Hence, Jammu & Kashmir, though now a UT, has been included in the list of 'major states' for the purpose of this report. However, Ladakh is excluded as it had very less number of FSUs. The list of such 'major states' is given below. It may be mentioned that, majority of Delhi is essentially urban and hence, the rural part of Delhi is very small. Accordingly, the estimates pertaining to Delhi rural may suffer from reliability and hence, may be used with caution (Refer statement 1).

Major States/UTs:

- Andhra Pradesh
- Assam
- Bihar
- Chhattisgarh
- Delhi
- Gujarat
- Haryana
- Jammu & Kashmir (UT)
- Jharkhand
- Karnataka
- Kerala
- Madhya Pradesh
- Maharashtra
- Odisha
- Punjab
- Rajasthan
- Tamil Nadu
- Telangana
- Uttar Pradesh
- Uttarakhand
- West Bengal

3.1.5 The estimates generated for ASUSE 2023-24 refer to the period from October, 2023 to September, 2024. The data has been collected for three reference periods, namely, 'last 30 days', 'last calendar month' and 'last accounting year'. However, there was option for the establishments to provide the data for 'last 30 days' or 'last calendar month' if audited books of accounts is not maintained or is not finalized at the time of survey. However, there have been a few establishments, though very small in number (less than 1%), that furnished data from audited books of accounts pertaining to the last financial year 2022-23. Thus, majority of the establishments have provided '30 days' data and hence, the estimates are essentially linked to the period October, 2023 to September, 2024.

3.1.6 As per requirement of M/o MSME, an attempt has been made to approximately classify a surveyed establishment into Micro, Small or Medium category, as per the new definition of MSME which is based on turnover and plant and machinery. The requisite fields from ASUSE schedule as proxy of turnover and investment have been identified by M/o MSME for this purpose. Two tables have been included in the Appendix-A showing the 'Estimated number of establishments classified as MSME/non-MSME' for each activity category (Table 43) and for each State/UT (Table 44). The assumptions made and detailed formulae for identifying MSME units from ASUSE survey as provided by M/o MSME are given in Section 3.9.

3.1.7 There have been some changes in the treatment of "teachers providing tuition" and "individuals serving as housemaids, cooks, gardeners, governesses, babysitters, chowkidars, night watchmen, etc." in ASUSE 2023-24 in comparison to ASUSE 2022-23 or ASUSE 2021-22. Estimates presented in this report have been generated incorporating these new revisions introduced during ASUSE 2023-24. Paragraph 1.6 of Chapter One may be referred to for further details in this regard.

3.1.8 Renting of building for residential purpose has been included in coverage of activities in ASUSE 2023-24 under a special NIC code 68108, which was not considered in ASUSE 2022-23. A separate table (Table 45) has been presented in this report providing the estimated number of establishments and workers in different States/UTs engaged in the activity of renting for residential purpose. However, estimates presented in this report in all other tables and statements exclude those establishments and their contribution.

Section 3.2: Sample number of Establishments

3.2.1 A total of 16,934 (8,581 in rural and 8,353 in urban) first stage units (FSUs) have been selected at all-India level for ASUSE 2023-24. Out of these, 16,842 FSUs (8,523 in rural and 8,319 in urban) have been surveyed; and the total number of establishments surveyed has been 4,98,024 (2,73,085 in rural areas and 2,24,939 in urban areas). Statement 1 gives the State/UT-wise count of FSUs allotted, surveyed and number of establishments surveyed.

Statement 1: State/UT-wise count of FSUs allotted, surveyed and establishments surveyed

Section 3.3: Establishments

3.3.1 As per ASUSE 2023-24, the estimated number of establishments in the unincorporated non-agricultural sector during the period October 2023 to September 2024 is around 7.34 crore (refer to Statement 2).

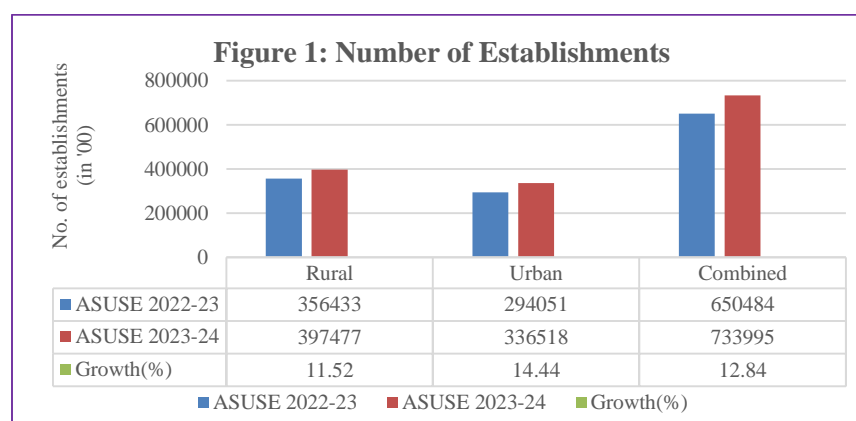

Statement 2: Estimated number of establishments by broad activity category, sector and establishment type

BAC	all-India								
	Estimated number of establishments (in '00)								
	Rural			Urban			Rural+Urban		
	OAE	HWE	All	OAE	HWE	All	OAE	HWE	All
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)
Manufacturing	113955	6960	120914	63873	16677	80550	177828	23637	201465

Reference: table 4 of Appendix A

3.3.2 Sector-wise comparison of the estimated number of establishments in ASUSE 2023-24 (October, 2023 – September, 2024) with that of ASUSE 2022-23 (October, 2022 – September, 2023) is given in Figure 1. The percentage growth in the estimated number of establishments in ASUSE 2023-24 at all-India level, in comparison to ASUSE 2022-23 has been observed to be 12.84% in the unincorporated non-agricultural sector. The growth has been emanated from both rural and urban sectors, as rural and urban sector grew by 11.52% and 14.44% respectively during this period.

3.3.3 Percentage share of estimated number of establishments by broad activity category, sector and establishment type are given in Statement 3. It is clear from Statement 3 that the "Other Services" category accounts for the largest share of establishments (41.48%) within the unincorporated non-agricultural sector, followed by trade (31.07%) and manufacturing (27.45%). Further, the dominance of other service activities is also visible for rural and urban sectors when viewed separately.

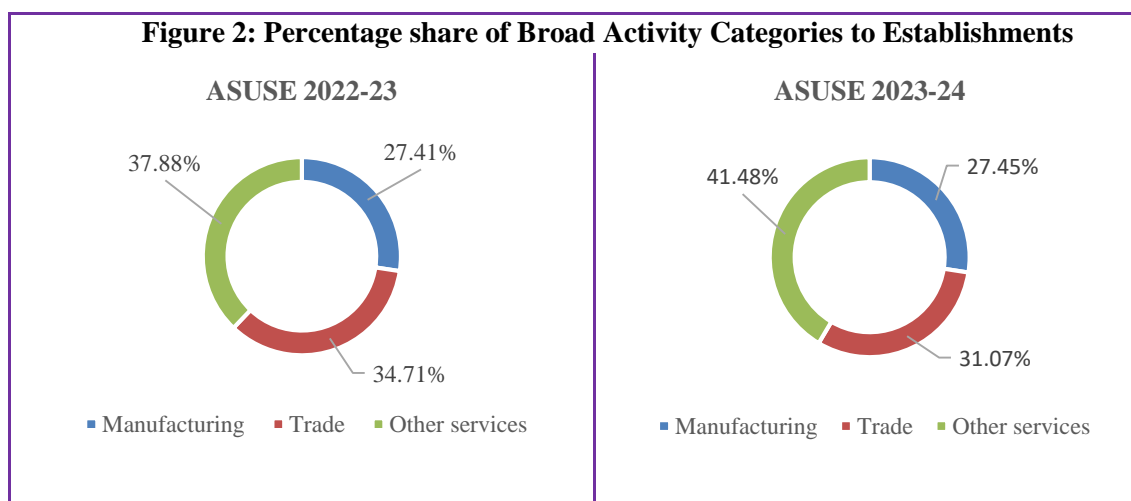

Statement 3: Percentage Share of estimated number of Establishments all-India

broad activity category	share of estimated number of establishment (%)								
	Rural			Urban			Rural+Urban		
	OAE	HWE	All	OAE	HWE	all	OAE	HWE	all
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)

Reference: table 4 of Appendix A

3.3.4. Figure 2 below shows the share of broad activity categories to the total establishments in ASUSE 2023-24 as well as in ASUSE 2022-23. The share of other services has increased to 41.48% in ASUSE 2023-24 in comparison to 37.88% in ASUSE 2022-23; whereas the share of manufacturing has almost remained the same at 27.4%.

3.3.5 Statement 4 gives the top three (3) activity categories under respective BACs.

Statement 4: Percentage share of establishments of top 3 activity categories (all-India)

BAC	Rural		Urban		Combined	
	Activity Category	% share	Activity Category	% share	Activity Category	% share

3.3.8 A summary, highlighting the key findings about estimated number of establishments of ASUSE 2023-24 is given below in Summary Box-1.

Summary Box-1: No. of establishments

- ❖ Out of estimated 7.34 crore establishments, 3.97 crore establishments are from rural area and 3.37 crore from urban area.
- ❖ Estimated number of establishments, during ASUSE 2023-24 have grown by 12.84% in comparison to ASUSE 2022-23 (October, 2022 – September, 2023).
- ❖ Out of the total 7.34 crore estimated number of establishments, about 6.34 crore are OAEs.
- ❖ Share of manufacturing, trade and other services to the total estimated number of establishments stands at 27.45%, 31.07% and 41.48% respectively.
- ❖ Uttar Pradesh (12.78%), West Bengal (12.63%) and Maharashtra (8.78%) are the top 3 States in terms of most number of unincorporated non-agricultural establishments.
- ❖ Activity-wise, ‘Other retail trade’ [T5] (27.07%), ‘Manufacture of wearing apparel’ [M6] (12.17%) and ‘Other community, social and personal service activities’ [S15] (10.90%) reported the most number of unincorporated non-agricultural establishments.

Section 3.4: Type of Ownership

3.4.1 ASUSE is an establishment survey. Different types of ownerships captured in this survey are proprietary (male/female/transgender), partnership with members of the same household, partnership between members not all from the same household, Self-help groups, society/trust/club/association/ body of individuals/ membership organizations, co-operatives and others. Statement 7 gives the percentage distribution of establishments by type of ownership for different establishment types at all-India level.

3.4.2 It is evident that majority of the establishments in the unincorporated non-agricultural sector has been proprietary units during ASUSE 2023-24 in both rural and urban sectors. Overall, about 95% of the total establishments are proprietary. The participation of SHGs, through financial intermediation, is to the tune of 3.7% of total establishments.

Statement 7: Percentage distribution of number of establishments by type of ownership for each sector and establishment type all-India

3.4.5 Broad activity category-wise percentage share of establishments headed by female proprietors from ASUSE 2023-24 and ASUSE 2022-23 are displayed in Figure 3. Clearly, female entrepreneurship in the proprietorship firms has increased across all the broad activity categories in ASUSE 2023-24.

3.4.6 A summary depicting the key facts about ownership pattern in the unincorporated non-agricultural sector is given below in Summary Box-2.

Summary Box-2: Type of Ownership

- ❖ Overall, about 95% of the total establishments are proprietary.
- ❖ Andhra Pradesh, Chhattisgarh, Jharkhand and Odisha are the States where more than 10% of the total unincorporated non-agricultural establishments are Self Help Groups (SHG).
- ❖ Every one out of four proprietary establishments, at all-India level is owned by a woman.
- ❖ About one-third of the proprietary establishments in Gujarat, Karnataka, Telangana and West Bengal are headed by females.
- ❖ Women play a dominant role in the unincorporated manufacturing sector, with over half of the proprietors in this sector being women.
- ❖ Share of establishments headed by female proprietors has increased to 26.2% in ASUSE 2023-24 from 22.9% in ASUSE 2022-23. The same for manufacturing sector has increased from 54.4% to 58.4% and that for other services from 9.7% to 14.2%.

Section 3.5: Operational Characteristics

3.5.1 Social Group of Owners

3.5.1.1 Information on social group of owners of the establishments i.e., of proprietors (in case of proprietary establishments) and major partner (in case of partnership establishments) was collected in ASUSE 2023-24. 'Major partner' in case of partnership establishments is the major working owner. The criterion for determining 'major' has been the partner getting maximum share of the profit of the establishment, or bearing the maximum part of the loss. If all the partners share the profit/loss of the establishment equally, the partner taking major decisions of the establishment is the major partner. If the decisions are taken collectively, the senior most partner by age is considered as major partner. Statement 10 gives the percentage distribution of proprietary and partnership establishments by social group of owner/ major partner for each sector and establishment type.

Statement 10: Percentage distribution of proprietary and partnership establishments by social group of their owner/major partner for each sector and establishment type

Social group of owner/major partner	Percentage distribution of establishments								
	Rural			Urban			Rural + Urban		
	HWE	OAE	ALL	HWE	OAE	ALL	HWE	OAE	ALL
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)
Scheduled Tribe	4.10	7.30	7.10	0.80	1.80	1.60	1.70	5.00	4.50
Scheduled Caste	8.00	16.80	16.20	4.00	12.90	11.00	5.10	15.10	13.80
Other Backward Classes	54.80	51.40	51.60	47.40	51.30	50.50	49.40	51.40	51.10
Others	33.00	24.40	25.00	47.30	33.40	36.30	43.50	28.20	30.30
all-India*	100.00	100.00	100.00	100.00	100.00	100.00	100.00	100.00	100.00

* includes 'not known' cases.

Reference: table 9 of Appendix A

3.5.1.2 It is observed that majority of owners of proprietary and partnership establishments belong to Other Backward Classes [OBC] (51.1%), followed by Others (30.3%), Scheduled Caste [SC] (13.8%) and Scheduled Tribe [ST] (4.5%) at all-India level during ASUSE 2023-24. The similar trend is also noticeable across sector and establishment type.

3.5.1.3 Statement 11 provides the percentage distribution of proprietary and partnership establishments by social group of owner/ major partner for each BAC and establishment type.

Statement 11: Percentage distribution of proprietary and partnership establishments by social group of their owner/major partner for each broad activity category and type of establishment

Social group of owner/major partner	Percentage distribution of establishments

Reference: table 10 of Appendix A

3.5.2 Type of Location

3.5.2.1 Establishments belonging to unincorporated sector typically operate in different types of location. Some establishments operate in the concerned household premise; whereas others tend to operate with a fixed premise which is outside the household. It is also very common for certain establishments (such as street vendors, rickshaw pullers, auto/taxi drivers etc.) to carry out their activity even without any fixed premises. Percentage distribution of establishments over these varied types of locations for different sectors and establishment type at all-India level is given in Statement 12. Percentage distribution of establishments by type of location at all-India level for different sectors is pictorially depicted in Figure 4.

Statement 12: Percentage distribution of establishments by type of location for sector and establishment type

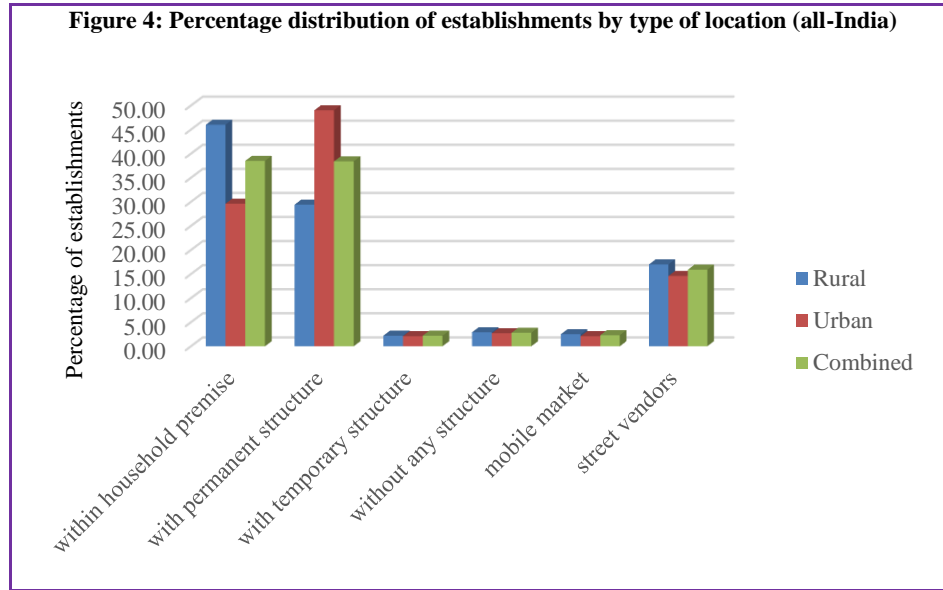

Location of establishment		Percentage distribution of establishments								
		Rural			Urban			Rural + Urban		
		HWE	OAE	All	HWE	OAE	All	HWE	OAE	All
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)	
Within household premises		13.60	48.40	46.00	7.10	35.70	29.60	8.90	43.10	38.50
Outside household premises with fixed premise	Permanent structure	74.90	26.00	29.40	89.50	37.90	49.00	85.40	30.90	38.40
	Temporary structure/kiosk/stall	1.30	2.30	2.20	1.20	2.30	2.10	1.30	2.30	2.20
	Without any structure	2.30	2.90	2.90	0.50	3.20	2.70	1.00	3.10	2.80
Outside household premises without fixed premise	Mobile market	1.00	2.70	2.50	0.30	2.60	2.10	0.50	2.60	2.30
	Street vendor	7.00	17.70	17.00	1.40	18.20	14.60	2.90	17.90	15.90
All		100.00	100.00	100.00	100.00	100.00	100.00	100.00	100.00	100.00

Reference: table 13 of Appendix A

3.5.2.2 Statement 12 reveals that overall, about 38.5% of the total unincorporated establishments have operated within household premises during October, 2023 - September, 2024; whereas about 43.4% establishments have operated outside household premises but with fixed premise through permanent/temporary/without any structure.

