THE GLOBAL GOALS For Sustainable Development

on

Sustainable Development Goals-National Indicator Framework Progress Report, 2022

June 2022

S. L. Menaria Director General Ministry of Statistics and Programme Implementation Government of India

PREFACE

Sustainable Development Goals (SDGs) are the global agenda for achieving a better and sustainable future for all with the motto of leaving no one behind. Every country will require robust statistical systems and metrics to translate these goals into action for implementation.

2. The Ministry of Statistics and Programme Implementation (MoSPI) has developed the National Indicator Framework (NIF) for SDGs, following due consultative process, to help in tracking the progress of SDGs and associated targets at national level. Statistical indicators of NIF are the backbone of monitoring of SDGs at the national level and aims to measure the outcomes of the policies to achieve the targets under different SDGs. Based on the latest SDG-NIF, MoSPI brings out the annual progress report as well as the Data Snapshot on SDGs-National Indicator Framework.

3. The Data Snapshot on SDGs National Indicator Framework Progress Report 2022 presents a snapshot of progress towards various targets under the 17 Goals of the 2030 Agenda for Sustainable Development. The assessment is based on the most up-to-date data received from the data source Ministries identified in the NIF. It intends to present an at-a-glance national level picture of various indicators under the NIF in a handbook form.

4. I congratulate the SDG team of SSD, MoSPI led by Ms. R. Savithri, Additional Director General and her SDG team members, Dr. Ashutosh Ojha, DDG, Dr. Sanjay Kumar, Director and other colleagues of SDG unit, Shri Ashwani Kanaujia, Deputy Director; Ms. Aastha Gaur, Deputy Director; Shri Rajesh Kumar Pal, Senior Statistical Officer; Shri Sidhant Khanna, Junior Statistical Officer and Shri Amit Kumar, Junior Statistical Officer, for their tireless efforts and commitment towards coming up with this worthy SDG publication.

5. I look forward for further suggestions and feedback from various Central Ministries, researchers, policy makers and other stakeholders.

New Delhi June 29, 2022

(S. L. Menaria)
