# Twenty Point Programme – 2006

## An Introduction

The Twenty Point Programme (TPP) was launched by the Government of India in the year 1975 and was restructured in 1982, 1986 and again in 2006. The restructured programme, known as Twenty Point Programme (TPP) – 2006, became operational with effect from 1<sup>st</sup> April 2007. The programme is meant to give a thrust to schemes relating to poverty alleviation, employment generation in rural areas, housing, education, health & family welfare, protection of environment and many other schemes having a bearing on the quality of life, especially in the rural areas.

2. Twenty Point Programme (TPP) – 2006 originally consisted of 20 Points (**Annexure-1**) and 66 items being monitored individually by Central Nodal Ministries concerned. Up to 2007-08, out of 66 items, 22 items were monitored on monthly basis. In April 2008 *Sampoorna Grameen Rozgar Yojana* (SGRY) merged with another item namely *National Rural Employment Guarantee Act* which has been renamed as *Mahatma Gandhi National Rural Employment Guarantee Act* since 31<sup>st</sup> December 2009. Further, in the 12<sup>th</sup> Plan Swarnajayanti Gram Swarozgar Yojana (SGSY) has been modified and renamed as National Rural Livelihoods Mission (NRLM). Targeted Public Distribution System (TPDS) is being gradually replaced with National Food Security Act (NFSA). Presently, 65 items are monitored under TPP-2006. These 65 items consist of 162 identified parameters. The list of 65 items is enclosed at **Annexure-2**.

3. Out of 65 items, 19 items (earlier 20) measured on 37 parameters are being monitored on quarterly basis during the period 2016-17, of which 21 parameters are monitored against the targets fixed at the beginning of financial year by the Central Nodal Ministries and State Governments (**Annexure-3&4**). The remaining items under TPP-2006 are being monitored on annual basis as the information in respect of these items is made available by the concerned Central Nodal Ministries only on annual basis.

4. Some of the schemes/programmes are yet to be operationalised by the Central Nodal Ministries concerned. These items will be monitored only after the schemes come into existence and their frequency of monitoring will also be decided later. The details of such items are available at **Annexure-5**.

5. The monitoring mechanism for TPP-2006 is operational at the Centre, State, District and block level. Most of the States/Union Territories have constituted Block, District and State level monitoring committees. At the Centre, the progress of individual items is monitored and reviewed by the Departments/Ministries concerned. The Ministry of Statistics & Programme Implementation (MOSPI) monitors the programme/ schemes covered under TPP-2006 on the basis of performance reports received from State Governments and Central Nodal Ministries.

## Progress Report – (April 2016 – December 2016)

1. This progress report of Twenty Point Programme-2006 consists of two parts: **Part-I** contains an analysis of the overall performance, whereas **Part-II** deals with item-wise performance.
2. The report is compiled on the basis of data received from the Central Nodal Ministries and State Governments/UT Administrations. Presently, 21 parameters are taken for quarterly performance analysis. The data are received either through web enabled software developed by National Informatics Centre (NIC) Cell in this Ministry or through fax/e-mail/post. The processing of data has been done in association with NIC Cell.
3. The analysis for the period **April 2016 – December 2016** shows that the performance under **fourteen items/parameters** has been **‘Very Good’** (90% or above the targets). These items/parameters are:
