NATIONAL SAMPLE SURVEY ORGANISATION
THIRTY FOURTH ROUND : JULY 1979 - JUNE 1980
TABLES WITH NOTES ON
NON-DIRECTORY ESTABLISHMENTS IN SERVICE SECTOR
OTHER THAN EDUCATION, MEDICAL, HEALTH AND
SELECTED COMMUNITY AND CULTURAL SERVICES
SECTION ONE
INTRODUCTION

1.1 A survey on small scale enterprises in trade, hotels, restaurants, transport, storage & warehousing and service sector was carried out by the National Sample Survey Organisation in the thirty fourth round of its survey from 1st July 1979 to 30th June 1980. This was a follow-up survey of the first Economic Census which was conducted by the Central Statistical Organisation during the last quarter of 1977. In the Economic Census some broad information about non-agricultural enterprises of the country was collected. As a follow-up of the Economic Census detailed sample surveys of small scale enterprises in (i) manufacture & (ii) trade, hotel & restaurant, transport, storage & warehousing and service sector were conducted by the NSSO respectively in the 33rd and 34th round of the NSS.

1.2 The survey in the 34th round of the NSS covered the entire geographical area of the Indian Union except Sikkim, Andaman & Nicobar Islands, Lakshadweep, Dafra Nagar Haveli and the rural area of Nagaland. Two tehsils of district Surguja and four tehsil of district Bastar of Madhya Pradesh, three tehsil of district Chandrapur and one tehsil of district Aurangavi of Maharashtra and Ladakh district of Jammu & Kashmir were also not covered.

1.3 The Governments of all the States and Union Territories participating in the National Sample Survey programme participated in the survey by canvassing samples at least of equal size as the central sample in the respective States and Union Territories.

1.4 In the Economic Census enterprises were classified into two groups namely, (i) own account enterprises (OAE) i.e., enterprises without any hired worker and (ii) establishments i.e., with at least one hired worker. Establishments having hired workers

were further classified into two categories namely, (a) non-direct establishments (NDE) i.e., establishments with total number of workers including household worker, if any, 5 or less and annual output/turnover/receipt less than Rs.1,00,000 and (b) directory establishments (DE) i.e., establishments with 6 or more workers and/or annual output/turnover/receipt Rs.1,00,000 or more. The survey conducted by the NSSO in the thirty fourth round was restricted to non-directory establishments and own account enterprises in trade, hotel & restaurant, transport, storage & warehousing and service sector. The enquiry for the directory establishments was covered by a separate survey conducted by the C.S.O. during October 1979 to September 1980. Government and public sector enterprises were kept out of the purview of the survey.

1.5 The basic design for the survey was a two-stage stratified one with enumeration block (EB) formed during the Economic Census as the first stage units (f.s.us) and enterprises as the ultimate units of enumeration. In each sample f.s.u. enterprises which had operated for at least 30 days (or ~~max~~ 15 days for seasonal enterprises) during the last 365 days and existed on the date of survey formed the frame for selection of enterprises. A sample of own account enterprises and non-directory establishments in trade, hotel and restaurants, transport, storage & warehousing and service sector was selected for the detailed enquiry in each sample EB.

1.6 The activities in the service sector are covered by NIC^{a/} division 8 (financing, insurance, real estate and business services) and division 9 (community, social and personal services). In the 34th round of the NSS, the activities of banking and similar type of financial institutions (NIC major group 80), providents and insurance (major group 81), public administration and defence (major group 90), sanitary services (major group 91), recognised educational institutions (groups 920 and 921), research and scientific service (group 922), domestic services (group 960), repair services (major group 97 - covered under manufacture in the 33rd round of the NSS) and international & other extra territorial bodies (major group 98) were kept out of the coverage of the 34th round survey. The residual activities in the service sector were covered in the 34th round of the NSS. The enquiry schedule 2.55B was canvassed with respect to non-directory establishments in service sector other than education, medical, health and registered & unregistered

^{a/} National Industrial Classification (NIC) - 1970, issued by C.S.O.

establishments in community and cultural services. In terms of NIC codes non-directory establishments belonging to the following industry groups (NIC code in parenthesis) were covered in schedule 2.55B :-

- i) real estate and business services (820, 823-829)
- ii) legal services (83)
- iii) veterinary services (931)
- iv) community services (94) (other than enterprises registered under public trust or Society's Act and unregistered enterprises);^{a/}
- v) recreational and cultural services (95) (other than enterprises registered under public trust or Society's Act and unregistered enterprises);^{a/}
- vi) personal services (961-963, 969)
- vii) services not elsewhere classified (99)

1.7 This report is based on data collected in schedule 2.55B canvassed in the central sample. It gives by NIC groups number of non-directory establishments, estimated employment, earnings, expenditure, operating surplus by states, union territories and all-India ^{b/}. Section II gives concepts and definitions used in the survey and Section III gives summary findings of the survey. Appendix-I gives the statistical tables. A note on sample design and estimation procedure is given in Appendix-II. Appendix III gives description of NIC groups of NIC revisions 8 & 9. *

a/ For enterprises registered under public trust or Society's Act engaged in community services (NIC code 94) and/or recreational & cultural services (NIC code 95) a separate schedule 2.54B : Community and Non-commercial Cultural Non-directory Establishment, was canvassed. Also for unregistered enterprises with ownership neither proprietary nor partnership but rather institutional without strictly being a corporate body, engaged in community services (NIC code 94) and/or recreational and cultural services (NIC code 95) Schedule 2.54B was canvassed.

b/ Estimates for Arunachal Pradesh, rural sector, have not been included in this release as the estimates are under re-examination.

* Appendix IV presents number of establishments as per Economic Census 1977 and estimated number of non-directory establishments as per schedule 2.55B for selected NIC/groups for a broad comparison at all-India level.
† major

SECTION TWO

CONCEPTS AND DEFINITIONS

2.1 Some of the important concepts and definitions followed in the survey are given below.:

2.2 Enterprise : An enterprise was an undertaking engaged in production and/or distribution of some goods and/or services not for the sole purpose of domestic consumption and carried out by members of the household/institutional body and/or hiring outside labour. An enterprise might be owned and operated by a single household or by several households jointly (on a partnership basis) or by an institutional body.

2.3 Establishment : An enterprise with at least one hired worker on a fairly regular basis was called an establishment. An establishment with six or more workers (including both household and hired) and/or with annual output/turnover/receipt Rs.1,00,000 or more was termed a directory establishment. On the other hand, an establishment with less than six workers and annual output/turnover/receipt less than Rs.1,00,000 was termed a non-directory establishment.

2.4 Ownership : Establishments owned by a single or a group of persons with no participation of the government, local body etc. in it both in terms of management and shares were covered. Co-operative societies run with the shares of government, local body etc. were also covered. Each enterprise was categorised under any one of the following types of ownership.

(i) Proprietary : Type of ownership was said to be proprietary where an individual was the sole owner of the enterprise.

(ii) Partnership : Where there were two or more owners of the enterprise on a partnership basis, with or without formal registration, type of ownership of the enterprise was categorised as partnership.

(iii) Private limited : When the enterprise was owned by a private limited company of corporate sector, type of ownership was private limited.

(iv) Public limited : When the enterprise was owned by a public limited company of the corporate sector, type of ownership was public limited.

(v) Co-operative Society : When the enterprise was owned by a co-operative society, type of ownership was categorised as co-operative society.

(vi) Registered and unregistered institutions : An enterprise with institutional ownership, registered under public trust or Society's Act, was termed a registered institution. An enterprise with ownership neither proprietary nor partnership but rather institutional without being a public limited, or private limited company or co-operative society and not registered under Society's Act was termed an unregistered institution.

2.5 Hired staff : Persons employed in an enterprise on regular wage or salary were treated as hired staff. Apprentices, paid or unpaid and proprietors receiving regular salary were treated as hired staff.

2.6. Not hired staff : Persons working in or for the enterprise without regular wage or salary were treated as not hired staff.

2.7 Earnings : Earnings included fees, commission and charges for services receivable by the enterprise. Fees was considered to be the remuneration for services provided by the enterprise.