3.5.2.3 About 85.4% of HWEs are located on a permanent structure outside household premise; whereas location of majority (about 43%) of the OAEs are within household premises. The percentage of HWEs, carrying out their operations on a permanent structure outside household premise, is 74.9% in the rural and 89.5% in the urban sector.

3.5.2.4 The percentage distribution of establishments by type of location and sector for major states is given in Statement 13. It may be noted that during ASUSE 2023-24, home-based rural establishments (i.e., located within household premises) is highest in Telangana (60.5%) closely followed by Madhya Pradesh (60.1%) and Chhattisgarh (56%); whereas in the urban sector, comparatively greater number of establishments operated on a fixed premise across the State/UTs. In urban sector, the proportion of establishments operated with fixed premise but outside household is 53.7% at all-India level.

Statement 13: Percentage distribution of establishments by type of location and sector for major states

State/UT	Percentage distribution of establishments located

3.5.3 Maintenance of accounts

3.5.3.1 Statement 14 shows the percentage distribution of establishments maintaining audited accounts by sector and type of establishments. In this context, it is pertinent to mention that an establishment is treated as maintaining accounts only if it has audited or auditable books of accounts. As can be expected normally, majority (99.1% to be exact) of the unincorporated establishments do not maintain any audited books of accounts.

Statement 14: Percentage distribution of establishments maintaining audited accounts

Maintenance of audited accounts	Percentage distribution of establishments								
	Rural			Urban			Rural + Urban		
	HWE	OAE	ALL	HWE	OAE	ALL	HWE	OAE	ALL
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)
Maintains audited books of accounts	4.30	0.10	0.40	6.20	0.30	1.60	5.70	0.20	0.90

Reference: table 21 of Appendix A

3.5.4 Status of Registration

3.5.4.1 Registration of unincorporated establishments under different acts/authorities is not only important for the policy makers, but also essential for the establishments for availing benefits under different Government schemes. ASUSE captures information regarding status of registration in respect of the surveyed establishments under various acts (such as, Shops & establishment Act, Indian Trust Act 1882 (incl. State Public Trust Act), Societies Registration Act, 1860, Co-operative Societies Act, 1912, GST Act, etc.) and authorities (such as, Food Safety and Standard Authority, Employees' Provident Fund Organization, Employees' State Insurance Corporation, State Directorate of Industries, Regional Transport Office, etc.). Percentage of establishments over registration under different acts/authorities for each BAC at all-India level is given in Statement 15.

Statement 15: Percentage of establishments by status of registration for each broad activity category

BAC	all-India					
	Rural		Urban		Rural + Urban	
	Unregistered	Registered	Unregistered	Registered	Unregistered	Registered
(1)	(2)	(3)	(4)	(5)	(6)	(7)
Manufacturing	89.40	10.60	74.60	25.40	83.50	16.50
Trade	70.90	29.10	48.20	51.80	59.60	40.40
Other services	51.50	48.50	51.70	48.30	51.60	48.40
All*	68.60	31.40	56.00	44.00	62.80	37.20

*includes non-captive electricity generation and transmission

Reference: table 25 of Appendix A

3.5.4.2 It is worthwhile to mention that an establishment could be registered under more than one acts/authorities simultaneously. It is observed that overall, 37.2% of the estimated establishments during ASUSE 2023-24 in the unincorporated sector are registered under at least one act/authority. Within the BAC, highest percentage of establishments registered was found in the other services sector.

3.5.5 Use of Computer and Internet

3.5.5.1 The integration and utilization of modern technologies, especially those involving computers and the internet, play a central role in driving advancements and innovation within this sector making them a primary area of focus. More specifically, computer and internet are required for various activities, ranging from managing the business more efficiently, to sales expansion and improved visibility in digital platforms. Statement 16 shows the degree of usage of computer and internet among these establishments for the purpose of entrepreneurial activities.

3.5.5.2 It is seen that about 26.7% of the total establishments used internet for the purpose of entrepreneurial activities during ASUSE 2023-24. Further, 24.3% of HWEs used computer for business purposes considering both rural and urban, whereas the corresponding figure for OAE is only 2.8%.

3.5.5.3 It is also evident from Statement 16 that 58.5% of HWEs used internet for entrepreneurial purposes during ASUSE 2023-24 considering both rural and urban, whereas the corresponding figure for OAE is 21.7%. Further, like usage of computer, the percentage of establishments using internet for entrepreneurial purposes is more in urban than in rural areas.

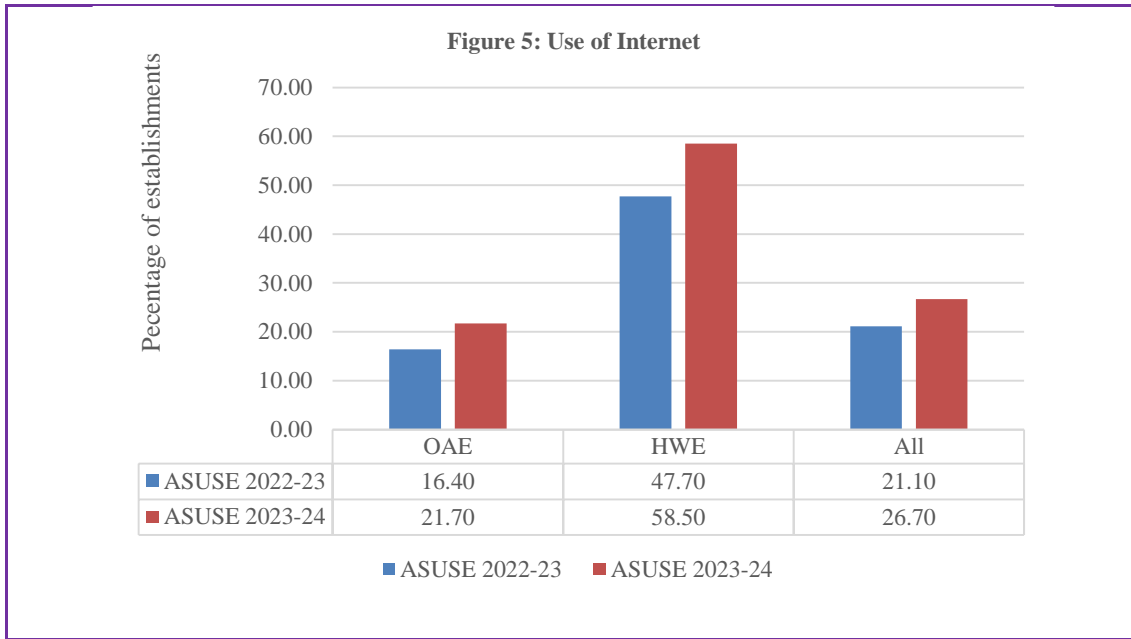

Statement 16: Percentage of establishments ‘using computer’ and ‘using internet’ during last 365 days

BAC	Establishment type	Percentage of establishments using computer			Percentage of establishments using internet		
		Rural	Urban	Rural+Urban	Rural	Urban	Rural+Urban
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)

*All includes Non-captive electricity generation

Reference: table 23 of Appendix A

3.5.5.4 Figure 5 below gives a comparative picture of percentage of establishments using internet by type of establishments in ASUSE 2022-23 and ASUSE 2023-24. It may be observed from this figure that the use of internet for entrepreneurial purpose has increased for both OAEs and HWEs.

3.5.5.5 A summary of findings depicting the key facts about operational characteristics in the unincorporated non-agricultural sector is given below in Summary Box-3.

Summary –Box 3: Operational Characteristics

- ❖ Most of owners of proprietary and partnership concerns belong to OBC (51.1%).
- ❖ 43.4% of the establishments have been located outside household premises while operating on a fixed premise through permanent/temporary/without any structure.
- ❖ Majority (99.1% to be exact) of the unincorporated establishments do not maintain any audited books of accounts.
- ❖ 37.2% of the establishments in the unincorporated sector are found to be registered under at least one act/authority signifying formalization through registration.
- ❖ About 35% of Trading establishments used internet for entrepreneurial purpose.

Section 3.6: Employment

3.6.1 Worker

3.6.1.1 One of the most significant roles of the unincorporated non-agricultural sector lies in its potential to generate employment. ASUSE provides critical insights into the scale and distribution of employment in this sector. Statement 17 shows the estimated number of workers in the unincorporated non-agricultural sector from ASUSE 2023-24 categorised by BAC, sector and establishment type.

Statement 17: Estimated number of workers by broad activity category (all-India)

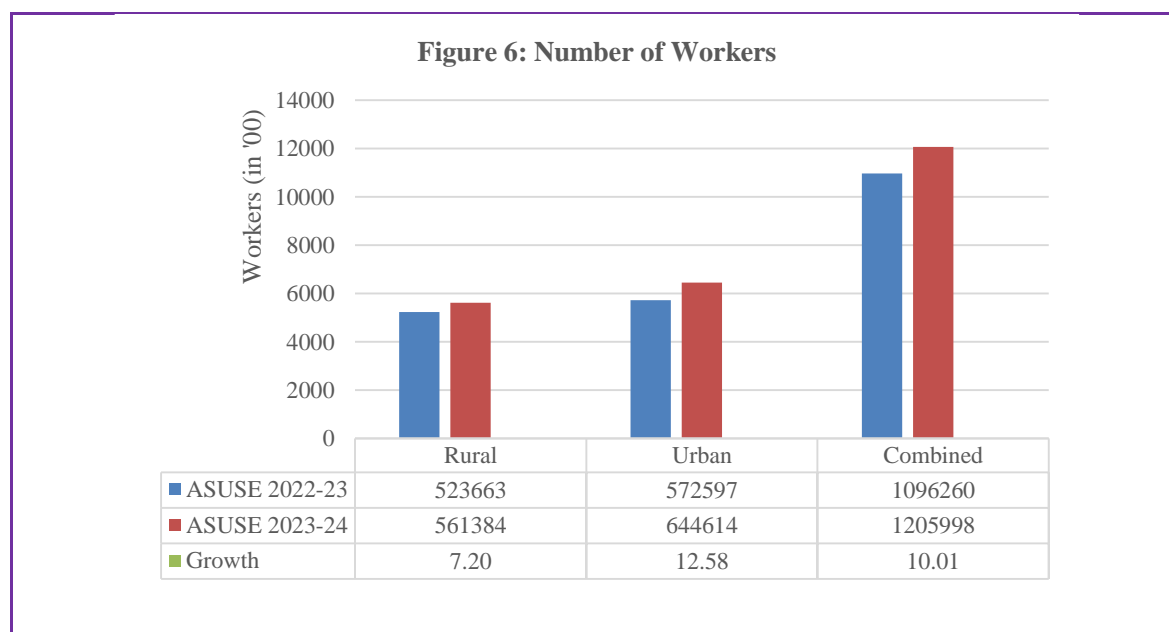

BAC	Estimated number of workers (in '00)								
	Rural			Urban			Rural+Urban		
	OAE	HWE	All	OAE	HWE	All	OAE	HWE	All
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)
Manufacturing	138276	37325	175601	80722	80654	161376	218998	117978	336977

Reference: table 29 of Appendix A

3.6.1.2 Statement 17 reveals that unincorporated non-agricultural sector has employed about 12.06 crore workers during ASUSE 2023-24, i.e. October, 2023 – September, 2024. These workers include working owners, hired workers, unpaid family members involved in the establishments and others, etc. Out of the total workers, 6.45 crore are from urban areas and 5.61 crore from rural areas.

3.6.1.3 The estimated number of workers in ASUSE 2023-24 has grown by a little more than 10% in comparison to ASUSE 2022-23. It is found that in ASUSE 2023-24, there was an increase of nearly 1 crore in the estimates of workers compared to those estimated in ASUSE 2022-23. Sector-wise number of workers in ASUSE 2023-24 in comparison to ASUSE 2022-23 is given in Figure 6. It is also evident that number of workers in both rural and urban sectors has grown by 7.20% and 12.58% respectively.

3.6.1.4 Statement 18 gives the percentage shares of BACs to the overall estimate of workers. At all-India level, other services contributed the maximum (39.06%) to the total employment followed by trade (32.99%) and manufacturing (27.94%).

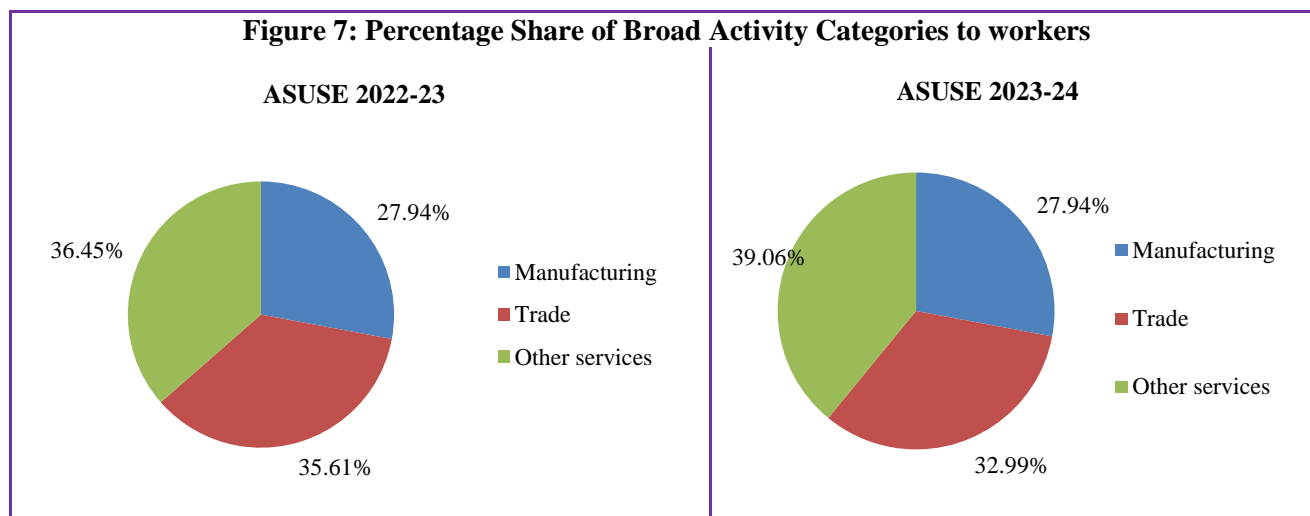

Statement 18: Percentage Share of Workers (all-India)

broad activity category	share of workers (%)								
	Rural			Urban			Rural+Urban		
	OAE	HWE	all	OAE	HWE	All	OAE	HWE	all
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)
Manufacturing	31.76	29.63	31.28	24.52	25.58	25.03	28.64	26.73	27.94
Trade	35.02	20.96	31.86	36.37	31.48	33.98	35.60	28.48	32.99
Other Services	33.22	49.41	36.86	39.11	42.92	40.97	35.76	44.77	39.06
All*	100.00	100.00	100.00	100.00	100.00	100.00	100.00	100.00	100.00

*includes non-captive electricity generation and transmission

Reference: table 29 of Appendix A

3.6.1.5 The share of broad activity categories to total workers are displayed for ASUSE 2022-23 and ASUSE 2023-24 in Figure 7. It is observed that share of other services to total workers have increased from 36.45% in ASUSE 2022-23 to 39.06% in ASUSE 2023-24 with a corresponding decrease in percentage share in trade sector with the share of manufacturing remaining the same.

3.6.1.6 Statement 19 gives the top three activity categories having highest share of workers under each broad activity categories for rural, urban and combined (rural + urban). From this statement, it may be observed that 'other retail trade' (T5) alone generated more than one-fourth of the total employment in the unincorporated non-agricultural sector during ASUSE 2023-24 at rural, urban and also at all-India level. It is followed by 'manufacture of wearing apparel' [M6] (9.22%) and 'other community, social and personal service activities' [S15] (8.93%) at an overall (rural+urban) level. Further, percentage share of workers in unincorporated manufacturing sector is maximum in the activity of 'manufacture of wearing apparel' [M6] (32.99%). Within the other service activities, 'other community, social and personal service activities' (S15) 'food and accommodation service activities'(S2) and 'land transport'(S3) together contributed about 57% employment.

Statement 19: Percentage Share of Workers of top 3 activity categories (all-India)

3.6.1.7 Figure 8 highlights the percentage share of the major states to the total employment in the unincorporated non-agricultural sector as observed in ASUSE 2023-24 along-with that of ASUSE 2022-23. Uttar Pradesh and Maharashtra are the top contributors in generating employment in rural and urban sector with share of 16.80% and 12.70% respectively. At the all-India level, Uttar Pradesh, Maharashtra, and West Bengal have retained their positions as the top three states in terms of generation of employment, as was observed in ASUSE 2022-23. Together, these states account for approximately one-third of the total jobs in the unincorporated non-agricultural economy, reflecting their continued dominance in this sector.

Figure 8: Percentage Share of Major States to Workers

Rural+Urban

3.6.1.8 Statement 20 provides the top 3 States with highest number of workers in the unincorporated non-agricultural sector for different broad activity categories i.e., manufacturing, trade and other services.

