# **Twenty Point Programme – 2006**

## **An Introduction**

The Twenty Point Programme (TPP) was launched by the Government of India in the year 1975 and restructured in 1982, 1986 and again in 2006. The restructured programme, known as Twenty Point Programme (TPP) – 2006, became operational with effect from 1<sup>st</sup> April, 2007. The Programme is meant to give a thrust to schemes relating to poverty alleviation, employment generation in rural areas, housing, education, family welfare & health, protection of environment and many other schemes having a bearing on the quality of life, especially in the rural areas.

2. The programmes and schemes under the TPP-2006 are in harmony with the priorities contained in the Millennium Development Goals (MDGs) of the United Nations and SAARC Social Charter. The original nomenclature, namely the Twenty Point Programme, which has been in existence for more than three decades and carries the stamp of familiarity among the people and administrative agencies, has been retained.

3. Twenty Point Programme (TPP) – 2006 originally consisted of 20 Points (**Appendix-1**) and 66 items being monitored individually by Central Nodal Ministries concerned. Up to 2007-08, out of 66 items, 22 items were monitored on monthly basis. From 1<sup>st</sup> April, 2008 *Sampoorna Grameen Rojgar Yojana* (SGRY) has been merged with another item namely “*National Rural Employment Guarantee Act*” which has now been renamed as *Mahatma Gandhi National Rural Employment Guarantee Act* from 31<sup>st</sup> December, 2009 therefore, SGRY has been dropped from the list of 66 items and only 65 items are now monitored under TPP-2006 since 2008-09. The list of 65 items is enclosed at **Annexure-I**.

4. Out of 65 items, 20 items (information in respect of 16 items is being collected from various States/ UTs and for remaining 4 items from the concerned Central Nodal Ministries) are being monitored on monthly basis during the period 2012-13 against the targets fixed at the beginning of financial year by the central nodal Ministries and State Governments (**Appendix-2&3**). The remaining items under TPP-2006 are being monitored on annual basis as the information in respect of these items will be made available by the concerned Central Nodal Ministries only on annual basis. These 65 items consist of about 160 identified parameters, however for the purpose of monthly performance, 19 identified parameters have been taken (**Appendix-4**).

5. Some of the schemes/programmes are yet to be operationalised by the Central Nodal Ministries concerned. These items will be monitored only after the schemes concerning them come into existence and their frequency of monitoring will be decided later. The details of such items are available at **Appendix-5**.

6. The monitoring mechanism for TPP-2006 has been widened by including block level monitoring in addition to District, State and Central level monitoring. Most of the States/Union Territories have constituted the block, district and state level monitoring committees. At the Centre, the progress of individual items is monitored and reviewed by the Departments/Ministries concerned. The Ministry of Statistics & Programme Implementation (MOSPI) monitors the Programme/ schemes covered under TPP-2006 on the basis of performance report received from State Governments/UT Administrations and central nodal Ministries.