2.8 Government grants : Recurring and non-recurring annual aid from the central, state and local government.

2.9 Donation : Recurring and non-recurring annual cash assistance from persons, national and international organisations.

2.10 Salary : Wages, allowances, retirement benefits, social benefits such as employer's contribution to employee's state insurance and other benefits such as ex-gratia payment or bonus, benefit in kind etc, were included in salary.

2.11 Rent for assets not owned : Rent for assets not owned was rent payable for the reference period for assets hired for the enterprise.

2.12 Interest on loan : Interest payable for the reference period for current loan and also outstanding loans taken prior to the reference period for the enterprise was treated as interest on loan.

2.13 Total recurring expenditure : Total recurring expenditure was total of salary, rent for assets not owned, interest on loan and other operational expenditure of the enterprise. It excluded all the expenditure of a capital nature.

2.14 Operating surplus : Operating surplus was total receipt on earnings plus government recurring grants and donations less amount payable on salary, rent for assets not owned, interest on loan, maintenance expenditure on building and other assets and other operational expenditure. Only recurring receipt and expenditure were considered.

2.15 Valued added : Amount payable on salary, rent for assets not owned and interest on loan when added to operating surplus was value added.

SECTION THREE
SUMMARY RESULTS

3.1 Table (1) shows that out of 115,414 non-directory establishments in service sector other than education, medical & health and selected community and cultural services at all-India level, 36,127 establishments were located in the rural sector and 79,287 establishments were located in the urban sector i.e. 31 pc and 69 pc of the establishments were located respectively in the rural and urban sectors. The table gives number of establishments by NIC group 931 and major groups 82, 83, 94, 95, 96, & 99.

Table(1) : Estimated number of establishments by selected industry groups and sectors and percentage of establishments in each sector by industry groups - all-India, NSS-34th round : July 1979 - June 1980,

NIC group major group	estimated no. of establishments			percentage of establishments		
	rural	urban	total	rural	urban	total
(1)	(2)	(3)	(4)	(5)	(6)	(7)
1. <u>82</u> real estate & business services	13869	20294	34163	41	59	100
2. <u>83</u> legal services	1936	15350	17286	11	89	100
3. <u>931</u> veterinary services	12	68	80	15	85	100
4. <u>94</u> community services	9552	3139	12691	75	25	100
5. <u>95</u> recreational & cultural services	1605	2791	4396	37	63	100
6. <u>96</u> personal services	9122	37442	46564	20	80	100
7. <u>99</u> services not elsewhere classified	31	203	234	13	87	100
8. all-India	36127	79287	115414	31	69	100

From columns (2) and (3) of the table it is seen that only in industry group community services (NIC major group 94) total number of establishments in the rural sector exceeded the number of establishments in the urban sector. In all other industry groups the urban sector claimed a higher share of the total number of establishments, particularly in the legal services (89%) and services not elsewhere classified (87%).

3.2 Table (2) shows that 88,706 and 217,323 persons were employed in the rural and urban sectors respectively out of a total of 306,029 persons employed in non-directory establishments in service sector at all-India level.

Table (2) : Estimated employment by industry groups and sectors and percentage of establishments in each sector by industry groups - all India, NSS-34th round : July 1979 - June 1980.

NIC group & major group (1)	estimated employment			percentage of employment		
	rural (2)	urban (3)	total (4)	rural (5)	urban (6)	total (7)
1. 82 real estate & business services	31395	53008	84403	37	63	100
2. 83 legal services	4690	39780	44470	11	89	100
3. 93 veterinary services	24	182	206	12	88	100
4. 94 community services	22415	8338	30753	73	27	100
5. 95 recreational & cultural services	6166	8038	14204	43	57	100
6. 96 personal services	23951	107161	131112	18	82	100
7. 99 services not elsewhere classified	65	816	881	7	93	100
8. all-India	88706	217323	306029	29	71	100

From the table it is seen that barring community services in all other industry groups urban sector claimed a higher percentage share of total employment, the share in services not elsewhere classified being highest (93%).

3.3 : Table (3) below shows operating surplus per establishment by selected NIC groups and major groups.