Statement 20: Percentage Share of Workers for top 3 States (all-India)

3.6.2 Female Worker

3.6.2.1 Female workers constitute a substantial share of the workforce in the unincorporated non-agricultural sector. Statement 21 presents the participation of women in the total workforce within this sector.

3.6.2.2 Overall, 28.12% of the total workers, during ASUSE 2023-24, are found to be female. This includes significant presence of female workers among the OAEs where they constitute more than one-third (33.65%) of the total workforce of the OAEs. In case of HWEs the percentage share of female workers to total workers stands at 18.52%. Among the BACs, it is manufacturing where participation of female workers is the highest (46.49%), followed by other services (22.50%) and trade (19.21%).

Statement 21: Percentage share of female workers (all-India)

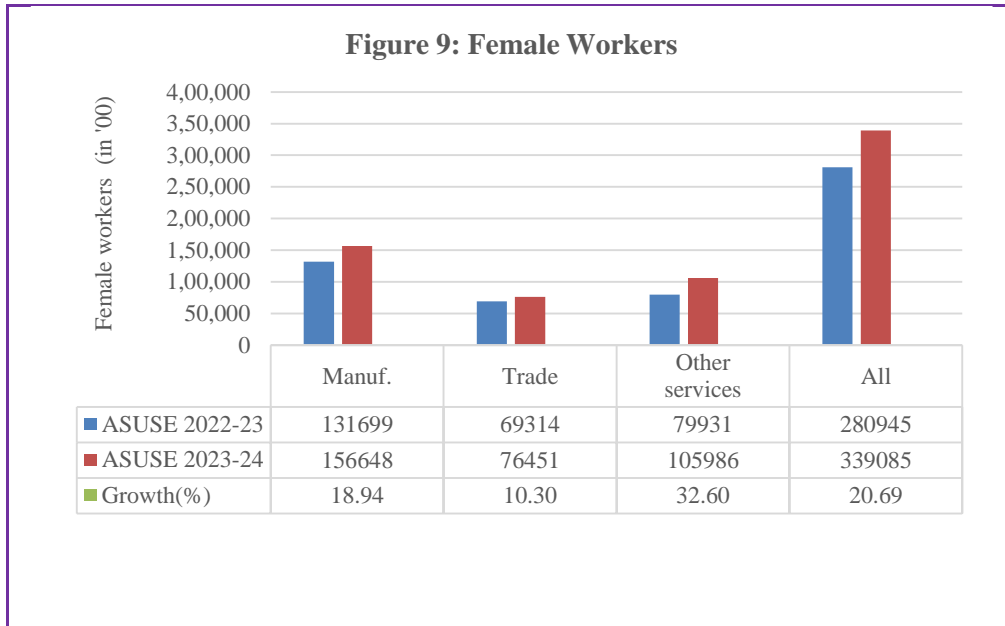

BAC	Share of estimated number of female workers to total workers (%)								
	Rural			Urban			Rural+Urban		
	OAE	HWE	all	OAE	HWE	all	OAE	HWE	all

Reference: table 31 of Appendix A

3.6.2.3 Figure 9 given below shows a comparison of female workers across different BACs in ASUSE 2023-24 vis-a-vis ASUSE 2022-23. It can clearly be seen that percentage of female workers at all-India level has increased by 20.69% in ASUSE 2023-24 in comparison to ASUSE 2022-23. The growth in the participation

of female workers can be seen across all the BACs, with other services registering highest growth of 32.60%, followed by manufacturing (18.94%) and trade (10.30%).

3.6.2.4 Statement 22 lists the top 3 activity categories having maximum participation of female workers within each broad activity category. It can be seen that 'Manufacture of wearing apparel' (M6) engages maximum number of female workers to the tune of 22.77% during ASUSE 2023-24 at all-India level. Besides, 'other retail trade' (T5) and 'Education' (S13) have been the other two activity categories in the top three, which have witnessed participation of female workers to the extent of 21.49% and 10.03% respectively.

Statement 22: Percentage Share of Female Workers of top 3 activity categories (all-India)

3.6.2.5 Statement 23 provides the percentage share of female workers for top 3 states for each broad activity category. State-wise, West Bengal has the maximum share (12.73%) of female workers followed by Uttar Pradesh (10.43%) and Maharashtra (9.67%) in ASUSE 2023-24. West Bengal and Maharashtra have employed the most female workers in rural and urban sectors respectively with corresponding share of around 16% and 13%.

3.6.3 Emoluments

3.6.3.1 The unincorporated sector plays a key role in employment generation, with a significant contribution to the overall workforce. A hired worker employed in this sector can be either formal or informal, depending on their employment conditions. A formal hired worker is one who is eligible for paid leave and also eligible for social security benefits like Provident Fund, ESIC, health insurance etc. provided by the employer. An informal hired worker is not eligible for paid leave and/or not eligible for social security benefits like provident fund, ESIC, health insurance etc. provided by the employer. On the other hand, compensation consists of salary/wages, bonus, different allowances like dearness, house-rent, over-time, shift etc. paid in cash or kind and other type of payments like canteen facility, health care facility, recreation club facility, etc. some of which are normally paid in kind. Further, employer's contribution to ESIC fund, Provident Fund, and other social security benefits, etc. are also considered as part of compensation.

3.6.3.2 Annual emoluments per hired worker in respect of HWEs in ASUSE 2023-24 is given in Statement 24 for different broad activity categories separately for rural, urban and combined (rural and urban). As per Statement 24, annual emoluments paid, on an average, to a hired worker has been Rs. 1,41,071 during the period. The emoluments paid per hired worker annually in those HWEs is more in urban area (Rs. 1,48,794) than rural area (Rs. 1,22,095). Among the different BACs, 'other services' has been the most remunerative for hired workers (engaged in HWEs) across sectors.

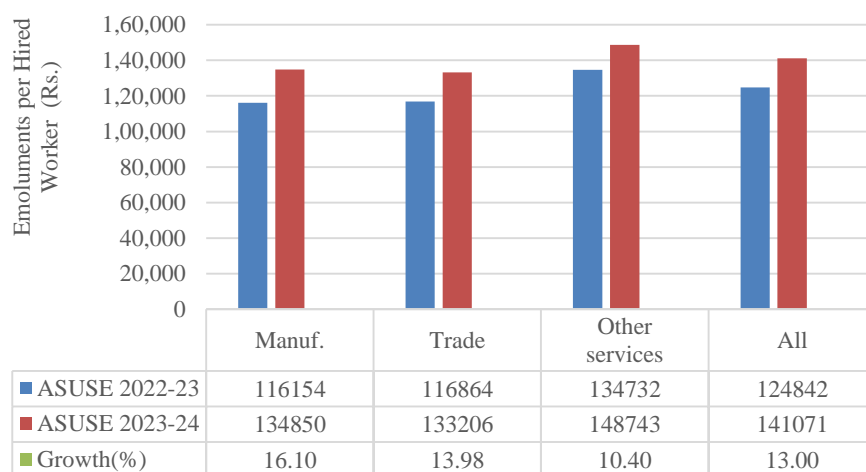

Statement 24: Annual emoluments per hired worker (in Rs.) for HWEs (all-India)

BAC	Annual emoluments per hired worker (Rs.)		
	Rural	Urban	Rural+Urban
(1)	(2)	(3)	(4)
Manufacturing	113232	144985	134850
Trade	112492	138538	133206
Other services	130574	157143	148743
All*	122095	148794	141071

*includes non-captive electricity generation and transmission

Reference: table 33 of Appendix A

3.6.3.3 Figure 10 below gives BAC-wise annual emoluments per hired worker. It may be seen that a hired worker, on average, in ASUSE 2023-24 has gained 13% increase in emoluments (at current price) in comparison to ASUSE 2022-23. Among the BACs, the emoluments per hired worker increased the most (16.10%) in manufacturing sector. Also, as per Figure 11, that provides the sector-wise scenario, emoluments per hired worker has grown more in rural area than in urban.

Figure 10: Annual Emoluments per Hired Worker (BAC-wise)**Figure 11: Annual Emoluments per Hired Worker (Sector-wise)**

3.6.3.4 Statement 25, given below, provides the top three states (among the major states) with maximum annual emoluments per hired worker in case of HWEs across BAC and sector. Overall, Telangana reported the highest annual emolument of Rs. 1,76,393 per hired worker among major states closely followed by Kerala and Gujarat.

Statement 25: Annual emoluments per hired worker (in Rs.) for HWEs in respect of top 3 major states (all-India)

Reference: table 34 of Appendix A

3.6.3.5 A summary of the key facts about employment details in the unincorporated non-agricultural sector for ASUSE 2023-24 is given below in the Summary Box-4.

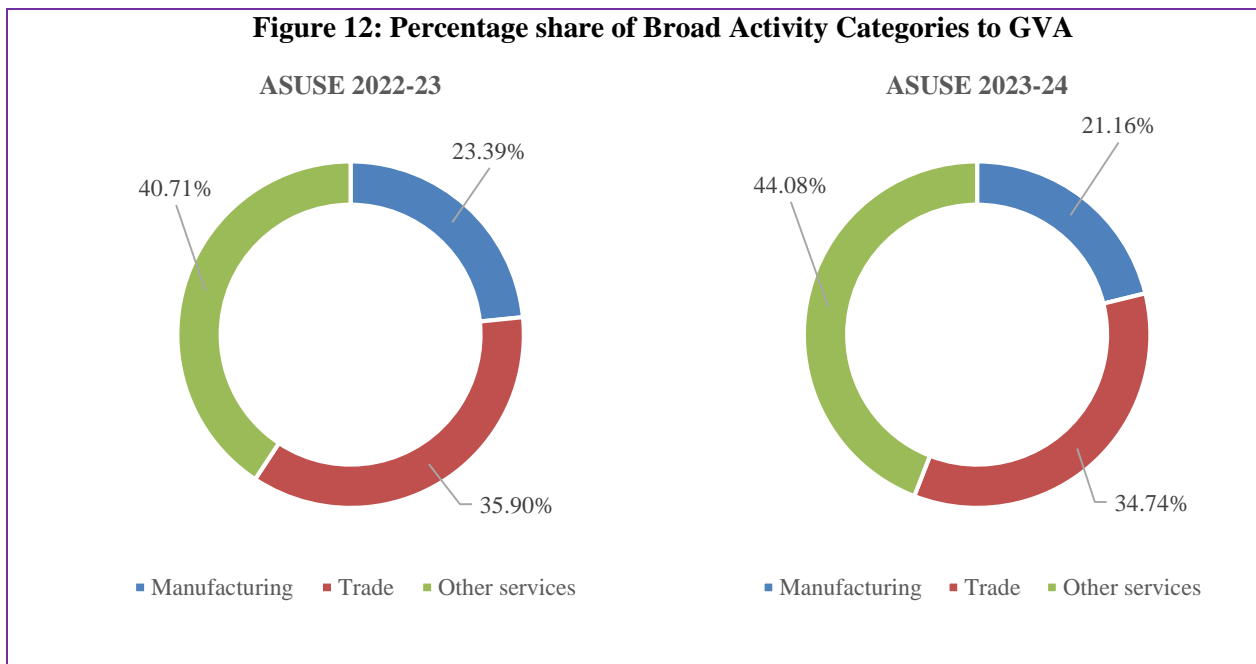

Summary Box -4: Employment

- ❖ 12.06 crores estimated number of workers recorded in ASUSE 2023-24 with growth rate of 10.01% as compared to ASUSE 2022-23.
- ❖ ‘Other retail trade’ (T5), ‘Manufacture of wearing apparel’ (M6) and ‘Other community, social and personal service activities’ (S15) are the top 3 activities which have generated maximum employment.
- ❖ Uttar Pradesh, Maharashtra and West Bengal are the top 3 employment generating States as per ASUSE 2023-24.
- ❖ Estimated number of female workers has increased by about 21% in comparison to ASUSE 2022-23.
- ❖ Annual Emoluments per hired worker has increased more in rural area (17.75%) than in urban area (10.31%) in current prices, with overall growth pegged at 13%.
- ❖ The top 3 major states paying the maximum emoluments to hired workers have been Telangana, Kerala and Gujarat.

Section 3.7: Gross Value Added and Productivity

3.7.1 Gross Value Added (Market establishments)

3.7.1.1 Gross Value Added (GVA) is one of the key measures to evaluate the performance of any sector of an economy. The GVA has been estimated for unincorporated non-agricultural sector from ASUSE 2023-24. Although the data were collected for different reference periods, viz. ‘last 30 days’, ‘last accounting year’, etc., GVA in this report means annual GVA in current prices. In this context, it is pertinent to mention that GVA has been compiled for market establishments¹ belonging to unincorporated non-agricultural sector, which comprises of more than 99.5% of total establishments. ‘GVA at basic price’ has been calculated for all the establishments. GVA is defined as total output *minus* total input. Here, while computing ‘Output’, all the relevant receipts (including trade margin) *less* taxes on products and distributive expenses *plus* subsidies on products have been considered; whereas while computing ‘input’ all the relevant expenses incurred have been considered.

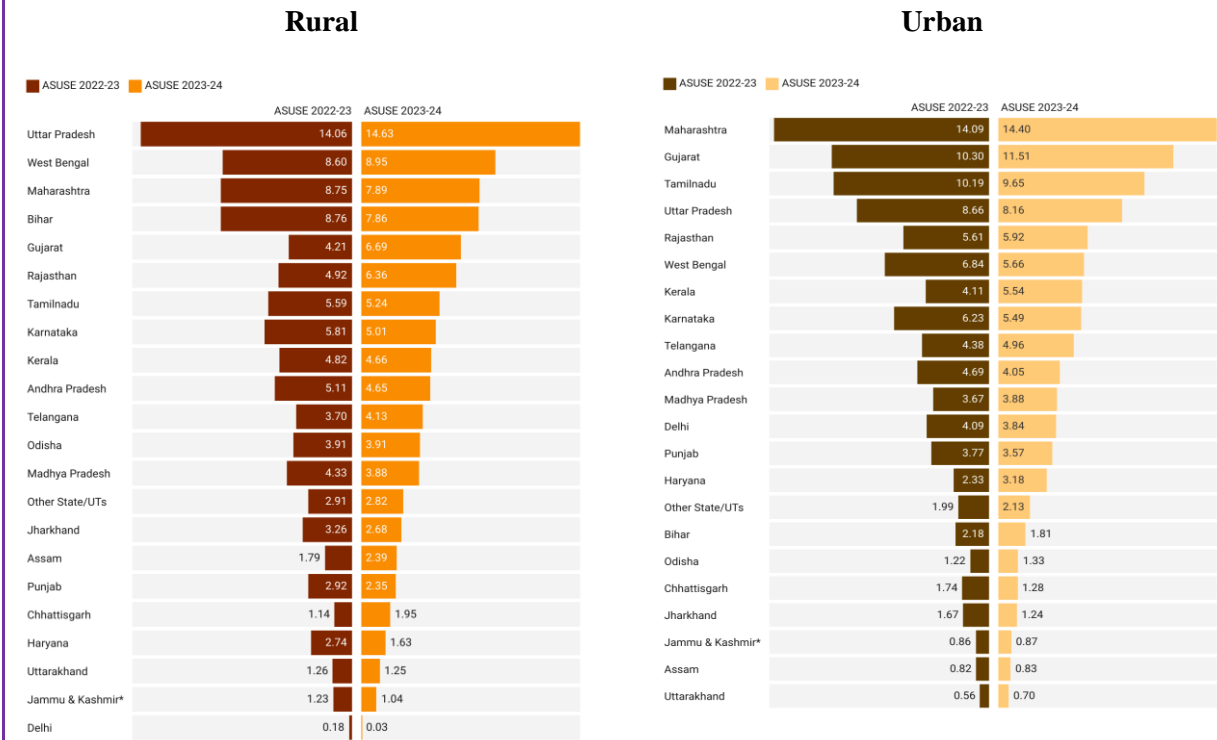

3.7.1.2 The pie chart given in Figure 12 represents the contribution of the BACs in the overall GVA of unincorporated non-agricultural sector in ASUSE 2023-24 as well as in ASUSE 2022-23. It may be observed that the share of other services to the total GVA has increased by more than 3 percentage points in ASUSE 2023-24 in comparison to ASUSE 2022-23. The share of manufacturing and trade to the overall GVA of the unincorporated non-agricultural sector stand at 21.16% and 34.74% respectively.

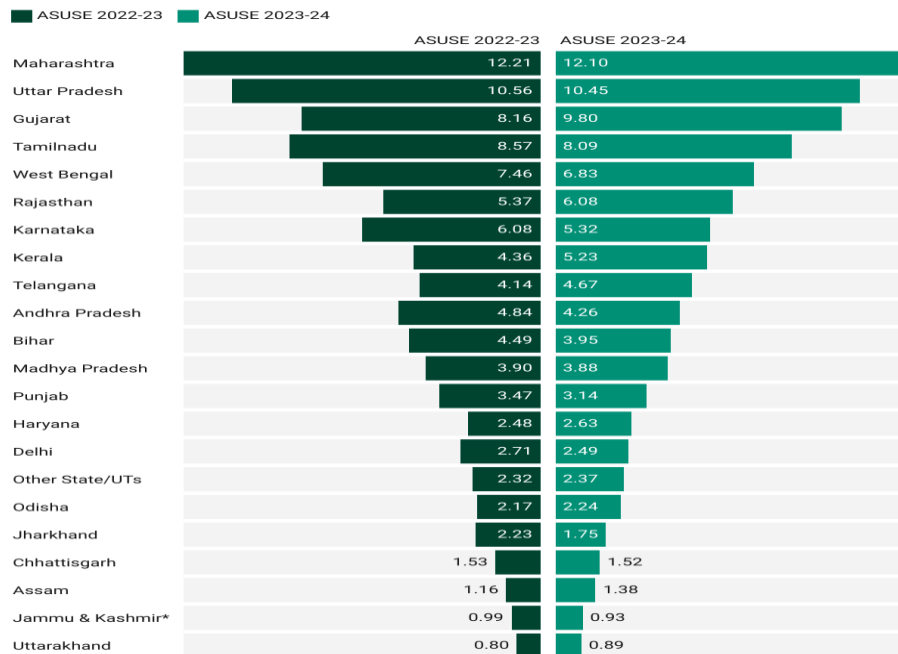

3.7.1.3 Figure 13 presents the percentage share of the major states to GVA in ASUSE 2022-23 and ASUSE 2023-24. Overall, Maharashtra and Uttar Pradesh remain the top contributors, accounting for 12.10% and 10.45% of the total GVA, respectively in ASUSE 2023-24. Uttar Pradesh and Maharashtra also happen to be at the top in rural and urban sectors respectively in ASUSE 2023-24 with respective GVA share of 14.63% and 14.40%.

