

LIVESTOCK AND FISHERIES

This section contains tables regarding livestock and fisheries. Data regarding the number of livestock and poultry, besides agricultural implements (shown separately under Agriculture) and fishing, crafts & tackles are collected through Livestock Census conducted quinquennially Till 1997, Livestock Census was conducted by the Department of Agriculture and Cooperation, Ministry of Agriculture. The 2003 Census was conducted for the first time by the Department of Animal Husbandry and Dairying under the same Ministry. In the states also, for the first time the census was conducted and the data compiled by Directorates of Animal Husbandry, as previous censuses were conducted by different State agencies. The primary data were collected from each household both in rural and urban areas.

Tables 5.1 and 5.2

Table 5.1 provides data regarding number of livestock by category of livestock. This also shows the number of poultry. Table 5.2 presents number of adult male cattle and buffaloes used for work only.

Tables 5.3 and 5.4

These tables give the production of milk and estimates of raw wool and eggs production in India.

Tables 5.5 and 5.6

Table 5.5 presents data regarding fish catch and landings by groups of species. Table 5.6 provides data regarding quantity of fish catch by disposition.