Table(3): Annual operating surplus per establishment by selected NIC groups and major groups separately by rural and urban sectors - all-India, NSS-34th round : July 1979 - June 1980.

NIC group and major group	rural		urban	
	estima- ted no. of estab- lishments	operating surplus per estab- lishment (Rs. 00)	estima- ted no. of estab- lishments	operating surplus per estab- lishment (Rs. 00)
(1)	(2)	(3)	(4)	(5)
827 machinery and equipment, rental and leasing	6012	25	4628	48
829 business services, except machinery and equipment, rental and leasing, n.e.c.	7821	18	12321	45
82 real estate and business services	13869	21	20294	52
83 legal services	1936	26	15350	101
931 veterinary services	12	0	68	79
94 community services	9552	8	3139	18
951 motion picture distribution and projection	73	70	196	152
959 amusement and recreational services n.e.c.	137	19	1707	38
95 recreational and cultural services	1605	22	2791	57
961 laundries, laundry services and cleaning and dyeing plants	1531	4	12993	53
962 Hair dressing such as those done by barbers, hair dressing saloons and beauty shops	5377	31	17072	43
963 portrait and commercial photographic studios	1223	92	4477	80
969 personal services not elsewhere classified	991	7	2900	56
96 personal services	9122	32	37442	52
99 Services not elsewhere classified	31	32	203	49
total	36127	21	79287	60

It is seen from the table that annual operating surplus per establishment in the rural sector at all-India level for all the service sector industries under coverage of Schedule 2.55B taken together was Rs. 2100/-. In the urban sector the corresponding estimate was Rs. 6000/-. At all-India level therefore operating surplus per establishment in the urban sector was about three times the corresponding estimate for the rural sector. Excepting the industry group 963 - portrait and commercial photography studios in all other industry groups operating surplus per establishment for the urban sector was higher than the corresponding estimates for the rural sector. In particular operating surplus per establishment in the urban sector for NIC groups 829, 931, 951, 959, 961 & 969 and major groups 82, 83, 94 & 95 exceeded the corresponding estimates for the industries located in the rural sector by about 100% or more.

APPENDIX - I : STATISTICAL TABLES

a/ Total includes repair and maintenance expenditure on assets and other operational expenses.

APPENDIX - II

SAMPLE DESIGN AND ESTIMATION PROCEDURE

1. Basic design : The sample design in both rural and urban areas was a stratified two stage one with enumeration blocks (EBs) of economic census being first stage units and enterprises in sample EBs being second stage units.

2. Stratification : There were 73 regions all over India (excluding areas not covered by NSS). These regions were formed within a state/union territory except in Gujarat by grouping contiguous districts of similar agricultural profile. In Gujarat, regions were formed by grouping contiguous tehsils taking into consideration the concentration of tribal population and dry areas of the state. Each district was treated as a stratum except in Gujarat where parts of a district belonging to different regions were treated as different strata.

3. Sampling frame : The enumeration blocks (EB) formed during 1977 Economic Census showing the number of DE and NDE for the different industries for each EB were used as sampling frame for the selection of EBs, the first stage units of sampling. However, due to non-availability of EC frame, UFS frame was used as the sampling frame for the urban areas of Nagaland and 1971 census list of villages was used as sampling frame for rural areas of Chandigarh.

4. Sub-strata : All the EBs in each district/stratum were divided into 2 sub-strata. Sub-stratum 1 consisted of all EBs having at least one DE and/or NDE in any of the 4 industries namely, (i) trade, (ii) hotel and restaurant, (iii) transport and (iv) storage and warehousing. Residual EBs constituted sub-stratum 2. However, in rural areas of Gujarat, 3 sub-strata were formed by sub-dividing sub-stratum 2 in two parts, viz, EBs not having any DE or NDE in any of the 4 industries specified above but containing at least one DE and/or NDE in any of the remaining industries covered by the Economic Census constituted sub-stratum 2 and the residual EBs constituted sub-stratum 3.