¹Market establishments are those which sell their manufactured product and/or services rendered at an economically significant price. In ASUSE 2023-24, more than 99.5% of the surveyed establishments are market establishments.

Figure 13: Percentage Share of Major States to GVA

Rural+Urban

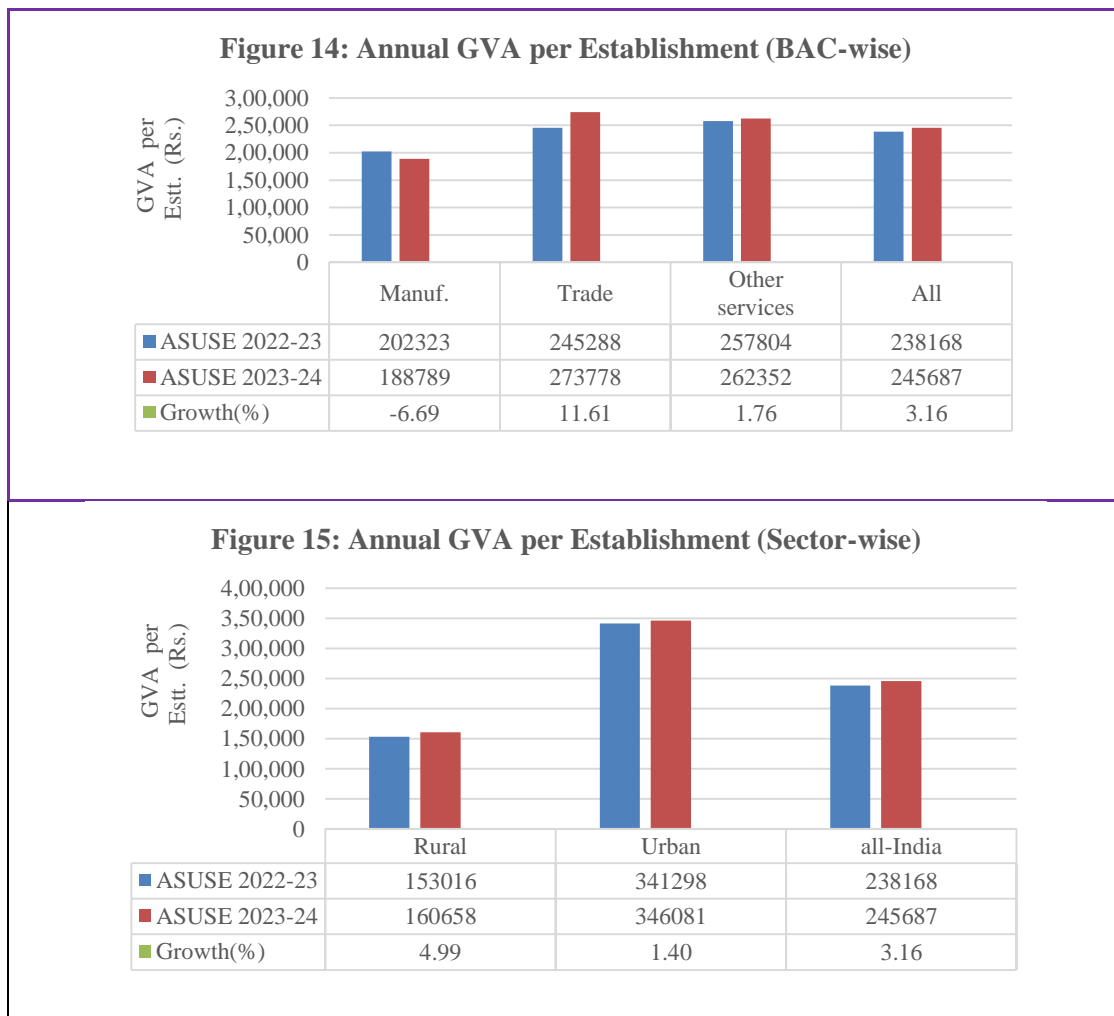

3.7.1.4 It may be mentioned that unincorporated financial sector is covered in ASUSE. Hence, it may be important to adjust the financial sector output by a reference rate for Financial Intermediation Services Indirectly Measured (FISIM), preferably at a macro level. Moreover, it is understood that there may be different approaches for selecting reference rates and thus, there is an element of subjectivity in it. Accordingly, the financial sector output *vis-a-vis* GVA is not adjusted by any reference rate in this report. Users may apply their discretion and judgement while applying reference rate on the financial sector output.

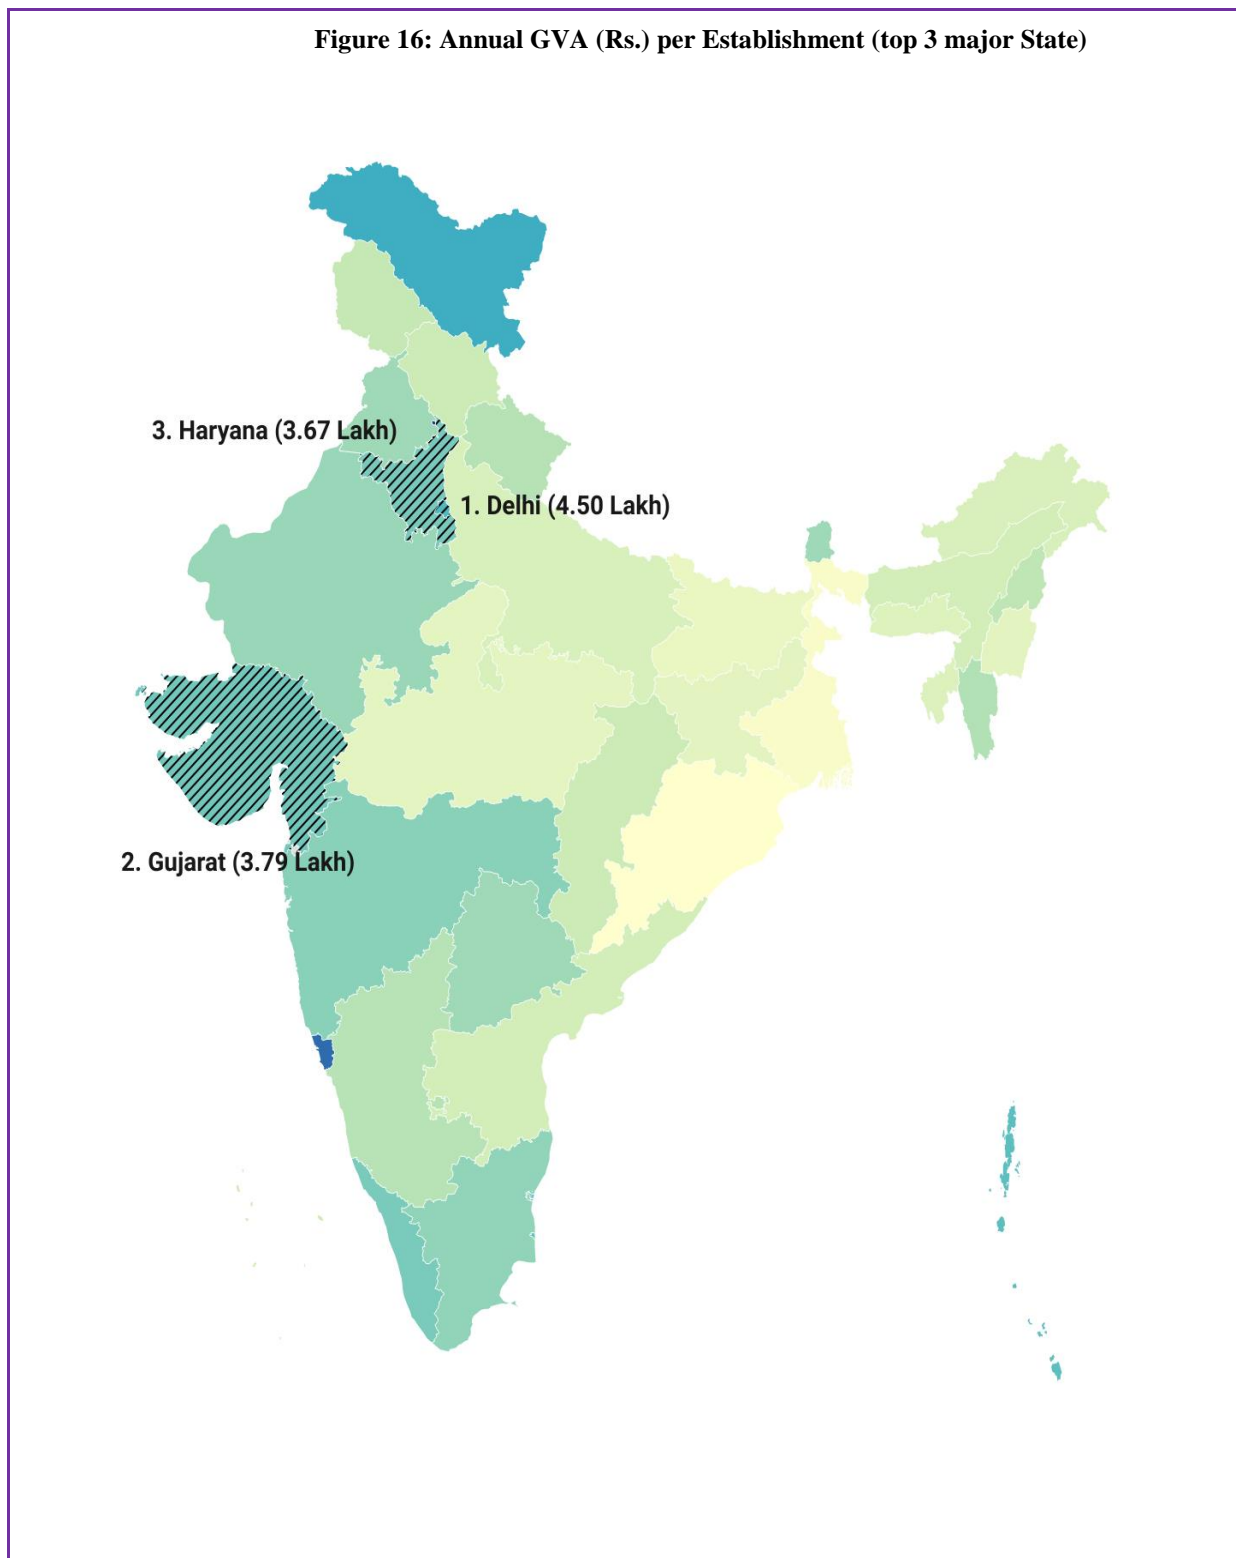

3.7.2 Annual Gross Value Added (GVA) per Establishment (Market establishments)

3.7.2.1 Like, GVA, Annual Gross Value Added (GVA) per establishment has also been calculated for market establishments. It is a measure of productivity at the establishment level.

3.7.2.2 Annual GVA per establishment figures for ASUSE 2023-24 are presented in Figure 14 (BAC-wise) and Figure 15 (Sector-wise) along-with the corresponding figures of ASUSE 2022-23. It can be seen from Figure 14 that barring the manufacturing sector, productivity of establishments has increased in ASUSE 2023-24 for other BACs, i.e., Trade and Other services and also at all-India level. Annual GVA per establishment in ASUSE 2023-24 has increased to Rs. 2,45,687 from Rs. 2,38,168 in ASUSE 2022-23. From Figure 15 it can be seen that growth in GVA per establishment has been more in rural sector (4.99%) than in urban sector (1.40%) in ASUSE 2023-24 as compared to ASUSE 2022-23.

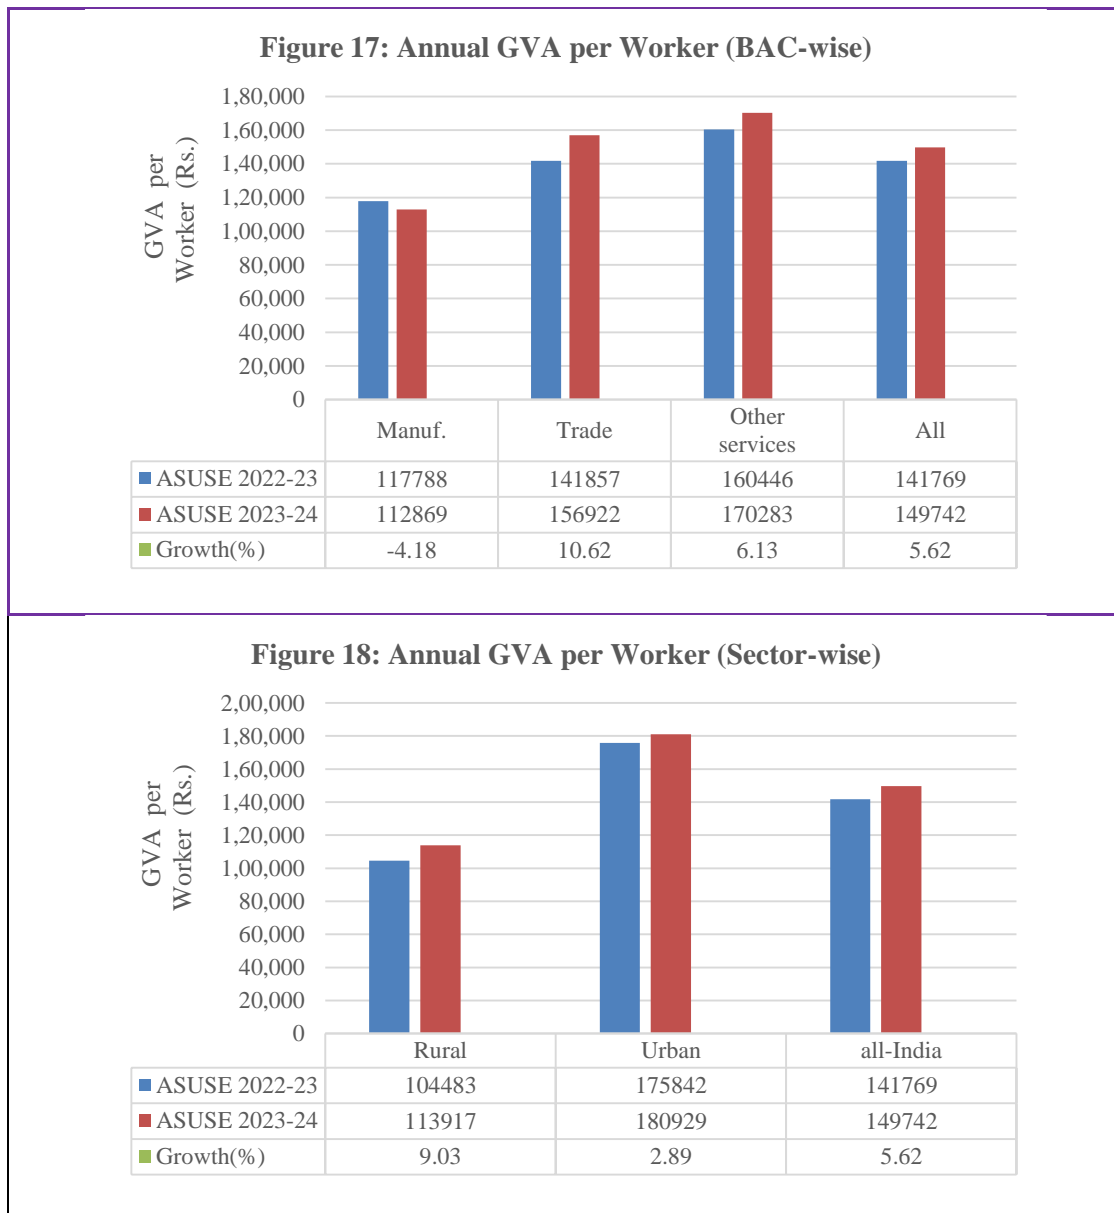

3.7.2.3 Top 3 major State with maximum annual GVA per establishment are displayed in Figure 16 below. It can be seen that productivity at establishment level is highest in Delhi in the unincorporated non-agricultural sector.

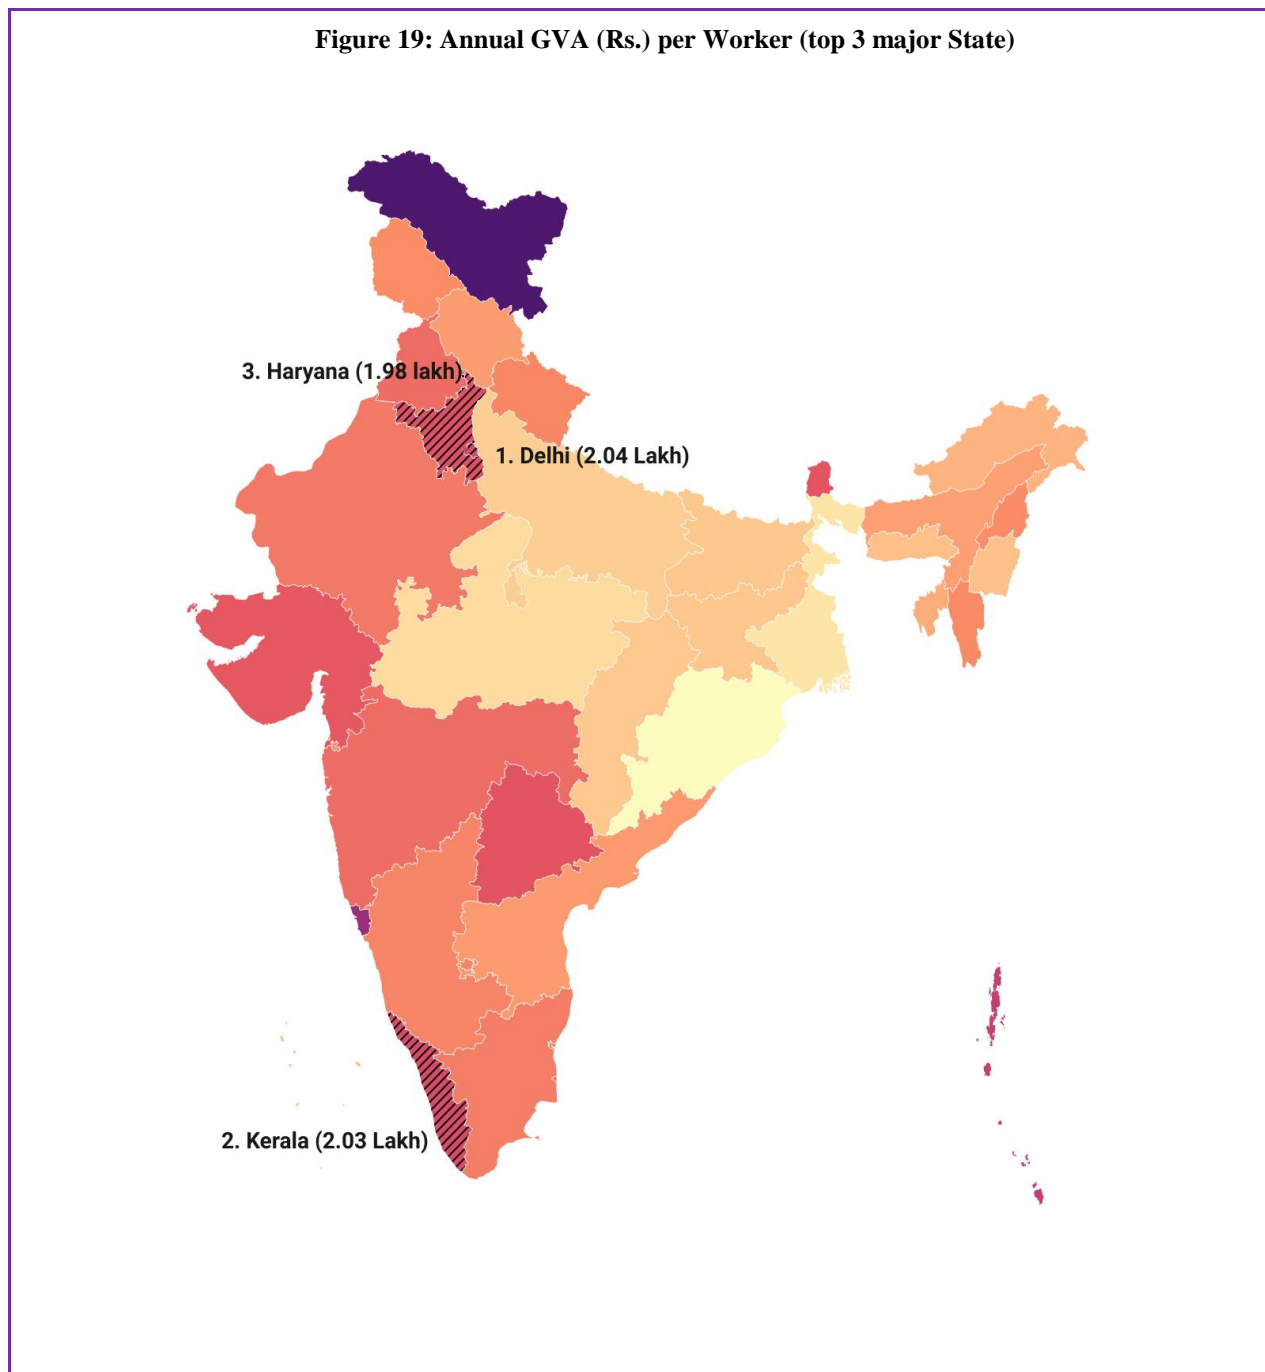

3.7.3 Annual Gross Value Added (GVA) per Worker (Market establishments)

3.7.3.1 Annual Gross Value Added (GVA) per worker serves as a crucial metric for labour productivity. In this report, it has been calculated only for market establishments.

3.7.3.2 Figure 17 and Figure 18 respectively show the BAC-wise and sector-wise Annual GVA per worker figures in current prices for ASUSE 2022-23 and ASUSE 2023-24. From figure 17, it may be seen that among the broad activity categories, the highest GVA per worker has been recorded by the other services sector. Also, the labour productivity in ASUSE 2023-24 has increased to Rs. 1,49,742 from Rs. 1,41,769 in ASUSE 2022-23. As per Figure 18, rural sector has out-paced urban sector in percentage increase in labour productivity; although in absolute value terms, labour productivity in urban sector is still more than that of rural sector.

3.7.3.3 Top 3 States in terms of GVA per worker among the major states from ASUSE 2023-24 are highlighted in Figure 19 below. Labour productivity is maximum in Delhi in the unincorporated non-agricultural sector.

3.7.3.4 A summary highlighting the key facts about GVA and productivity in the unincorporated non-agricultural sector for ASUSE 2023-24 is given below in the Summary Box -5.

Summary Box -5: GVA & Productivity

- ❖ Among the broad activity categories, other services have the maximum contribution (44.08%) to the total GVA of the unincorporated non-agricultural sector.
- ❖ Maharashtra, Uttar Pradesh and Gujarat are the top 3 States to have produced the most value addition in ASUSE 2023-24. Together, these three states captured about one-third of the total GVA of the unincorporated non-agricultural sector.
- ❖ Productivity at establishment level, measured in terms of GVA per establishment, has increased from Rs. 2,38,168 in ASUSE 2022-23 to Rs. 2,45,687 in ASUSE 2023-24.
- ❖ Among the major states, Delhi, Gujarat and Haryana have been the top three states in terms of GVA per establishment with Delhi and Haryana featuring in the top 3 states in terms of GVA per worker as well. Kerala ranked second in this metric.
- ❖ Labour productivity, as measured by GVA per worker, in ASUSE 2023-24 has increased to Rs. 1,49,742 from Rs. 1,41,769 in ASUSE 2022-23.
- ❖ Rural sector has witnessed better growth in productivity (both at establishment level and worker level) in ASUSE 2023-24 than its urban counterpart.

Section 3.8: Fixed Assets and Loans

3.8.1 Fixed Assets

3.8.1.1 Role of assets, particularly fixed assets, is vital for any production process. The case of unincorporated sector is no exception. In most cases, due to the lack of proper records, it is often a challenging task to capture market price of various fixed assets such as building, plant & machinery, transport equipment, furniture & fixture, software & database, ICT equipment, tools etc. used for entrepreneurial purpose in ASUSE. The establishments may either own or hire fixed assets for carrying out economic activities. This section is focussed on owned fixed assets only. However, detailed tables are included in Appendix A for hired fixed assets also.

3.8.1.2 Estimated values presented in this report for fixed assets are based on market prices. Statement 26 provides the estimated owned fixed assets per establishment for each BAC across different sector and establishment type. This shows that unincorporated establishments, on an average, have owned Rs. 3,24,075 worth of fixed assets per establishment during ASUSE 2023-24. As one can expect, fixed assets owned per establishment for HWEs was estimated to be much higher at Rs. 11,59,333 as compared to the OAEs which was Rs. 1,92,070.

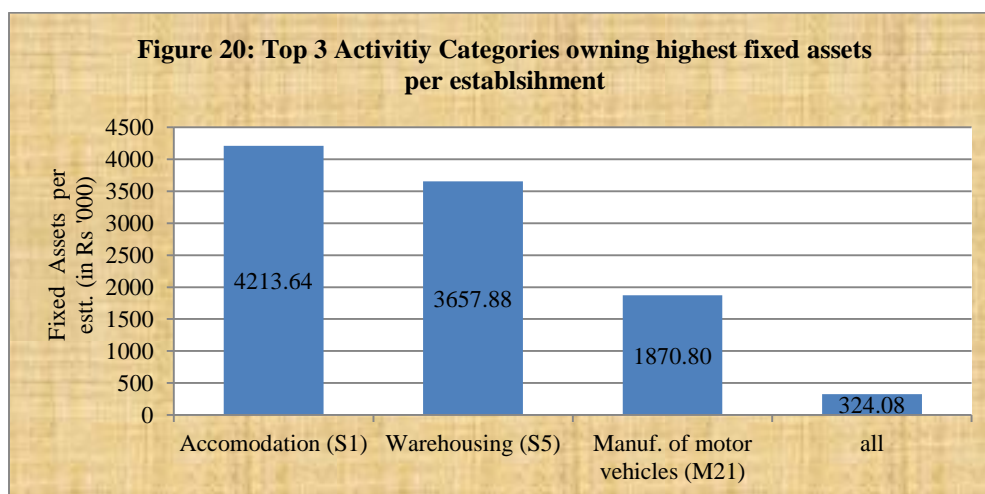

Statement 26: Fixed assets(owned) per establishment (in Rs.) (all-India)

BAC	Fixed Assets (owned) per Establishment (in Rs.)								
	Rural			Urban			Rural+Urban		
	OAE	HWE	All	OAE	HWE	All	OAE	HWE	All
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)
Manufacturing	107797	780755	146531	184535	1007049	354828	135360	940419	229813
Trade	160341	551389	188342	253935	875118	407973	202064	802188	297772
Other services	179419	1561308	288168	279587	1635189	540539	222977	1611715	406148
All*	151850	1070217	216342	248317	1193758	451324	192070	1159333	324075

*includes non-captive electricity generation and transmission

Reference: table 39 of Appendix A

3.8.1.3 Figure 20 below gives an idea about the top 3 activity categories owning the highest amount of fixed assets, at all-India level, in the unincorporated non-agricultural sector. Activities like ‘accommodation’ (S1), ‘warehousing and storage’ (S5), ‘manufacture of motor vehicles, trailers and semi-trailers’ (M21), etc. that require good amount of fixed assets for their basic operation have been found at the top at all-India level.

3.8.2 Loan

3.8.2.1 Any entrepreneurial activity requires financial capital for both acquiring asset and running the day-to-day entrepreneurial operations. In order to have the requisite financial capital, the establishments require loans from different institutions and individuals. Such loan is often critical for establishments in the unincorporated sector. Availability of loans may also be challenging for such establishments, particularly for the OAEs (which constitutes the majority of establishments in ASUSE 2023-24) due to various reasons.

3.8.2.2 Statement 27 gives the BAC-wise outstanding loan per establishment by sector and establishment type. Outstanding loan per establishment, on an average, was estimated to be Rs. 53,710 at all-India level during ASUSE 2023-24. Among the BACs, the establishments engaged in ‘other services’ have reported the highest value of outstanding loan per establishment (Rs. 71,787) followed by trade (Rs. 54,525) and manufacturing (Rs. 25,471).

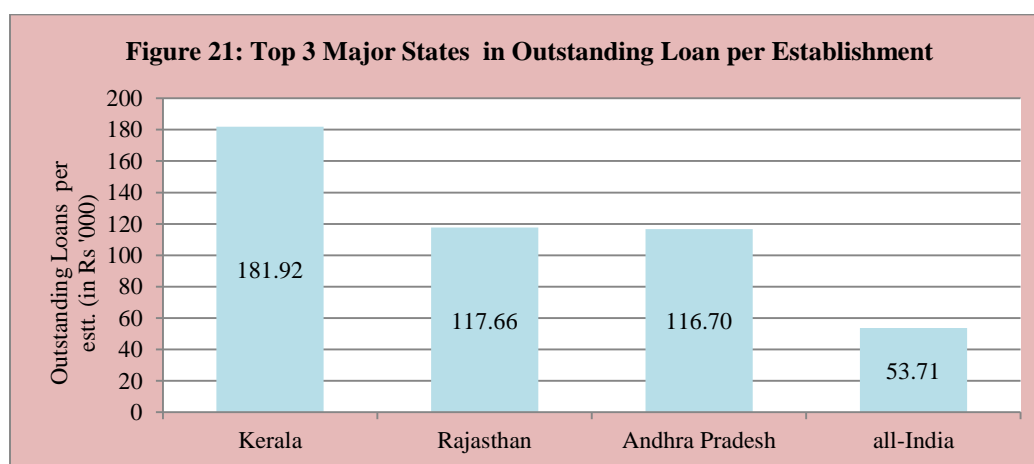

Statement 27: Outstanding loan per Establishment (in Rs.) by BAC, establishment type and sector

BAC	Outstanding loan per establishment (Rs.)								
	Rural			Urban			Rural+Urban		
	OAE	HWE	All	OAE	HWE	All	OAE	HWE	All
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)	(10)
Manufacturing	1407	168707	11036	3183	215493	47139	2045	201717	25471
Trade	8785	168494	20221	11648	323870	89071	10062	288866	54525
Other services	45434	363152	70437	25710	273061	73325	36857	301685	71787
All*	21323	257524	37910	15718	279572	72373	18986	273429	53710

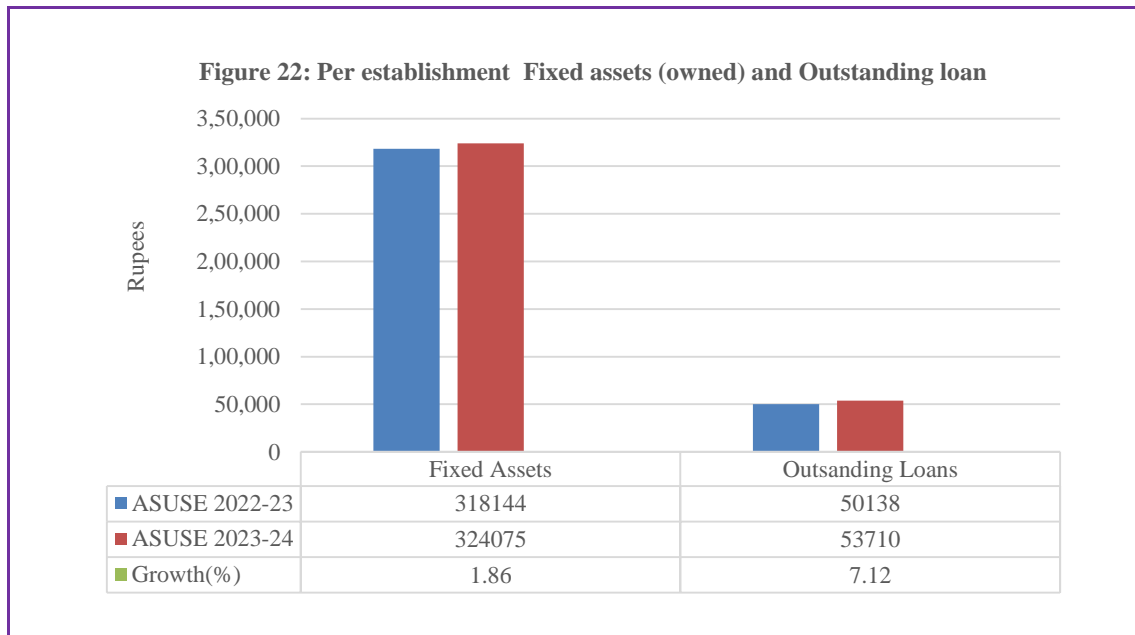

*includes non-captive electricity generation and transmission

Reference: table 39 of Appendix A

3.8.2.3 The top 3 major states having maximum outstanding loan per establishment are shown in Figure 21. It can be seen that Kerala has the highest outstanding loan per establishment, followed by Rajasthan and Andhra Pradesh.

3.8.2.4 A comparison of per establishment fixed assets owned and outstanding loan is displayed in Figure 22, which indicates increase in both the parameters in ASUSE 2023-24 as compared to ASUSE 2022-23. Fixed assets owned per establishment in ASUSE 2023-24 has increased marginally from Rs. 3,18,144 to Rs. 3,24,075 while the outstanding loan per establishment has risen from Rs. 50,138 to Rs. 53,710.

3.8.2.5 A summary highlighting the key facts about fixed assets and outstanding loan in the unincorporated non-agricultural sector for ASUSE 2023-24 is given below in Summary Box-6.

Summary Box -6: Fixed Assets & Outstanding Loan

- ❖ Fixed Assets owned per establishment has increased by 1.86% to Rs. 3,24,075 in ASUSE 2023-24 in comparison to ASUSE 2022-23.
- ❖ Outstanding loan per establishment has increased by 7.12% to Rs. 53,710.
- ❖ Kerala, Rajasthan and Andhra Pradesh are the States where outstanding loan per establishment was the highest.