5. Allocation : The total sample size of enumeration blocks for the state/union territory was fixed on the basis of the number of investigators available for the survey in the state. The total number of sample EBs in a state or union territory was allocated to the rural and urban sectors of the districts in proportion to total number of directory and non-directory establishments in the four industries (viz. trade, hotel and restaurant, transport and storage & warehousing) in the respective districts and sectors. District-wise sample size was distributed between sub-stratum 1 and 2 approximately in the ratio 5 : 1, separately for the rural and urban sectors.

6. Selection of EBs : Sample EBs were selected from sub-stratum 1 with probability proportional to total number of DE + NDE under the industries namely, (i) trade, (ii) hotel and restaurant, (iii) transport and (iv) storage and warehousing with replacement. From sub-stratum 2 sample EBs were selected at random.

7. Sub-division of EBs : Normally each sample EB was completely surveyed. But where the EB population exceeded 1,000 or number of DE + NDE exceeded 200, the EB was sub-divided into two or more sub-blocks of nearly equal population or DE + NDE content and the survey was confined to one of the sub-blocks selected at random.

8. Sampling of enterprises : There were 11 schedules of enquiry for the different enterprises under survey coverage as :

<u>Schedule type</u>	<u>Enterprise type</u>
1. 2.31B	mechanised passenger & goods transport - NDE & OAE
2. 2.32B	non-mechanised passenger & goods transport - NDE & OAE
3. 2.33B	services incidental to transport - NDE & OAE
4. 2.34B	storage & warehousing - NDE & OAE
5. 2.41B	trade - NDE & OAE

<u>Schedule type</u>	<u>Enterprise type</u>
6. 2.42B	hotel & restaurant ~ NDE & OAE
7. 2.51B	OAE in service sector
8. 2.52B	other recognised educational non-directory establishment
9. 2.53B	non-Govt. medical and health non-directory establishment
10. 2.54B	community & non-commercial cultural non-directory establishment
11. 2.55B	non-directory establishment in service sector other than education, medical, health, community & non-commercial cultural services

In each sample EB all the OAEs eligible for sch.2.51B were surveyed. Also in each EB a maximum of 12 NDEs were surveyed. Further in each EB 3 OAEs other than OAEs eligible for sch.2.51B were surveyed. In EBs having no eligible NDE, 5 OAEs were surveyed.

NDE : When total number of NDE eligible for survey exceeded 12 in an EB, 12 sample NDEs were distributed over different schedule types as follows. First, one NDE was allotted to each schedule type. Next, one more was allotted to each schedule ~~at~~ type in the priority order/schedules 2.31B, 2.32B, 2.33B, 2.34B, 2.52B, 2.53B, 2.55B, 2.41B and 2.42B until the total number of sample NDEs became 12. This procedure was repeated as many times as warranted to arrive at 12 sample NDEs. Circular systematic sample of NDEs was selected independently from each schedule type..

OAE : A circular systematic sample of 3 or 5 OAEs, as required, was selected taking all the schedule types (excepting schedule 2.51B) together.

Estimation Procedure

Notations The following notations are used for obtaining various estimates.

- r : subscript for region
- s : subscript for district/stratum
- s_1 : subscript for sub stratum 1 of a district/stratum
- s_2 : subscript for sub-stratum 2 of a district/stratum
- s_3 : subscript for sub-stratum 3 of a district/stratum
(for Gujarat - rural areas only)
- t_1 : subscript for non-directory establishment (NDE)
- i_1 : subscript for sample enumeration block (EB) in sub-stratum 1
- i_2 : subscript for sample enumeration (EB) in sub-stratum 2
- i_3 : subscript for sample enumeration block (EB) in sub-stratum 3 (for Gujarat - rural areas only)
- j : subscript for enterprise/establishment
- z : size of an EB
- Z : total size of a district/stratum
- D : number of sub-blocks actually formed in an EB
- n : number of EBs surveyed
- H : total number of NDEs in the EB/sub-block
- h : number of NDEs surveyed in the EB/sub-block
- k : number of districts/strata in a region

$E_{s_1 i_1 t_1} / E_{s_2 i_2 t_1}$ = no. of NDEs of type 2.55B listed in the i_1 -th sample block of sub-stratum 1/sub-stratum 2

$h_{s_1 i_1} / h_{s_2 i_2 t_1}$ = no. of NDEs of type 2.55B surveyed in the i_1 -th sample block of sub-stratum 1/sub-stratum 2