3.9 Micro, Small and Medium Enterprises (MSME) from ASUSE

3.9.1 Micro, Small and Medium Enterprises (MSME) play important role in Indian Economy. As per Gazette notification of Ministry of Micro, Small and Medium Enterprises, New Delhi, dated 26th June, 2020, an enterprise shall be classified as a micro, small or medium enterprise on the basis of the following criteria, namely,

- I. a micro enterprise, where the investment in plant and machinery or equipment does not exceed **one crore rupees** and turnover does not exceed **five crore rupees**;
- II. a small enterprise, where the investment in plant and machinery or equipment does not exceed **ten crore rupees** and turnover does not exceed **fifty crore rupees**;
- III. a medium enterprise, where the investment in plant and machinery or equipment does not exceed **fifty crore rupees** and turnover does not exceed **two hundred and fifty crore rupees**.

3.9.2 As per request from M/o MSME, an attempt has been made to classify a surveyed unit from ASUSE 2023-24 as micro, small and medium. For this purpose, the following mechanism, as vetted by M/o MSME, has been followed.

Assumptions for deriving estimates relating to MSME from ASUSE

1. Establishment level data available in ASUSE is used instead of 'enterprise' which is used in the definition of MSME.
2. Value of receipt of an establishment from ASUSE which is used to approximate turnover includes export since in ASUSE, information on export was not collected separately. However, as per the definition of turnover used in MSME: "*Export of goods or services or both, shall be excluded while calculating the turnover of any enterprise.*"
3. Investment in plant and machinery and equipment is estimated, from the entries of ESU Schedule used for collection of information, as owned assets in respect to
 - a. Plant and machinery (col. 3, item 1003 of Block 11)
 - b. Transport equipment (col. 3, item 1004 of Block 11)
 - c. Software and database (col. 3, item 1006 of Block 11)
 - d. Information, computer & telecommunications equipment (col. 3, item 1007 of Block 11)
 - e. Tools and other fixed assets (col. 3, item 1008 of Block 11)

Mapping with ASUSE schedule

1. Total investment in plant and machinery or equipment (of an establishment)
= col. 3, block 11 of item (1003 +1004 +1006 +1007 +1008)
2. Total annual turnover may be estimated using the total annual receipt of the establishment available in block 5 and block 6 of ASUSE.

Total annual turnover (of an establishment) = item (569 + (589 – 584) + 599 + 609 + 619 + (639 – 635) + 649 + 659 + (669-664) + 679 + 699 + 719 + 729 + (73Z – 73G) + (731+732+733+735+736+741)) * m) + item 664

Where, m = 1, if reported reference period is annual (item 265=4)

= 12, if reported reference period is monthly and the establishment is perennial in nature (item 265 ≠4 and item 216=1)

= number of months operated during the reference period (item 217), if reported reference period is monthly and the establishment is not perennial in nature (item 265 ≠4 and item 216≠1)

3.9.3 Following the above assumptions, mapping and approximation, the number of MSMEs estimated from ASUSE 2023-24 data is shown in Statement 28. Tables 43 (activity category wise) and 44 (State/UT wise) are prepared in Appendix A to provide the details on the estimated number of establishments being classified as MSME/non-MSME from ASUSE 2023-24 data using the same mechanism. It can be clearly seen from Statement 28 that, barring a few, almost all of the unincorporated non-agricultural sector establishments from ASUSE can be classified as MSME, with majority of them falling under Micro category, as per the definition of MSME (please refer to Gazette notification of Ministry of Micro, Small and Medium Enterprises, New Delhi, dated 26th June, 2020).

Statement 28: Estimated number of establishments classified as MSME/non-MSME (all-India)

BAC	Estimated number of establishments classified as					
	Micro	Small	Medium	MSME (Total)	non-MSME	Total
(1)	(2)	(3)	(4)	(5)	(6)	(7)
Manufacturing	20130354	14795	977	20146126	331	20146457
Trade	22709915	94882	2148	22806945	4	22806949
Other services	30423593	20706	1262	30445562	37	30445599
All*	73264334	130383	4387	73399104	372	73399476

*includes non-captive electricity generation and transmission

Reference: table 43 of Appendix A

3.10 Relative Standard Error (RSE)

3.10.1 Relative Standard Error (RSE) is a very useful indicator on the reliability of estimates generated from any sample survey. In case of ASUSE 2023-24, RSEs are generated for a number of important parameters both for aggregate and ratio. The RSEs for this survey are based on all the surveyed units excluding the out of coverage establishments which are very few in number.

3.10.2 The RSEs of estimated number of establishments, workers, GVA per worker (for market establishments) and GVA per establishments (market establishments) for the major State/UTs is presented in Statement 29. The estimates of RSE of 'estimated number of establishment', 'worker', 'GVA per worker', 'GVA per establishment' at all-India level, combining both rural and urban areas comprising of all activities are found to be 2.17%, 1.76%, 1.12%, and 1.63%, respectively.

Statement 29: Estimated RSEs of selected parameters for different sectors pertaining to major states

Major States	Relative standard error (RSE) (%)											
	Rural				Urban				Rural+Urban			
	No. of estt.	Worker	GVA per worker	GVA per estt.	No. of estt.	Worker	GVA per worker	GVA per estt.	No. of estt.	Worker	GVA per worker	GVA per estt.

Note on Sampling Design and Estimation Procedure

1.1.Introduction: National Statistics Office (NSO) of India conducted Annual Survey on Unincorporated Sector Enterprises (ASUSE) 2023-24 during October 2023 to September 2024. This survey was devoted exclusively to economic and operational characteristics of unincorporated non-agricultural establishments in manufacturing, trade and other services sector. The unit of enquiry of the ASUSE was ‘establishment’.

1.2.Period of survey and work programme:

1.2.1 The period of ASUSE 2023-24 was of twelve months’ duration from 1st October 2023 to 30th September 2024. The survey period ASUSE 2023-24 was divided into four sub-rounds of three months’ duration:

sub-round 1 :	October – December 2023
sub-round 2 :	January – March 2024
sub-round 3 :	April - June 2024
sub-round 4 :	July – September 2024

1.2.2. In each of these sub-rounds, a number of sample first stage units (FSUs) i.e. villages/ blocks were allotted for survey. The distribution of FSUs over the sub-rounds was not necessarily the same. Attempt was made to survey each of the FSUs during the sub-round to which it was allotted. *Because of the arduous field conditions, this restriction was not strictly enforced in Andaman and Nicobar Islands, Lakshadweep, Ladakh and rural areas of Arunachal Pradesh and Nagaland.*

1.3. Schedules of enquiry: During this round, the following schedules of enquiry were canvassed:

Schedule LSU	: list of households and non-agricultural establishments
Schedule ESU	: establishment schedule

1.4. Sample Design

1.4.1. **Outline of sample design:** A stratified multi-stage sampling design was adopted for ASUSE.

Rural sector: The first stage units (FSU) were the census villages in the rural sector. For rural part of Kerala, Panchayat wards (PW) was taken as FSUs.

Urban sector: The First Stage Units (FSU) were the latest updated UFS (Urban Frame Survey) blocks.

The Ultimate Stage Units (USU) were establishments for both the sectors. In the case of large FSUs, one intermediate stage of sampling was the selection of three hamlet-groups (HG)/sub-blocks (SBs) from each of the large FSUs.

1.4.2. Sampling frame used for selection of FSUs

Census 2011 list of villages was used as the sampling frame for **rural areas**. Auxiliary information such as number of workers, etc. available from Sixth Economic Census (EC) frame was used for stratification, sub-stratification and selection of FSUs, for rural areas (except Kerala). In **rural areas of Kerala**, list of Panchayat Wards (PW) as per Census 2011 was used as sampling frame. For **all urban areas**, the latest updated list of UFS blocks was the sampling frame.

1.4.3. Stratification of FSUs:

Rural sector: Each NSS State region constituted a rural stratum.

Urban sector: In urban areas, strata were formed within each NSS State region on the basis of population of towns as per Census 2011. The tentative stratum numbers and their composition (within each NSS State region) were as follows:

stratum 1 :	all towns with population less than 50,000
stratum 2 :	all towns with population 50,000 or more but less than 3 lakhs
stratum 3 :	all towns with population 3 lakhs or more but less than 10 lakhs
stratum 4, 5, 6, ... :	each city with population 10 lakhs or more

1.4.4 Sub-stratification of FSUs:

1.4.4.1 Rural sector (Except Kerala)

1.4.4.1.1 Because of very small population sizes, **no sub-stratum** was formed in the rural sector of five NSS regions, namely, Chandigarh (041), Delhi (071), Daman & Diu and Dadra & Nagar Haveli (251), Lakshadweep (311) and Puducherry (341).

1.4.4.1.2 In each of other NSS regions, firstly, all the villages with zero worker comprised of a sub-stratum (say, '*zero sub-stratum*') within each stratum (i.e., NSS region), wherever available.

1.4.4.1.3 Then, for the remaining part of the stratum, principle of demarcating more number of sub-strata with higher variation was adopted. For this purpose, variability in number of workers in a stratum (i.e. NSS region) was accounted by computing coefficient of variation (CV) of the workers belonging to it. Primarily, the Sixth EC non-agricultural worker figures were considered as stratification variable. In absence of the 6th EC worker, census non-agricultural worker figures were considered.

1.4.4.1.4 Five ‘*non-zero sub-strata*’ (i.e., number of workers is positive) were demarcated where CV of worker in a stratum is less than or equal to 2; 7 ‘*non-zero sub-strata*’ were demarcated where CV of worker in a stratum is more than 2 but less than or equal to 3, and 9 ‘*non-zero sub-strata*’ were demarcated where CV of worker in a stratum is more than 3.

1.4.4.1.5 The ‘*non-zero sub-strata*’, as mentioned above, within each stratum were formed by equalizing total worker size of the sub-stratum. In other words, the ‘*non-zero sub-strata*’ within each stratum were formed in such a way that each of the sub-stratum possessed more or less equal no. of workers and the variance of workers within each sub-stratum in a stratum was minimum.

1.4.4.2 Rural sector (Kerala)

1.4.4.2.1 Five sub-strata were formed of Panchayat Wards(PWs) within each stratum (i.e., NSS regions) by forming five quintile groups of population within the stratum. Thus, each sub-stratum contained about 20% of population of stratum and the variance of population in each sub-stratum within a stratum is minimum.

1.4.4.3 Urban Sector:

1.4.4.3.1 For each stratum, there were two sub-strata based on the information as available from the latest available UFS blocks as follows:

sub-stratum 1: UFS blocks identified as Bazaar area (BA)/ Industrial area (IA)/ Hospital area (HA)/ Slum area (SA) which are likely to contain relatively higher number of establishments.

sub-stratum 2: remaining UFS blocks of the stratum

1.4.5 Allocation of FSUs:

1.4.5.1 **Total sample size (FSUs):** About 16900 FSUs was covered for the central sample at all-India level.

1.4.5.2 **Allocation of total sample to States and UTs:** All-India sample size (FSUs) were allocated to different State/UTs in proportion to total number of non-agricultural workers under coverage as per EC-6. Total allocation and number of FSUs surveyed in earlier rounds were also taken into consideration.

1.4.5.3 Allocation of State/UT level sample to rural and urban sectors: State/UT sample sizes were allocated to rural and urban sectors of the State/UT in proportion to number of non-agricultural workers under coverage as per EC-6.

1.4.5.4 Allocation to strata: Stratum allocations of State/UT for each sector were made in proportion to number of non-agricultural workers under coverage as per EC-6 subject to the condition that each stratum has at least four FSUs allocated. In fact, because of the resource constraints of NSO (FOD), allocations made at NSS region level during the last round of ASUSE were inherited with certain adjustments. Attempt has been made to distribute the allocation at stratum level into sub-stratum level following the procedure mentioned in paragraphs and sub-paragraphs under 1.4.4.1 and 1.4.4.2 which would have led to approximate optimization.

1.4.5.5 Allocation to sub-strata

1.4.5.5.1 Rural sector (except Kerala): Four (4) FSUs were mandatorily allocated to ‘*zero sub-stratum*’ irrespective of its size. The given allocation of a stratum (NSS region) minus the allocation made to the zero sub-stratum (i.e. 4) were adjusted to the nearest multiple of 5 or 7 or 9 depending on the number of non-zero sub-strata formed in that stratum to make it divisible by 5 or 7 or 9. Then equal allocation was made to each of the non-zero sub-stratum to ensure that the principle of approximate optimum allocation is followed. In a few cases, following the above procedure, it is possible to have the size of the sub-stratum less than the allocation. However, in no case the allocation exceeded more than eighty percent of the sub-stratum size.

1.4.5.5.2 Rural sector (of Kerala): The given allocation of a stratum (NSS region) was adjusted to the nearest multiple of 5 to make it divisible by 5. Then equal allocation was made among the sub-stratum to ensure that the principle of approximate optimum allocation is followed.

1.4.5.5.3 Urban sector: Allocation was at least 4 for each sub-stratum in the urban sector. However, the restrictions might have been waived in special cases, especially in the States of North Eastern Region, if required.

1.4.6 Selection of FSUs:

From each stratum/sub-stratum, required number of sample FSUs were selected by SRSWOR scheme. The selected FSUs from each of the sub-stratum were allocated to four sub-rounds equally as far as possible.

1.4.7 Formation of segment 9 and selection of hamlet-groups/ sub-blocks

1.4.7.1 Proper identification of the FSU boundaries: The first task of the field investigators was to ascertain the exact boundaries of the sample FSU as per its identification particulars given in the sample list. For urban samples, the boundaries of each FSU were identified by referring to the map for the ‘UFS Phase’ used for selection of FSUs.

1.4.7.2 Formation of Segment 9: All non-agricultural establishments having 10 or more workers in the entire FSU and having operated at least one day during last 365 days preceding the day of survey (hereinafter to be called as ‘big establishments’) were listed and all the *eligible units under coverage* were surveyed. All the listed ‘big establishments’ (whether under coverage or not) constituted segment 9. All *eligible establishments under coverage* in segment 9 were surveyed.

1.4.7.3 Criterion for hamlet-group/sub-block formation: Having constituted segment 9 as stated above, it was determined whether listing to be done in the whole sample FSU or not. For this, approximate present population (P) and approximate total number of non-agricultural establishments (E) for the whole FSU was ascertained first from knowledgeable persons. Depending upon the values of ‘P’ and ‘E’, it was divided into a suitable number (say, D_P and D_E) of ‘hamlet-groups’ in the rural sector and ‘sub-blocks’ in the urban sector as stated below. Final value of number of ‘hamlet-groups’ to be formed in the rural sector (or ‘sub-blocks’ to be formed in the urban sector), say ‘D’, was the greater of the two values ‘ D_P ’ and ‘ D_E ’ based on the dual criteria.

Population and establishment (dual) criteria			
approximate population (P)	no. of hg’s/sb’s to be formed (D_P)	approximate no. of non-agricultural establishments (E)	no. of hg’s/ sb’s to be formed (D_E)
less than 1200	1	less than 120	1
1200 - 1600	4	120 - 160	4
1601 - 2000	5	161 - 200	5
2001 - 2400	6	201 - 240	6
and so on	...	and so on	...

Example: If a village (FSU) has the approximate population (P) of 1400 and approximate number of non-agricultural establishments (E) is 200, then D_P will be 4 whereas D_E will be 5. The number of hamlet-groups formed were maximum of D_P and D_E , i.e., 5 in this case. Thus, in this case, the number of hamlet-groups formed was decided on the basis of D_E and so, hamlet groups are formed in such a fashion that each ‘hg’ will have more or less equal number establishments (see paragraph 1.4.7.4 below).

For rural areas of (i) Himachal Pradesh, (ii) Sikkim, (iii) Andaman & Nicobar Islands, (iv) Uttarakhand (except four districts Dehradun, Nainital, Hardwar and Udham Singh Nagar), (v) Punch, Rajouri, Udhampur, Reasi, Doda, Kishtwar, Ramban, Ladakh region (Leh and Kargil

districts) and (vi) Idukki district of Kerala, the number of hamlet-groups/sub-blocks were formed as follows:

Population and establishment (dual) criteria			
population (P)	no. of hg's to be formed (DP)	no. of non-agricultural establishments (E)	no. of hg's to be formed (D _E)
less than 600	1	less than 120	1
600 - 800	4	120 - 160	4
801 - 1000	5	161 - 200	5
1001 - 1200	6	201 - 240	6
and so on	...	and so on	...

1.4.7.4 Formation and selection of hamlet-groups/sub-blocks:

In case hamlet-groups/sub-blocks were formed in the FSU, the same has been done either by more or less equalising population or by equalising number of non-agricultural establishments. If the criterion for deciding the value of 'D' is population (i.e., D_P), then hg/sb were formed by equalising population and on the other hand, if establishment criterion used for deciding 'D' (i.e. based on D_E), then the number of non-agricultural establishments to form 'D' number of hg/sb was equalised. If the value of 'D' is same for both population and establishments criteria, then hg/sb were formed by equalising establishment.

1.4.7.5 **Segments 1 & 2:** Two segments (in addition to segment 9 already formed) were selected from a large FSU wherever hamlet-groups/sub-blocks have been formed in the following manner – Segment 1 was the hg/sb having maximum number of hired worker establishments (HWE) under the coverage. Two more hg's/sb's were selected from the remaining hg's/sb's of the sample FSU with equal probability following the method of SRSWOR and combined to form Segment 2.

Listing and selection of the establishments was done independently in the two selected segments. The FSUs without hg/sb formation was treated as sample segment number 1 and in such cases there were no segment 2.

1.4.8 **Listing of establishments and formation of their frame:** All the households and non-agricultural establishments (NAEs) [including those found to be temporarily locked after ascertaining temporariness of locked NAEs through local enquiry] were listed for each segment. Although all non-agricultural establishments were listed, only the unincorporated manufacturing,

trade and service sector establishments which were eligible were covered. Further, those establishments which operated for at least 30 days (15 days for seasonal/casual establishments and SHGs) during the reference period (i.e., last 365 days preceding the date of survey) were qualified for survey. Such establishments were referred to as ‘eligible establishments’.

1.4.9 Formation of Second Stage Strata (SSS) and allocation of establishments

Eighteen (18) second-stage strata (SSS) were formed within each sample FSU. Composition of various SSS and allocation of sample establishments was as under:

SSS no.	NIC 2008 codes	Description of major activities	Allocation of sample establishments
1	any of the NICs under survey coverage	Society/Trust/Association/Club/Body of individuals, etc.	2
2	any of the NICs under survey coverage	Co-operatives	2
3	64309 (special code)	Self-Help Groups	2
A. Hired Worker Establishments (HWE)			
(i) SSS pertaining to Manufacturing establishments			
4	01632, 19, 21, 26, 30, 35103, 35105, 35106, 35107, 35109,45200,45403	Cotton ginning, cleaning and bailing, coke and refined petroleum products, pharmaceuticals, medicinal chemical and botanical product, computer, electronic and optical products, other transport equipment, electric power generation etc., ‘repair and maintenance of motor vehicles, motor cycles, etc.’	2
5	10, 11	Food products and beverages	2
6	13, 14, 15, 16, 17, 18, 31	Textiles, wearing apparel, leather and related products, wood and wood products, paper and paper products, printing, furniture etc.	2
7	12, 20, 22, 23, 24, 25, 27, 28, 29, 32, 33	Tobacco, chemical and chemical products, rubber and plastic products, other non-metallic mineral products, basic metals, fabricated metal product, electrical equipment, machinery and equipment n.e.c., motor vehicles, trailers and semi-trailers, other manufacturing activities, repair and installation of machinery and equipment.	2
(ii) SSS pertaining to Trading establishments			
8	45(excluding 45200, 45403), 46, 47	Wholesale and retail trade and repair of motor vehicles and motorcycles, ‘Other wholesale trade’ and ‘Other retail trade’ excluding ‘repair and maintenance of motor vehicles, motor cycles, etc.’	4
(iii) SSS pertaining to Other services establishments			
9	56	Food and beverage service activities	2
10	85	Education	2
11	86, 87	Human health activities, residential care activities	2
12	36 – 39, 49211, 49219, 4922 (including 49227), 4923, 50, 52, 53, 55, 58 – 63, 64193, 64300,	Other services activities	4

SSS no.	NIC 2008 codes	Description of major activities	Allocation of sample establishments
	6491, 64920, 64921, 64929, 6499, 6612, 6619, 662, 663, 68 (including 68108,68109) – 75, 77 – 81(including 81309), 82, 88, 90 – 93, 941, 94910, 94919, 9499, 95, 96 (including 96099)		
B. Own Account Establishments (OAEs)			
13	01632, 10–33, 35103, 35105, 35106, 35107, 35109,45200,45403	Manufacturing activities including ‘repair and maintenance of motor vehicles, motor cycles, etc.’	4
14	45 (excluding 45200, 45403), 46, 47	Wholesale and retail trade and repair of motor vehicles and motorcycles, ‘Other wholesale trade’ and ‘Other retail trade’. excluding ‘repair and maintenance of motor vehicles, motor cycles, etc.’	4
15	56	Food and beverage service activities	2
16	85	Education	2
17	86, 87	Human health activities, residential care activities	2
18	36 – 39, 49211, 49219, 4922, 4923, 50, 52, 53 55, 58 – 63, 64193, 64300, 6491, 64920, 64921, 64929, 6499, 6612, 6619, 662, 663, 68 (including 68108, 68109) – 75, 77 – 81(including 81309), 82, 88, 90 – 93, 941, 94910, 94919, 9499, 95, 96 (including 96099)	Other services activities	4
Total no. of sample establishments in a FSU			46

If there was segment formation in a FSU, allocation of sample establishments were divided equally among two segments.

1.4.9.1 In addition to the above, **all the eligible establishments of segment 9 were surveyed.**

1.4.10 **Selection of Establishment:** Sample establishment from each SSS (excluding segment 9) were selected by SRSWOR.

However, **all the establishments in the frame were selected** for a broad category of establishments (manufacturing/trade/other services) in the following situations:

- (i) All the manufacturing HWE, if total number of establishments in manufacturing SSSs is less than or equal to 8 considering both the segments 1 & 2
- (ii) All the trading HWE, if total number of establishments in trading SSSs is less than or equal to 4 considering both the segments 1 & 2
- (iii) All the ‘other service sector’ HWE, if total number of establishments in other services SSSs is less than or equal to 10 considering both the segments 1 & 2.

Estimation Procedure

1 Notations:

s = subscript for s-th stratum

t = subscript for t-th sub-stratum

i = subscript for i-th FSU [village/ block]

d = subscript for a segment (d = 1, 2, 9) [sometimes, 'd' is not mentioned in the formulae, instead value of d, i.e., '1', '2' or '9' is mentioned in the formulae]

j = subscript for j-th second stage stratum in an FSU/ segment (i.e., j=1, 2, 3, 18)

k = subscript for k-th sample establishment under a particular second stage stratum within an FSU/ segment

D = total number of hg's/ sb's formed in the sample FSU

$D^* = 0$ if $D = 1$

= $(D - 1)/2$ for FSUs with $D > 1$

N = total number of FSUs in any rural/urban sub-stratum

n = number of sample FSUs surveyed including 'uninhabited' and 'zero cases' but excluding casualty for a particular sub-stratum

E = total number of establishments listed in a second-stage stratum of an FSU / segment of sample FSU

e = number of establishments surveyed in a second-stage stratum of an FSU / segment of sample FSU (excluding casualty establishments)

x, y = observed value of characteristics x, y under estimation

\hat{X} , \hat{Y} = estimate of population total X, Y for the characteristics x, y

Under the above symbols,

Y_{stidjk} = observed value of the characteristic y for the k-th establishment in the j-th second stage stratum of the d-th segment (d = 1, 2, 9) of the i-th FSU belonging to the t-th sub-stratum of s-th stratum.

However, for ease of understanding, a few symbols have been suppressed in following paragraphs where they are obvious.

2 Formulae for Estimation of Aggregates for a particular stratum × sub-stratum:

2.1 Schedule LSU:

2.1.1 Rural/Urban:

(i) For estimating the number of establishments in a stratum × sub-stratum possessing a characteristic:

$$\hat{Y} = \frac{N}{n} \sum_{i=1}^n \left[y_{i9} + y_{i1} + D_i^* \times y_{i2} \right]$$

where y_{i9} , y_{i1} , y_{i2} are the total number of establishments possessing the characteristic y in segments 9, 1 & 2 of the i -th FSU respectively.

2.2 Schedule ESU:

2.2.1 Rural/Urban:

Estimation formula for a sub-stratum of a State/UT:

(i) For establishments selected in j^{th} second stage stratum in the i^{th} FSU belonging to t^{th} substratum under s^{th} stratum:

$$\hat{Y}_{ij} = \frac{N_{st}}{n_{st}} \sum_{i=1}^{n_j} \left[\frac{E_{i9j}}{e_{i9j}} \sum_{k=1}^{e_{i9j}} y_{i9jk} + \frac{E_{i1j}}{e_{i1j}} \sum_{k=1}^{e_{i1j}} y_{i1jk} + D_i^* \times \frac{E_{i2j}}{e_{i2j}} \sum_{k=1}^{e_{i2j}} y_{i2jk} \right]$$

(ii) For all selected establishments, the estimate of characteristic y for t^{th} substratum under s^{th} stratum is:

$$\hat{Y} = \sum_i \sum_j \hat{Y}_{ij} .$$

This \hat{Y} may be viewed as \hat{Y}_{st} .

3 Overall Estimate for Aggregates for a stratum:

Overall estimate for a stratum (\hat{Y}_s) is obtained as

$$\hat{Y}_s = \sum_t \hat{Y}_{st}$$

4 Overall Estimate of Aggregates at State/UT/all-India level:

The overall estimate \hat{Y} at the State/ UT/ all-India level is obtained by summing the stratum estimates \hat{Y}_s over all strata belonging to the State/ UT/ all-India.

5 Estimates of Ratios:

Let \hat{Y} and \hat{X} be the overall estimates of the aggregates Y and X for two characteristics y and x respectively at the State/ UT/ all-India level.

Then the combined ratio estimate (\hat{R}) of the ratio ($R = \frac{Y}{X}$) is obtained as $\hat{R} = \frac{\hat{Y}}{\hat{X}}$.

6 Estimation of Errors:

6.1 Formula for estimated variance (for Rural/Urban):

6.1.1 The sampling scheme in ASUSE is SRSWOR. However, if the sampling fraction is small, then the difference between variance estimates using the SRSWR and SRSWOR becomes negligible. In such case, samples can be treated as drawn with SRSWR and variance estimates

becomes simpler in form and easy to calculate. It has been observed that overall sampling fraction is quite low in the current situation and hence there is not much loss in accuracy of variance estimates if SRSWR is assumed.

With this view, formulae for estimates of variances are given below based on SRSWR scheme.

(a) **Formula for aggregate \hat{Y} (for Rural/Urban):**

$$V\hat{a}r(\hat{Y}) = \sum_s V\hat{a}r(\hat{Y}_s) = \sum_s \sum_t V\hat{a}r(\hat{Y}_{st})$$

$$V\hat{a}r(\hat{Y}_{st}) = \frac{1}{n_{st}(n_{st}-1)} \sum_{i=1}^{n_{st}} (N_{st} \hat{Y}_{sti} - \hat{Y}_{st})^2$$

(b) **Formula for ratio \hat{R} (for Rural/Urban):**

$$M\hat{S}E(\hat{R}) = \frac{1}{\hat{X}^2} \sum_s \sum_t M\hat{S}E_{st}(\hat{R})$$

$$M\hat{S}E_{st}(\hat{R}) = \frac{1}{n_{st}(n_{st}-1)} \sum_{i=1}^{n_{st}} \left[N_{st} (\hat{Y}_{sti} - \hat{R} \hat{X}_{sti}) - (\hat{Y}_{st} - \hat{R} \hat{X}_{st}) \right]^2,$$

where $N_{st} \hat{Y}_{sti} = \sum_j \sum_k y_{stijk} \times n_{st} \times multiplier,$

$$N_{st} \hat{X}_{sti} = \sum_j \sum_k x_{stijk} \times n_{st} \times multiplier$$

in the formula in (a) and (b) above.

Multiplier is as given in the table in para 7.

6.2 Estimates of Relative Standard Error (RSE):

$$R\hat{S}E(\hat{Y}) = \frac{\sqrt{V\hat{a}r(\hat{Y})}}{\hat{Y}} \times 100$$

$$R\hat{S}E(\hat{R}) = \frac{\sqrt{M\hat{S}E(\hat{R})}}{\hat{R}} \times 100$$

7. Multipliers:

The formulae for multipliers at stratum/sub-stratum/second-stage stratum level for a schedule type are given below:

sch type	sector	formula for multipliers		
		segment 9	segment 1	segment 2
LSU	rural/urban	$\frac{N_{st}}{n_{st}}$	$\frac{N_{st}}{n_{st}}$	$\frac{N_{st}}{n_{st}} \times D_{sti}^*$
ESU		$\frac{N_{st}}{n_{stj}} \times \frac{E_{sti9j}}{e_{sti9j}}$	$\frac{N_{st}}{n_{stj}} \times \frac{E_{sti1j}}{e_{sti1j}}$	$\frac{N_{st}}{n_{stj}} \times D_{sti}^* \times \frac{E_{sti2j}}{e_{sti2j}}$
$j = 1, 2, 3, \dots, 18$				

Multipliers were computed on the basis of information available in the listing schedule irrespective of any misclassification observed between the listing schedule and detailed enquiry schedule.

7.1 Adjustment of multipliers due to status of the establishment as ‘out of coverage’

Let

E = total number of establishment for a Second Stage Stratum (SSS)

e = total number of surveyed sample establishment for an SSS

m = total number of sample surveyed establishment out of coverage for an SSS

Then

(i) Proportion of sample establishment out of coverage = m/e in an SSS

(ii) Estimated number of establishment out of coverage = E*m/e in an SSS

Adjustments were done in the following manner:

- (i) Adjusted number of establishment within the coverage = $(E - E \cdot m/e)$ in an SSS
- (ii) Adjusted number of sample establishment within the coverage = $(e - m)$

Thus, in such situation, **E** in the multiplier in para 5 above was replaced by **E * (1 – m/e)** and **e** was replaced by **(e – m)**.

8. Treatment for zero cases, casualty cases etc.:

8.1 While counting the number of FSUs surveyed (n_{st}) in a stratum/sub-stratum, all the FSUs with survey codes 1 to 6 in schedule LSU was considered.

8.2 However, if establishments were available in the frame of the FSU but none of these could be surveyed then that FSU was treated as casualty.

8.3 *Casualty cases*: FSUs with survey code 7 as per schedule LSU were treated as casualties.

8.4 *All the FSUs with survey codes 1 to 6 as per schedule LSU minus the number of casualties as identified in 8.3 were taken as the number of surveyed FSUs (n_{st}) for that (stratum/sub-stratum).*

9. Treatment in cases of void second-stage strata/sub-strata /strata

9.1 A stratum/sub-stratum may be void because of the casualty of all the FSUs belonging to the stratum/sub-stratum.

9.2 When a stratum/sub-stratum is void, the following procedure is recommended:

Case (I): Stratum/Sub-stratum void cases at FSU levels (i.e. all FSUs having survey code 7):

- (i) If a rural/urban sub-stratum is void then it was merged with the other similar sub-stratum of the same stratum.
- (ii) If a complete rural/urban stratum is void due to all FSUs being casualty, it was excluded from the coverage of the survey. The state level estimates was based on the

estimates of regions for which estimates were available and remarks to that effect were added in appropriate places.

Case (II): Void case at second stage stratum level:

If due to some reason no establishment could be surveyed (i.e., all ssu's are casualties in a second stage stratum of an FSU, i.e., $e_{jk}=0$) even though there were establishments listed (i.e. $E_{jk}>0$), which is known as 'void' second stage stratum. Then that second stage stratum was merged with another non-void second stage stratum. Initially, it was checked whether the same void SSS was available in other segment (1 or 2) of the same FSU and was merged with it. Now, in case void SSS is observed even after considering both segments 1 and 2 of that FSU, then that void SSS was merged with another non-void SSS of that same FSU; and the principle and order of "second stage stratum merging" are as follows:

SSS found void	Merging order of SSS
1	2, 3
2	1, 3
3	1, 2
4	5, 6, 7, 13
5	4, 6, 7, 13
6	4, 5, 7, 13
7	4, 5, 6, 13
8	14
9	10, 11, 12, 15, 16, 17, 18
10	9, 11, 12, 16, 15, 17, 18
11	9, 10, 12, 17, 15, 16, 18
12	9, 10, 11, 18, 15, 16, 17
13	Maximum of Cap E (SSSs 4, 5, 6, 7)
14	8
15	16, 17, 18
16	15, 17, 18
17	15, 16, 18
18	15, 16, 17

Similarly, for segment 9, any void SSS to be merged with another non-void SSS in that segment 9 of that same FSU, the above SSS merging procedure was followed.

RURAL	*
URBAN	

GOVERNMENT OF INDIA
NATIONAL STATISTICAL OFFICE
ANNUAL SURVEY OF UNINCORPORATED SECTOR ENTERPRISES (ASUSE)
2023-2024: October 2023 – September 2024
SCHEDULE ESU: UNINCORPORATED NON-AGRICULTURAL ESTABLISHMENTS

[0] descriptive identification of sample establishment	
1. state/u.t:	6. investigator unit no.:
2. district:	7. UFS block no.:
3. sub-district/tehsil:	8. name of owner:
4. village/ town name:	9. name of informant:
5. serial no. of hamlet: (col-1,block-4.1)#	10. name and address of the establishment:

*tick mark (√) may be put in appropriate place. # refers to schedule LSU.