The estimation procedure adopted for schedule 2.55B is described below. In the following Y stands for the estimate of the state total of the characteristic y based on the whole sample. To obtain Y , the estimates of Y_{s_1} and Y_{s_2} of the characteristic y for sub-stratum 1 and sub-stratum 2 respectively are to be prepared.

$$Y_{s_1} = \frac{Z_{s_1}}{n_{s_1}} \sum_{i_1=1}^{n_{s_1}} \frac{D_{s_1 i_1}}{z_{s_1 i_1}} Y_{s_1 i_1 t_1}$$

$$\text{and } Y_{s_2} = \frac{Z_{s_2}}{n_{s_2}} \sum_{i_2=1}^{n_{s_2}} \frac{D_{s_2 i_2}}{z_{s_2 i_2}} Y_{s_2 i_2 t_1}$$

$$\text{where } Y_{s_1 i_1 t_1} = \frac{h_{s_1 i_1 t_1}}{\sum_{j=1}^{h_{s_1 i_1 t_1}}} Y_{s_1 i_1 t_1 j},$$

$$y_{s_2 i_2 t_1} = \frac{h_{s_2 i_2 t_1}}{h'_{s_2 i_2 t_1}} \sum_{j=1}^{h_{s_2 i_2 t_1}} y_{s_2 i_2 t_1 j},$$

Then, $y_s = \frac{y_{s_1}}{k} + \frac{y_{s_2}}{k}$

and $Y = \sum_r \sum_{s=1}^k y_s$

It may be noted that values of H and h' relate to the schedule 2.55B only.

For Gujarat (rural areas only),

$$y_s = \frac{y_{s_1}}{k} + \frac{y_{s_2}}{k} + \frac{y_{s_3}}{k}$$

and $Y = \sum_r \sum_{s=1}^k y_s$

The value of y_{s_3} is to be obtained using the relation for y_{s_2} given in para 1.

Estimates of ratios : Estimates of ratios of two characteristics are given by the ratio of the estimates of aggregates of the items appearing in the numerator and the denominator of the ratio. First the aggregates of the two characteristics are to be estimated at the level required and the ratios are to be computed at the final stage as $R = \frac{Y}{X}$, where R, X and Y are the estimates of the ratio and aggregates of two characters x and y respectively.

Appendix III

Description of NIC groups of NIC divisions 8 and 9

DIVISION - 8

FINANCING, INSURANCE, REAL ESTATE AND BUSINESS SERVICES

80^{a/}

BANKING AND SIMILAR TYPE OF FINANCIAL INSTITUTIONS

800

Banking

801

Credit Institutions other than banks, such as saving and loan associations, agricultural credit institutions, industrial development banks etc.

809

Other financial institutions such as pawn brokers, money lenders, financiers, chit funds, etc.

81^{a/}

PROVIDENTS AND INSURANCE

810

Provident Services

811

Insurance carriers, life

819

Insurance carriers other than life, such as fire, marine accident, health, etc.

82

REAL ESTATE AND BUSINESS SERVICES

820

Purchase, sale, letting and operating of real estate such as residential and non-residential buildings, developing and sub-dividing real estate into lots, lessors of real property, real estate agents, brokers and managers engaged in renting, buying and selling, managing and appraising real estate on a contract or fee basis.

821

Purchase and sale, agents and brokers

822

Auctioneering

823

Accounting, auditing and book-keeping services

824

Data processing and tabulating services

825

Engineering, architectural and technical services

826

Advertising and publicity services

827

Machinery and equipment, rental and leasing

828

News Agencies e.g. P.T.I., U.N.I., Reuter, etc.

829

Business services, except machinery and equipment, rental and leasing, not elsewhere classified

83

LEGAL SERVICES

830

Legal Services, such as those rendered by advocates, barristers, solicitors, pleaders, mukhtiaris, etc.

DIVISION - 9

COMMUNITY, SOCIAL AND PERSONAL SERVICES

90

PUBLIC ADMINISTRATION AND DEFENCE SERVICES

900

Public Services in the Union Government including defence Services

901

Public Services in State Governments including Public Service

902

Public Services in local bodies departments and offices engaged in administration like local taxation, business regulations etc.