[1] identification of sample establishment							
item no.	item	code			item no.	item	code
1	serial no. of sample FSU				6	survey code	
2	schedule number	E	S	U	7	status code [if entry in item 6 is 1 or 2]	
3	segment number (1 / 2/ 9)				8	reason for original sample not surveyed (code) [for entry in item 6 = 2 or 3]	
4	second stage stratum (SSS)				9	response code	
5	sample establishment number				10	informant code	
11	telephone/mobile no. of the owner/establishment/contact person						
12	e-mail id of the establishment/owner						

CODES FOR BLOCK 1

- item6: **survey code:** original establishment surveyed - 1, substitute surveyed - 2, casualty – 3
- item7: **status code:**
 within coverage: open-1, existing but not having production-2,
 out of coverage: included in ASI frame - 3, other reasons – 4
- item8: **reason for original sample not surveyed:** informant busy – 1, informant not available – 2,
 informant non-cooperative – 3, others–9
- item9: **response code:** informant co-operative and capable - 1, informant co-operative but not
 capable - 2, informant busy but responded - 3, informant reluctant - 4, others -9
- item10: **informant code:** owner – 1, supervisor /manager – 2, others –9

Different Code Structures

item 204 : type of ownership			
proprietary (male)	1	partnership between members not all from the same household	5
proprietary (female)	2	Self-Help Group	6
proprietary (transgender)	3	Society/Trust/Club/Association/Body of individuals/membership organization	7
partnership with members of the same household	4	Co-operative	8
		Others (specify)*	9
item 205: highest level of general education of the proprietor / major partner			
not literate			1
literate	below primary		2
	primary and above but below secondary		3
	secondary and above but below higher secondary		4
	higher secondary and above but below graduate		5
	graduate and above		6
item 212: location of the establishment			
within household premises			1
outside household premises	with fixed premises and with permanent structure		2
	with fixed premises and with temporary structure/ kiosk/ stall		3
	with fixed premises but without any structure		4
	mobile market		5
	without fixed premises (street vendors, etc.)		6
item 225 and 226: nature of problems faced by the establishment			
erratic power supply/ power cuts			1
shortage of raw materials			2
lack of connectivity to market due to road or other infrastructure			3
non-availability / high cost of credit			4
non-recovery of financial dues			5
non-availability of labour as and when needed			6
non-availability of skilled labour as and when needed			7
lack of technological upgrade in the production process			8
others (specify)*			9

**please specify the description in the remarks*

Note 1: Mixed activity: An establishment at a location will be treated as pursuing mixed activity if it carries out a no. of activities simultaneously and accounts for those activities are not separable. The NIC-2008 Codes for those activities **should be different at 2-digit level**. If accounts are separable, each activity will be treated as separate establishment.

Note 2: Major activity: It is that activity which yields maximum income (1st) / turnover (2nd) /employment (3rd) (in the order mentioned)

[2] particulars of operation and background information during reference period		item no.	code			
(1)		(2)	(3)			
Whether pursuing mixed activity during the reference period? (yes – 1, no – 2)		201				
code for the major activity during the reference period (2 digit and 5-digit as per NIC 2008)		202a				
special codes: cab driver operating under aggregators OLA/UBER/MERU/Rapido, etc.- 49227, chit fund – 64193, Self-Help Group (engaged in financial intermediation) – 64309, investment club – 64921, activities of private moneylenders – 64929, renting of building for residential purpose-68108, renting of building for commercial purpose-68109, activities of electrician, plumber, etc. – 81309, activities of delivery services – 96099, religious activities of individuals – 94919,		202b				
description of the major activity during the reference period:						
if ‘yes’ in item 201	code for the principal minor activity during the reference period (2 digit and 5-digit as per NIC 2008)		203a			
	[1 st 2 digits of item 202a ≠ 1 st 2 digits of item 203a]		203b			
description of the principal minor activity during the reference period:						
type of ownership (code) during last 365 days		204				
if item 204 is ‘1’ to ‘5’	for proprietor / major partner	highest level of general education (code)	205			
		whether successfully completed any technical/ professional/ vocational courses (yes – 1, no – 2)	206			
	social group of the owner / major partner (ST-1, SC-2, OBC-3, Others -4, not known-9)		207			
	number of other economic activities taken up by the entrepreneur during the last 365 days		208			
whether non-profit institution?	yes: major receipts coming from donation/ grants-1, major receipts not coming from donation/ grants-2, no-3	209				
if code 1 in item 209	whether non-profit institution serving households (NPISH)? (yes-1, no-2)	210				
whether the establishment maintains any bank account/ post office savings bank account?	yes: in owner’s name – 1, in establishment’s name -2, no- 3	211				
location of the establishment (code)		212				
establishment type during the reference period (hired worker establishment -1, own account establishment -2)		213				
number of years of operation of the establishment (less than one year-1, one to three years-2, more than three years-3, not known-4)		214				
year of initial operation under the current owner at the present location		215				
nature of operation (perennial – 1, seasonal – 2, casual – 3)		216				
number of months operated during the last 365 days (in whole numbers)		217				
number of hours the establishment normally worked in a day during the reference period (in whole numbers)		218				
whether audited books of accounts maintained? (yes-1, no-2)		219				
is the establishment an MSME? (yes -1, no -2)		220				
UDYAM Registration number	U D Y A M - - - - -	221				
did the establishment use computer (s) during the last 365 days? (yes- 1, no -2)		222				
did the establishment use internet during the last 365 days? (yes- 1, no -2)		223				

[2] particulars of operation and background information during reference period		item no.	code	
(1)		(2)	(3)	
did the establishment face any problem in its operation during the last 365 days? (yes-1, no-2)		224		
if 'yes' in item 224, nature of problems faced in its operation during the last 365 days (at most two codes in order of severity of problems)	most severe problem	225		
	next severe problem	226		
whether registered under any act/authority? (yes-1, no-2)		227		
type of registration of the establishment				
if 'yes' in item 227	whether registered under (yes-1, no-2)	Shops and Establishment Act	228	
		Indian Trust Act 1882 (incl. State Public Trust Act)	229	
		Societies Registration Act, 1860	230	
		Co-operative Societies Act, 1912	231	
		Club/ Association of Persons/ Body of Individuals	232	
		Any Other Act (not covered above)	233	
	any other registration/ licenses (give at most three codes from any of 01-09,11-12, 98-99 as per the code list)		234	
			235	
		236		
if code is 01 in any of the items 234-236, GSTIN No. of the establishment		237		
did the establishment provide any manufacturing services? (yes -1, no -2)		238		
if 'yes' in item 238, did the establishment undertake any manufacturing services on <i>contract basis</i> during the reference period (yes -1, no -2)		239		
if 'yes' in item 239, type of contract (code)		240		
if 'yes' in item 239, whether equipment/design supplied by the contractor (yes -1, no -2)		241		
did the establishment undertake any other services on <i>contract basis</i> during the reference period (yes -1, no -2)		242		
if 'yes' in item 242, type of contract (code)		243		
is the establishment a franchisee outlet? (yes -1, no -2)		244		

items 234-236 : Additional registration/ Licenses			
Goods and services Tax (GST) Act	01	State Directorate of industries	06
District Supply and Marketing Society	02	Commodity Boards (Coir Board, Silk Board, Jute Commissioner etc.)	07
Food safety and Standard Authority	03	State Specific license/ registration (incl. Labour Licenses/ Trade License/ Drug License/ Factory License/ Electricity Board/ State Business Register/ Other State Specific licenses/ Licenses issued by Panchayat or Local Body	08
Employee PF Organization/ Employee State Insurance Corporation	04	VAT	09
		Registered under Regional Transport Office (RTO)	11
KVIC/KVIP/DC Handloom/ DC Handicrafts	05	Registered under Udyam Registration Portal	12
		Any others Registration/ Licenses (not covered above)	99
		No other registration/licenses	98
item 240 & 243 : type of contract			
working solely for other establishment/contractor	1	mainly for customers but also on contract.....	3
mainly on contract but also for other customers	2		

[2.1] activities pursued by the establishment during reference period		
broad description of the activity	item no.	whether pursued the activity during the reference period (yes-1, no-2)
(1)	(2)	(3)
manufacturing, non-captive power generation and transmission activities (NIC-08 Div. 10-33, 01632, 35103, 35105, 35106, 35107, 35109, 45200, 45403)	251	
trading activity (NIC-08 Div. 45-47 excluding 45200 and 45403)	252	
transportation, travel agency, tour operator activities (NIC-08 Groups 492 excluding 49212, 49213, div. 50,79, including special code 49227)	253	
warehousing and support activities of transportation (NIC-08 Div.52)	254	
postal and courier activities (NIC-08 Group 53)	255	
accommodation and food service activities (NIC-08 Div. 55-56)	256	
information and communications activities (NIC-08 Div. 58-63)	257	
financial activities (NIC-08 Groups 643, 649, 6612, 6619, 662, 663 including special codes for chit fund – 64193, self-help group – 64309, investment club – 64921, activities of private moneylenders – 64929)	258	
real estate, rental and leasing activities (NIC-08 Div. 68, 77) including special codes 68108 and 68109	259	
business and professional service activities (NIC-08 Div. 69 -74, 78, 80 - 81(including special code 81309),82	260	
educational activities (NIC-08 Div. 85)	261	
human health, social work and veterinary activities (NIC-08 Div. 75, 86-88)	262	
other personal service activities (NIC-08 Div. 96 including special code 96099	263	
other activities (NIC-08 Industries 36- 39, 90- 93, 941, 94910, 9499, 95) including special code 94919	264	

[2.2] reference period for blocks 3 - 14		
reference period	item no.	Code(for item 265) /no. of days(for item 266)/ no. of months (for item 267)
last 30 days - 1 , last calendar month – 2, last 30 days/last calendar month and closure faced – 3 last accounting year i.e. FY 2022-23 and data collected from audited books of accounts -4	265	
if code in item 265 is 3, then number of days closed due to any Government order/restriction during the reference period (the no. of days will be between 1 and 31, both inclusive)	266	
if code in item 265 is 4, then number of months in the accounting period	267	

[2.3] category of establishment			
description		item no	code/number
selected unit is a	single entity /establishment – 1 headquarter with branch establishments elsewhere-2 branch establishment, with headquarter located elsewhere-3	271	
for code 2 in item 271	total number of branch establishments	272	
for code 3 in item 271	whether separate account is available for the selected branch establishments (yes-1 , no-2)	273	

[3] expenses during the reference period ended on.....				(Rs. in whole number)	
(1)	(2)	(3)			(4)
3.1: manufacturing, non-captive power generation and transmission activities (NIC-08 Div. 10-33, 01632, 35103, 35105, 35106, 35107, 35109, 45200,45403)					
main raw materials consumed	item no.	3 digit product code			value (Rs.)
	301				
	302				
	303				
	304				
other raw materials consumed	305				
purchase value of the goods sold in the same condition as purchased	306				
expenses incurred for manufacturing services	307				
total (items 301 to 307)	309				

3.2: trading activity (NIC-08 Div. 45-47) (excluding 45200,45403)					
(exclude transport charges and report them in block 4, if available separately)					
main commodities purchased	item no.	3 digit product code			value (Rs.)
	311				
	312				
	313				
	314				
	315				
	316				
	317				
other commodities purchased	318				
total (items 311 to 318)	319				

3.3: transportation, travel agency and tour operator activities (NIC-08 Groups 492, 49227, Div.50, 79 excluding 49212, 49213)					
main items consumed	item no.	3 digit product code			value (Rs.)
petrol, diesel and lubricants	321	5	4	1	
LPG, CNG	322	5	4	3	
rubber products: tyres , tubes	323	5	2	2	
batteries, accumulators, cells	324	8	2	3	
	325				
	326				
other items consumed	327				
travel agent's/ tour operator's payments for passenger fare/ goods transportation by	railways	328			
	land (bus, truck, auto, taxi, etc.)	331			
	air	332			
	water (boat, steamer, ferry, etc.)	333			
minor repair and maintenance of transport equipment	334				
storage and warehousing charges paid	335				
parking fees paid for vehicles	336				
hotel& restaurant service charges (room rent, food, drinks, etc.)	337				
total (items 321 to 337)	339				

[3] expenses during the reference period ended on.....					(Rs. in whole number)
3.4: warehousing and support activities for transportation (NIC-08 Div. 52)					
(1)	(2)	(3)			(4)
main items consumed	item no.	3 digit product code			value (Rs.)
jute, cloth, etc. used as consumable stores	341	3	9	9	
pesticide, insecticide, weedicide, fungicide	342	6	1	2	
	343				
	344				
other items consumed	345				
contract, sub-contract, commission expenses	346				
service charges paid to other concerns for carrying of goods	347				
total (items 341 to 347)	349				

3.5: postal and courier activities (NIC-08 Div. 53)					
main items consumed	item no.	3 digit product code			value (Rs.)
paper used in printer, fax etc.	351	5	1	3	
paper products: stationery articles and postal articles	352	5	1	2	
spares and accessories of electronic equipments (ink cartridges used in printer, fax etc.)	353	8	3	4	
	354				
	355				
other items consumed	356				
total (items 351 to 356)	359				

[3] expenses during the reference period ended on.....					(Rs. in whole number)
3.6: accommodation and food service activities (NIC-08 Div. 55-56)					
(1)	(2)	(3)			(4)
main items consumed	item no.	3 digit product code			value (Rs.)
wheat flour	361	2	3	2	
rice	362	2	3	1

goods for re-sale	1207	
total (items 1204 to 1207)	1209	

[13] particulars of use of information and communication technology (ICT) by the establishment (if entry in item 222 or item 223 is '1')		
main items	item no.	(yes-1, no-2)
(1)	(2)	(3)
does the establishment have a web presence as on the date of survey?	1301	
does the establishment have an intranet as on the date of survey?	1302	
did the establishment receive orders for goods or services (that is, make sales) via the Internet during reference period of last 365 days?	1303	
did the establishment place orders for goods or services (that is, make purchases) via the Internet during reference period of last 365 days?	1304	
how did the establishment connect to the Internet during reference period of last 365 days?		
Narrowband	1305	
fixed broadband	1306	
mobile broadband	1307	
does the establishment have a local area network (LAN) as on the date of survey?	1308	
does the establishment have an extranet as on the date of survey?	1309	
for which of the following activities did the establishment use the Internet during reference period of last 365 days?		
sending and receiving e-mail	1311	
telephoning over the Internet/VoIP, including video conferencing	1312	
getting information about goods and services	1313	
getting information from general government organizations	1314	
interacting with general government organizations	1315	
internet banking	1316	
accessing other financial services	1317	
providing customer services	1318	
delivering products online	1319	
internal or external recruitment	1321	
staff training	1322	
are you willing to participate in a monthly survey?	1323	
can you supply information by email/ portal?	1324	
		number
average number of persons employed who routinely used computers during reference period of last 365 days.	1325	
average number of persons employed who routinely used the Internet at work during reference period of last 365 days.	1326	

item no.	explanatory notes
1301	A web presence includes a website, home page or presence on another entity's website (including a related business). It excludes inclusion in an on-line directory of any other web-pages where the business does not have control over the content of the page.
1302	An intranet refers to an internal communications network using Internet protocols and allowing communication within an organization (and with other authorized persons). It is typically set up behind a firewall to control access.
1303	Orders received include orders received via the Internet whether or not payment was made online. They include orders received via websites, specialized Internet marketplaces, extranets, EDI over the Internet, Internet-enabled mobile phones and email. They also include orders received on behalf of other organizations – and orders received by other organizations on behalf of the business. They exclude orders that were cancelled or not completed.
1304	Orders placed include orders placed via the Internet whether or not payment was made online. They include orders placed via websites, specialized Internet marketplaces, extranets, EDI over the Internet, Internet-enabled mobile phones and email. They exclude orders that were cancelled or not completed.
1305	Narrowband includes analogue modem (dial-up via standard phone line), Integrated Services Digital Network (ISDN), Digital Subscriber Line (DSL) at speeds below 256 kbit/s, and mobile phone and other forms of access with an advertised download speed of less than 256 kbit/s. Narrowband mobile phone access services include CDMA 1x (Release 0), GPRS, WAP and imode
1306	Fixed broadband refers to technologies such as DSL, at speeds of at least 256 kbit/s, cable modem, high speed leased lines, fibre-to-the-home, powerline, satellite, fixed wireless, Wireless Local Area Network (WLAN) and WiMAX.
1307	Mobile broadband access services include Wideband CDMA (W-CDMA), known as Universal
	Mobile Telecommunications System (UMTS) in Europe; High-speed Downlink Packet Access (HSDPA), complemented by High-Speed Uplink Packet Access (HSUPA); CDMA2000 1xEV-DO and DCMA 2000 1xEV-DV. Access can be via any device (mobile cellular phone, laptop, PDA, etc.
1308	A LAN refers to a network connecting computers within a localized area such as a single building, department or site; it may be wireless.
1309	An extranet is a closed network that uses Internet protocols to share securely a business' information with suppliers, vendors, customers or other business partners. It can take the form of a secure extension of an intranet that allows external users to access some parts of it. It can also be a private part of the business' website, where business partners can navigate after authentication.
1312	VoIP refers to Voice over Internet Protocol
1315	Includes downloading/requesting forms online, making online payments and purchasing from, or selling to, government organizations. It excludes getting information from government organizations.
1316	Includes electronic transactions with a bank for payment, transfers, etc. or for looking up account information.
1317	Includes electronic transactions via the Internet for other types of financial services such as purchasing shares (stocks), financial services and insurance.
1318	Includes providing online or emailed product catalogues or price lists, product specification or configuration online, after-sales support, and order tracking online.
1319	Refers to products delivered over the Internet in digitized form, e.g. reports, software, music, videos, computer games; and online services, such as computer-related services, information services, travel bookings or financial services.
1321	Including providing information about vacancies on an intranet or website, and allowing online applications
1322	Includes e-learning applications available on an intranet or from the World Wide Web.

[14] calculation of net surplus during the reference period ended on (Rs. in whole number) (for market establishments (item 209#1 and 202b#70100))

Items	item no.	amount (Rs.)
(1)	(2)	(3)
income of the establishment from the entrepreneurial activity(ies) (excluding all kind agricultural income)	1401	
net surplus (to be auto-calculated) (item 769,col.3 - item 939,col.3 - item 1001,col.6 – item 1119,col. 4)	1402	
percentage difference (to be auto-calculated) ((item 1402-itm 1401)/item 1401)*100 (upto 2 decimal places)	1403	

* item 1401 and 1402 should be very close to each other. In case large deviation (say, more than 20% in either side), the matter must be probed and substantive justification may be provided in the remarks in case of confirmation.

[15] particulars of field operations