903

Public services in quasi-Government bodies.

91^{a/}

SANITARY SERVICES

910 Sanitation and similar services such as garbage and sewage disposal, operation of drainage systems and all other types of work connected with public health and sanitation.

92

EDUCATION, SCIENTIFIC AND RESEARCH SERVICES

920 Educational services rendered by technical or vocational colleges, schools and other institutions

921 Educational services rendered by non-technical colleges, schools, universities and other institutions

922^{a/} Research and Scientific services not classified elsewhere such as those rendered by institutions and laboratories engaged in research in the biological, physical and social sciences, meteorological institutes and medical research organisations etc.

93

MEDICAL AND HEALTH SERVICES

930 Health and medical services rendered by organisations and individuals such as hospitals, dispensaries, sanatoria, nursing homes, maternal and child welfare clinics by Allopathic, Ayurvedic, Unani, Homeopathic, etc., practitioners.

931 Veterinary Services

94

COMMUNITY SERVICES

940 Religious services by organisations or individuals

941 Welfare services rendered by organisations operating on a non-profit basis for the promotion of welfare of the community such as relief societies, creches homes for the aged, blind, fire brigade services etc.

942 Business, professional and labour organisations

949 Community services not elsewhere classified

95

RECREATIONAL AND CULTURAL SERVICES

950 Motion picture production

951 Motion picture distribution and projection

952 Theatrical producers and entertainment services

953 Authors, music composers and other independent artists not elsewhere classified

954 Radio and television broadcasting

955 Operation of circuses and race tracks

956 Libraries, museums, botanical and zoological gardens, zoos, game sanctuaries, etc.

959 Amusement and recreational services not elsewhere classified.

96

PERSONAL SERVICES

- 960^{a/} Domestic Services
961 Laundries, laundry services and cleaning and dyeing plants
962 Hair dressing such as those done by barbers, hair dressing saloons and beauty shops
963 Portrait and commercial photographic studios
969 Personal services not elsewhere classified

97^{b/}

REPAIR SERVICES

- 971 Repair of footwear and other leather goods
972 Electrical repair shops
973 Repair of Motor Vehicles and Motor Cycles
974 Repair of watches, clocks and jewellery
975 Repair of Bicycles and cycle rickshaws
979 Repair of enterprises not elsewhere classified

98^{a/}

INTERNATIONAL AND OTHER EXTRA TERRITORIAL BODIES

- 980 International and other extra territorial bodies

99

SERVICES NOT ELSEWHERE CLASSIFIED

- 990 Services not elsewhere classified

N.B : a/ Kept out of the purview of the 34th round survey.

b/ Covered under manufacture in the NSS 33rd round and hence not covered in the 34th round.

APPENDIX IV : SCHEDULE OF ENQUIRY
SOCIO-ECONOMIC SURVEY

Comparison with Economic Census, 1977

Strict comparison of NSS estimates with Economic Census figures is not possible because EC results are not available at relevant break-downs. In the table below, number of establishments, excluding public sector establishments, as per NSS 34th round (schedule 2.55B) and Economic Census, 1977 are presented by NIC major groups 82, 83, 96 and 99. The data for Economic Census are exclusive of Sikkim and they relate to all establishments (i.e. directory as well as non-directory combined together) and the data for NSS relate to non-directory establishments only and ~~are exclusive~~ are exclusive of Sikkim, A&N Islands, Lakshadweep, Dadra and Nagar Haveli and rural areas of Nagaland.

Table (4) : Comparison with Economic Census, 1977 at all India level.

Number of establishments

NIC major group	rural		urban	
	EC (NDE+DE)	NSS (NDE)	EC (NDE+DE)	NSS (NDE)
(1)	(2)	(3)	(4)	(5)
82	4253	13869	23290	20294
83	394	1936	8193	15350
96	6367	9122	29523	37442
99	402	31	829	203

group
Excepting NIC major/99 in the rural sector and NIC major groups 82 and 99 in the urban sector, NSS estimates are on the higher side.
